

DEAD HEROES' GRAVES

Garlands to Be Placed Upon Them in Every Cemetery.

Memorial Services To-Night at Lincoln's Statue, in Union Square.

Exercises Held in Some of the Public Schools This Morning.

The observance in commemoration of the heroes of the war for the Union began this morning with appropriate exercises, in several of the schools, notably the primary department of Grammar School No. 6, where Julia M. Elliott is Principal. The programme was a long one, and the exercises were witnessed by Dr. James Bergson, Dr. Joseph H. Byrne, Richard S. Treacy and Chairman Jacques H. Hertz, of the Board of Trustees, Twenty-second Ward, and many ladies. The pupils of grammar school No. 11, on West Seventeenth street, of which Edgar Vanderbilt is Principal, also held appropriate exercises this afternoon. Besides singing and recitations, several addresses were made and flags presented. A number of visitors, as well as the trustees and inspectors were present.

The Lincoln Statue in Union Square will be hung with flowers this evening at 6 o'clock, with appropriate ceremonies, by Lincoln Flower Garden, and the sale of John A. Andrew Post and Thaddeus Stevens Post, of the Grand Army of the Republic; the Lincoln Flower Garden, Summer Pioneer Corps, the Veteran Guards and the Park Legion. Alfred R. Conklin will deliver a prayer will be offered by Rev. Josiah Cuddeback, and ex-Secretary of the Navy, Benjamin B. French, will deliver an oration. There will be singing by the hundred of colored children of the day-schools of the by-stander Baptist Church, Bethel and Zion Methodist Episcopal Churches. The arrangements for to-morrow's parade and memorial services are now complete, the only thing wanting is the enthusiasm of the occasion being the stringency of funds in the hands of Gen. W. W. Post, the Treasurer of the Memorial Committee of the Grand Army of the Republic.

Gen. Day reports that the responses to the Committee's appeal for funds to defray the expenses have been smaller this year than in previous years. Notwithstanding the attractive programme for the memorial services in the evening at Lincoln's statue, the sale of tickets has not been as large as usual. Contributions or applications for tickets should be sent to the City Hall.

Postmaster Dayton will preside at Carnegie Hall, on Monday, June 4, at 8 o'clock, and deliver the oration.

Edouard Reményi, the great violinist, will appear; Miss Marcella Lindahl, the famous soprano; Miss Nina Norman Adams, Miss Grace Barley, Charles N. Adams, baritone; Conrad Helgren, tenor; the Riverside Glee Club of twenty-four voices will sing; Miss Arthur H. Miller, pianist; the pianist and Lillie Huffer Wood and little Edna Springer, the abolitionist will appear.

The proceeds of this memorial service must be deposited upon to swell the fund of the Grand Army of the Republic for the care of the widows and orphans of their dead comrades in arms.

Phillip S. chairman of the Memorial Committee; E. A. Atkinson and H. P. Finley, Secretaries; N. W. Day, Treasurer; and the following: E. H. Murphy, Vice-Chairman; E. P. Doherty, Grand Marshal; and William J. Barry, Secretary.

Grand Marshal Doherty was much disappointed at the refusal of the Board of Education to permit the boys of the city schools to participate in the parade, for the ranks of the Grand Army of Veterans are being sadly depleted by death and old age and infirmities that forbid the participation of many old soldiers in the long march.

The great Columbia liberty bell will toll in Madison Square Park during the passage of the parade in review before Mayor Gilroy.

At the Grand Marshal's headquarters, Seventy-first Street, a number of suggestions for places in the parade have been many, and there is every promise of an unexampled largeness of veterans, as well as of sympathetic organizations, although the National Guard will not turn out in a body, several of the organizations of the National Guard will honor to the lead here, however, the Ninth Regiment, Sixty-ninth Battalion and Troop A, having signified their intention of turning out in force.

The route of the parade is made short because of the advancing age of the veterans. It will start at 10 o'clock from Fifty-seventh street, moving down Fifth avenue to Washington Square, where it will break up into decorating parties, which will visit the several cemeteries, where impressive memorial ceremonies will be held.

The ceremonies in Cypress Hills Cemetery, which will be held at 10 o'clock, will be the most elaborate, and it is expected that if the weather is favorable, a large number will be present. Every soldier's grave will be draped with a flag and flowers will be laid on all the graves simultaneously.

PASSED 81 BERGS.

Steamer Grecian Breaks the Ice-Sighting Record.

Ice seems to be more than ordinarily plentiful along the ocean lanes of transatlantic steamships just now. For months skippers of vessels have been bringing reports of bergs floating near the coast of Greenland.

The Grecian left Glasgow, Scotland, May 18, and started a voyage of less than eleven days, as shown by her log, which arrived this morning, is a record for the Grecian's crew. The vessel has passed eighty-one big ice bergs.

No record was made of the innumerable small bergs, but it is estimated that the sea was "slushy" with small ice for a great part of the voyage. According to the Grecian's log the big bergs are thick between latitude 48.50 and 50.00, and are scattered between longitude 55.50. Fifty-two of the eighty-one bergs were sighted in this distance.

INSPECTORS FOUND GUILTY.

Verdict in the Richmond County Election Law Violations.

Hughes and Schriener Are Democrats and Turner Is a Republican.

RICHMOND, S. I., May 29.—The jury in the case of the election inspectors who were tried on indictments accusing them of violating the Election laws went into the Richmond County Court of Oyer and Terminer this morning and rendered a verdict of guilty. The defendants, Martin Hughes, W. C. Schriener, both Democrats, and Thomas Turner, a Republican, were surprised at the verdict. It was generally supposed that the jury would disperse.

The court remained in session until 11 o'clock last night. Acting Assistant District-Attorney Halliday, of Ithaca, N. Y., who was appointed by Gov. Flower to assist in the prosecution, on the ground that they were ineffective in the conviction of the defendants.

Lawyer Charles Brooke, of New York, who appeared for the inspectors, before making his address to the jury, asked to have the indictments dismissed, on the ground that they were ineffective in the conviction of the defendants.

The defendants were accused of having elected George J. Cornell from the polls in the Southern District at the election in November last. Cornell presented a certain showing that he had been regularly appointed as a watcher at the polls by the Republican County Committee.

It was announced that they would stand for a new trial and argument in the case would be heard on Monday next. Meantime the convicted inspectors, who are all well known politicians of Staten Island, were released on bail.

The Jettings has overflowed its banks and has inundated an area of hundreds of miles.
