

DRIVEN OUT BY

Nearly Fifty Persons Were in Peril in Elizabethport.

Hanover Hotel and Two Tenement-Houses Burned.

Inmates Compelled to Flee in Their Nightclothes.

Special to The Evening World. ELIZABETH, N. J., Sept. 23.—The Hanover Hotel, corner Trumbull and Second streets, Elizabethport, near the Singer Sewing-Machine Works, was destroyed by fire at 2:30 o'clock this morning. Two tenement dwelling-houses adjoining were also consumed. The Hanover Hotel was a large frame structure, three stories high, and cost about \$12,000. It was built and owned by Brewer Gottfried Krueger, of Newark. Albert H. King has managed the hotel for the past four years and owned most of the furnishings. There were twenty-seven guests in the hotel, all employees of the Singer Company. They were asleep when the fire started. All escaped safely, but fled from the burning building in their night clothing. For a time the scene was indescribable and the greatest excitement prevailed throughout the town. It being reported that dozens of persons were burned to death. The fire broke out in the bar-room, but its exact origin is not known. At the time mentioned, Mr. King, the son of Proprietor A. H. King, was awakened by finding his room full of smoke. He was asleep on the second floor of the building, directly over the bar room. With- out delay he fled to the street, and on his way he met and recognized him on the streets of Boston. Mr. King says he does not believe in spiritualism. They hurried to all of the rooms and succeeded in arousing twenty-seven persons, none of whom had time to dress or save any personal effects. The building was totally destroyed within a very short space of time. The fire then spread to the three-story frame building adjoining, owned by Rudolph Schultze. In this building were fifteen boarders, who were also aroused from their slumbers and compelled to hurry from their rooms without saving their clothing. A little of the furniture on one of the lower floors was saved. Next the fire spread to the three-story frame building. This house was also quickly consumed, and the inmates fled in a dozen in number, were compelled to hurriedly leave the building at the risk of their lives. Mr. King estimates his loss at \$5,000; the hotel was insured. The dwellings were owned by Gustave Schultze of Philadelphia, whose loss will be about \$7,000, covered by insurance.

300 LIVES IN PERIL.

Unknown Man Sets Fire to a Big Tenement.

The 300 Italians who live in the front and rear tenement-house at 21 Mulberry street had a bad scare at 3 o'clock this morning. A man who lives in the house, returned home at that hour and saw a stranger, seemingly about forty years of age, running out of the hallway.

called to the man and asked what he was doing there, but received no answer. Before he got to his room on the second floor he smelled smoke, and went downstairs to investigate. The lower hall in the rear was filled with smoke, so the tenant sent out an alarm. The flames were found to be burning in the rear cellar. A lot of boxes were piled up and were burning and the woodwork of one of the coal bins had been caught. The flames were extinguished before any damage was done. The people in the house were badly frightened and rushed into the street, dragging their household goods after them. The fire chief said that the fire had evidently been started by some tramp, and when the coal bin had commenced to burn he had run away.

CHICAGO FIREMAN KILLED.

Two Others Who Were Overcome by Smoke Will Recover.

(By Associated Press.) CHICAGO, Sept. 23.—One fireman dead and two others rendered unconscious by smoke was the result of a fire last night in a restaurant at 254 State street. James R. Russell, pipeman on engine company No. 19, who was suffocated by smoke, leaves a widow and several children. Those overcome were John Hannon, captain of engine company No. 13, and Joseph Terrell, pipeman on engine company No. 10. Both will recover.

(By Associated Press.) IOWA FALLS, Ia., Sept. 23.—The six hundred foot Illinois Central Railroad bridge across the Iowa River at this point burned this morning. The bridge was built in 1872 and is several feet high. It will interrupt traffic for a couple of weeks. The origin of the fire is thought to be incendiary.

Tyran Doubts the Spirit World.

(By Associated Press.) SAN FRANCISCO, Sept. 23.—Tyran, the capitalist, who after a disappearance for two years was found by Medium Slater, does not believe that the latter was aided by a spirit in finding him, as he claims. Tyran says he has never seen Slater and recognized him on the streets of Boston. Tyran says he does not believe in spiritualism.

You'll Miss It, if you try to get along without Pearlina. The work of washing will be harder, there'll be more of it, and it won't be as well done. You'll lose money in the time that's wasted, and the things that are worn out in the wretched rub, rub, rub, over the washboard. Easy washing with Pearlina doesn't cost any more than hard and ruinous washing without it. But it saves a good deal, all the way through. Send it Back. Peddlers and some unscrupulous grocers will tell you "this is as good as the same as Pearlina" or "it's false." Pearlina is never peddled. If you see some grocer sending you something in place of Pearlina, be honest and ask for 370 JAMES FYLE, N. Y.

SPORTING MISCELLANY.

The coming gladiatorial contest between Aus-tin Gibbons, of Paterson, N. J., and Joe Walcott, of Boston, Tom O'Rourke's light-weight champion, which is to form the star event of the initial entertainment at the Sea Beach Palace, Coney Island, promises to be decidedly interesting. Both have reputations of no mean order, and each is training faithfully. Despite Gibbons' nearly four inches advantage over Walcott in the matter of height, it will require something more than that to enable him to defeat O'Rourke's champion. Nothing but clean, gritty and effective work of the first order will prevail against the five feet one inch of colored humanity which made such short work of the former in a restaurant at 254 State street. Gibbons is a thorough breaker of scientific boxers who have had the advantage of him in height and reach. In agreeing to meet Walcott Gibbons certainly deserves the credit of being willing to prove his right to the position which he claims in the flat world.

Before Johnny Eckhardt, who officiated at the match, and who is now in New Orleans last Monday night, is expected in town this afternoon, together with a majority of the sports who left here in company with the famous referee last Friday for the Olympic carnival. Mr. Eckhardt is reported to have made several very important matches which in the Southern and Atlantic Athletic Club of Coney Island. The talent he is said to have engaged are men of high-class athletic ability.

Sankoff, for the Orange Oval, East Orange, N. J., Charles Kilpatrick, for the quarter and half mile runs, George Gray, for the 100 and 200 yard dashes, J. S. Mitchell and George R. Gray, for the hammer-throwing and shot events; Charles C. Chase, for the hurdlle and high jumps, and L. P. Sheldon, for the broad and high jumps. It is said that the men will try for new records.

J. J. Mooney, the champion broad jumper of the world, who recently broke the record in England, will represent the Xavier Athletic Club in the Canadian championships.

The members of the Cathedral Athletic Club are going to organize a football team. They are training every night in the club gymnasium, and judging from the interest they are taking in football, the team will probably be a very strong one.

Secretary John Darnley, of the St. George Athletic Club, has forwarded to the Secretary of the Williamsburg Athletic Association, the names of A. E. Lindner and George Storer, who will represent the St. George Athletic Club in the boxing tournament at the Palace rink in Brooklyn to-morrow and Monday nights. Lindner will enter the 120-pound class, and Storer the 135-pound class.

The Morocco Athletic Club, which was recently organized, has secured rooms at 513 West Forty-third street. The club, which is composed of young men has a number of good boxers, who will be entered in the different tournaments at the Winter.

A large crowd witnessed the first boxing tournament given by the Schuylkill Navy Athletic Club in its handsome gymnasium in Philadelphia last night. The result of the bouts were: In the 105-pound class Hughie Boyle, of Elizabeth, N. J., defeated Frank Burke of Philadelphia, in six rounds. In the 118-pound class Jack Hamilton, of Elizabeth,

N. J., fought a six-round draw with Billy Bachmann, of Philadelphia. Joe Leonard, of Philadelphia, knocked out Frank Moore, of this city, in four rounds. The men weighed 125 pounds. The last bout of the evening was between Andy Black, of Philadelphia, and Jim Foley, of this city, at 125 pounds. Nearly every person present was of the opinion that Black would win easily, but to their surprise Foley in the fourth round knocked Black out with a right-hand blow to the jaw.

The Clifton A. C. of Harlem will hold a set of members' games at Sulzer's Harlem River Park, Sunday morning, beginning promptly at 10 o'clock. A members' stag will be held to-morrow night. The fight between Bobby Dobbs and John E. Butler did not take place at Lynn last night, the City Marshal having refused to permit the bout. Dobbs was arrested on a warrant sworn out by J. H. Benton, his former manager, for breach of contract, but was released on bail furnished by Chris Johnson, of Boston.

The Harrisburg Shooting Association opened its annual Fall tournament yesterday with a most successful day. Capt. Jack Brewer, of New York, and A. C. Klinger, of Wrightsville, the former in a score of 23 to 28 out of a possible 30.

Dave Horn, of Baltimore, knocked out Frank Demond, of Philadelphia, at Baltimore last night in seven rounds. The fight was for a small prize.

The football season will be opened by the Orange Athletic Club, champions of the American Football Union, to-morrow afternoon at the Orange Oval, East Orange, when a game with the strong Stevens Institute eleven will be played. These teams have opened the season annually for a number of years and an excellent game has always resulted. The Orange Athletic Club will do some experimenting, in order to select the best material for the first team. Last season Orange had difficulty in winning from Stevens, and it is expected that this year, the game should be an interesting one. Play will be called promptly at 2:30 o'clock.

BASEBALL CHAT.

The denials of connection with the alleged "National Association" continue to pour in, even after the ripple which the score created has subsided. The latest addition is that of Capt. Comiskey of Cincinnati. Comiskey says the National League is good enough for him, and that he does not see where there is room for a new league. He has nothing to do with the movement, and is sure it would fail. Whom does this denial leave for the new association? It can't be Kelly, for he is signed in the Eastern League.

Capt. Hanlon, of Baltimore, has wired Capt. Ward that the Orioles will be busy being received by the citizens of the Temple Cup series before Thursday. Ward wanted to begin on Tuesday, but will waive his objection to any interference with the reception of the pennant winners.

It was Dad Clark who only gave Cincinnati four hits in yesterday's game.

The theatrical baseball cranks will probably demonstrate their enthusiasm next week by inviting the Giants to occupy select seats free.

Brooklyn will not play until to-morrow, and will end the season with two games in Louisville on Sunday. The standing of the clubs in the League this morning was: W. L. P. C. Club, Baltimore, .88 25; Pittsburg, .84 24; New York, .82 23; Chicago, .81 22; Boston, .82 21; St. Louis, .78 20; Philadelphia, .77 19; Washington, .75 18; Brooklyn, .68 17; Cleveland, .64 16.

CLASS A MEN IN DANGER. Chairman Raymond Gives Them Ten Days to Explain Matters. Chairman Howard E. Raymond, of the Racing Board of the League of American Wheelmen, has caused consternation in the ranks of Class A amateurs this week, by writing to a large number and giving them ten days in which to show cause why they should not be forced in Class B. It is well known that many riders of Class A have repeatedly violated Class A rules, notwithstanding that they have been warned by Chairman Raymond. There have been only four suspensions this week, which are as follows: William M. Randall, of Le Roy, N. Y., has been suspended from all track-racing from Sept. 20, for sixty days. The charge against him is falsifying entry blanks. George Hitecock, of Cortland, N. Y.; C. R. Allen and J. F. Bulger, of South Otselic, N. Y., are all suspended from racing at unannounced meets. The limit of their suspensions is two weeks from Sept. 14.
