HARMONY AND DISCORD.

The big chiefs of the Tammany Democracy have inaugurated a consultation at Saratoga, and the friends of good government are exhorted to look at the gathering and to take note of the character of the men who are handed together in the attempt to retain possession of the State, to recapture the legislature and to confirm their powerful grip on the municipal government.

The advance guard of the conferees got together last week, but many of the chiefs had not arrived and so the meeting is to be continued. The Hon. Hill and Mr. Murphy, one or both of our Senatorial representatives will be found among the number. The ten-thousand-dollar-a-year Shipping Commissioner Maurice J. Power, the man-of-all-work of the President and Secretary of the State, is to be present. District Attorney Ridgway, of Kings, Richard Croker, Fire Commissioner Scannell, Public Works Commissioner Daly and the whole army of municipal magistrates are to be on hand. Hill and Cleveland are expected to be represented. The Mayor and the anti-Tammany organizations are coyly hanging on to the skirts of the assemblage.

Of course, all this may end in a failure to combine. But it looks like harmony. At all events, it is worth while for the straight "tick" Republican ticket advocates to reflect on the contrast presented between this gathering and the recent discordant meeting of the Republican State Committee. How do the Saratoga hobnobbers compare with the trick by which Platt seized control of the New York organization and the mortal struggle going on between the Plattites and the Union Leaguers?

MAYOR GILROY'S POSITION.

Mayor Gilroy has made the positive and what may be called the official announcement that he is not a candidate for re-election, and that he would not under any circumstances, accept the office for another term. He has been in the harness, as he says, since 1878, and wants a rest. At all events, he does not intend to be a candidate for Mayor, and his decision would be the same if Tammany had no opposition and his nomination were unopposed.

Mr. Gilroy has confidence that Tammany will win in the coming municipal contest, and he makes the significant remark that the organization "is free to name its candidate without pledges or conditions." There is little doubt that Mr. Gilroy will succeed Mr. Croker as the leader of the Tammany Democracy. Mr. Croker is out to stay, and there is no prospect of his return to the leadership even if he should desire to resume his abdicated post.

THE PIGTAL WAR.

The Japanese have confirmed the public opinion that they would take the lead in the first victories in the war with China over Corea matters. They have won the opening naval engagement, sinking a transport with two thousand Chinese troops on board and capturing an old Chinese man-of-war. The land fighting in Corea has also been in favor of the Japanese, as they are reported to have advanced on Seoul, defeated the Coreans and occupied the Royal Palace.

USED A HATCHET ON A BOY.

Hockey-Pokey Peddler Donnan Assaulted a Young Tormentor. Jacob Donnan, sixty years old, an Italian hunchback, living at 303 Spring street, was indicted for striking a boy with a hatchet for assaulting a young man, ten years old, of 54 East Ninth street. Donnan peddles "hockey-pokey" ice cream from a handcart, on being arrested for selling it on the sidewalk, he grabbed the boy and struck him with the hatchet. The boy was taken to the hospital, and it is believed that he will recover. The chief was very desirous to be more careful in all matters affecting the safety of his service.

THREW A CHILD AT HIM.

Now Mrs. Frank Wants Alimony and Counsel Fees. In an action of Sarah Frank for a separation from Max Frank, a dealer in umbrellas, a motion was made before Judge Bonham, of the Court of Common Pleas, today, for counsel fee and alimony. They were married in January, 1893, and since that time have lived in different parts of the city. The child, a boy, was born in July last, and was named after his father. The child was thrown at the boy when he was only a few months old. The child was found in a gutter, and was taken to the hospital. The mother was charged with the crime of throwing the child at him. The child was found in a gutter, and was taken to the hospital. The mother was charged with the crime of throwing the child at him.
