

MRS. BAYNE'S OWN STORY OF HER 4,500 MILE BIKE RIDE.

Woman Cyclist Completes 4,500 Miles After Thirty Days Wheeling, and Then Dances at Festival Arranged in Her Honor.

At 10 o'clock last night, was completed one of the most wonderful feats of endurance of which the human frame is capable.

Amid the cheers of almost two hundred spectators and the bursting of fireworks Mrs. Emma R. Bayne, of New York City, dismounted from her wheel in front of West's Hotel, Valley Stream.

MRS. BAYNE AS SHE LOOKED AT THE FINISH.

At midnight of July 5 she set out for a thirty-day continuous ride, the world's century record for that time being her objective point.

HOW I RODE 4,500 MILES TO IMPROVE MY HEALTH. BY MRS. EMMA R. BAYNE.

Well, I'm glad the ride is over. It seems an age since I have had a good night's sleep, and I've almost forgotten what my home in the city looks like.

In some respects the ride has proven easier than I expected. I haven't had as much rainy weather as I anticipated, nor as many hot days.

AN HOUR THROUGH MUD. Two weeks ago I thought all my work would count for naught. Just five minutes intervened between success and failure.

Without Sleep for Days. After this I can sympathize with those who suffer from insomnia. I have had my share of going without sleep.

RISKED LIFE FOR GOLD. In her eagerness to save \$2,500, the savings of Mrs. William Rocko, carrying a six-month-old child in her arms, plunged into a blazing building early this morning.

Woman with Baby Ran Into Burning House—Other Fires. Fire was discovered in the Chinese laundry on the ground floor of the three-story frame building at 81 Sands street, Brooklyn at 4 A. M.

Fire in the basement of the five-story tenement at 36 East Ninety-seventh street at 4 o'clock this morning created a panic among the twenty Italian families inhabiting it.

WINNERS AT SARATOGA.

Hot Enough to Boil the Springs and Make Records.

(Special to The Evening World.) RACE TRACK, SARATOGA, Aug. 8.—Saratoga is red hot. The heat is boiling the springs and filling the air with humidity that makes a man feel that a Russian bath would be a cold winter for him in comparison.

The delegation which came from the cool breezes at Brighton Beach is longing for just one plunge into the surf. These longings only make the heat more intense, however.

There were no stake features to-day, but the card was attractive enough to draw out a large crowd.

WINNERS AT BRIGHTON.

Empire Track Dates May Be Split, It Is Said.

(Special to The Evening World.) BRIGHTON BEACH RACE TRACK, Aug. 8.—The meeting at Brighton Beach ended to-day. It was very successful in most respects and particularly in point of attendance and weather.

The most interesting race during the meeting was the Brighton Cup, and everybody was heard to remark that if more distance races were run the crowd would be larger.

The card to-day was fairly attractive and the attendance a big improvement over the two previous days.

It was rumored here that there will be no meeting here in the Autumn at the Empire Track, and that its dates would be divided equally between the Brooklyn and the Queens County Jockey Clubs.

J. R. Keene reads the list of winning owners at the track, his total being nearly \$15,000.

As for the little woman who had been riding day in and day out, through sun and rain, in her determination to break the record, she bore all the honors showered upon her with becoming modesty.

Her appearance belied the reports that she was upon the verge of physical collapse. She was not a pale, thin, and emaciated creature, as is often the case with those who have ridden long distances.

THE AGONY OF THAT RIDE. It will be many years before I will forget the agony of that ride. Following pace was out of the question; I would have been blinded with mud in a quarter of a mile, despite the goggles I wore.
