

BIG BENEFITS FOR THE SICK BABIES.

Fred Erbe, of the North Beach Casino, Is Preparing an Entertainment for the Evening World Fund.

In Fred Erbe, the big-hearted proprietor of the North Beach Casino, the sick babies have a loyal friend. He is arranging an important benefit for the Evening World Sick Babies' Fund, to be held at his Casino on July 18.

Annually, for six years, Mr. Erbe has given a benefit for the fund, each surpassing its predecessors in excellent and in financial returns. The sale of seats has aggregated over \$500.

This year's benefit promises to eclipse all the rest. Mr. Erbe, aided by Stare Manager Kelly, formerly of the team of Kelly and Barney, has engaged the very best talent procurable. Among the volunteers thus far are Emil Choss, of Brooklyn, monologist and singer; Pearl Weil, of Brooklyn, the coon shouter; Henriette Heckman, of Elmhurst, the child artist; Viola Brown, the change artist; Harry Thomson, the King of the Bowery, monologist, and Charles B. Ward, the tenor, who will sing, by request, "Fare Thee Well, Mollie, Darling."

On July 25 a big Chinese entertainment for the benefit of the sick babies will be given at Blank's dancing pavilion, Bowers, Coney Island, under the direction of Marty Martin. There will be Chinese music and dancing, a Chinese chorus and a Chinese play, entitled "The Smuggled Girl."

Contributions for The Evening World Sick Babies' Fund should be addressed to the Cashier of The World, Pulitzer Building, New York City.

ACTOR RATCLIFFE ODDLY MISSING.

His "Gilded Fool" Company, Which Was to Open at Providence To-Day, Disbanded—Star Off for Australia?

Owing to the non-appearance of Actor E. J. Ratcliffe, his manager, A. A. Charlebois, has disbanded the "Gilded Fool" company, which was announced to begin an engagement this evening at Providence, R. I.

Manager Charlebois declares he has received word that Ratcliffe went to Boston, where he took passage on a Leeward liner for Australia.

After Ratcliffe was released from Blackwell's island, some time ago, where he served a sentence for beating his wife, the daughter of Peter De Lacey, James R. S. Lake befriended him and took him to his home at Great Neck, L. I. Mr. Lake had become a member of the Lake household and his host disappeared.

Mrs. Lake, according to the story, discharged one of the servants and Mr. Lake was subsequently withdrawn. The latter had been intended to come to New York and board at the Everett House, going later to an apartment at No. 11 West 14th street.

A fortnight ago she gave up her lease and said she was going to Boston to visit relatives, and it was reported that Mrs. Lake's lawyer, Percy S. Dudley, of No. 25 Liberty street, said to-day that Mr. Lake had recently obtained a divorce from her husband with alimony and that he knew it was her intention to take a European trip. He did not know, however, whether or not she had sailed for Europe from Boston Saturday as reported.

SIX YEAR-OLD THIEF WAS LED THE POLICE.

Little Michael Lablar Did the Work Which Detectives Believed Could Only Be Performed by a Professional.

The police have sought assiduously for days the bold burglar who rifled the trunks of the tenants of the house No. 25 Vest avenue, Brooklyn. It was the work of professionals, the police said sagely.

Last night six-year-old Michael Lablar staggered across Manhattan Crossing, East New York, burdened with parcels big and little. He displayed a lot of jewelry for sale. He was taken into custody.

To-day he was discharged by Magistrate Furlong in the Gates Avenue Court.

"Go young to send to prison. What that lad needs is a thrashing," commented the Magistrate.

Detectives have been looking for the clever professional thief.

CANCEROUS ULCERS

Are in many respects like other ulcers or sores, and this resemblance often proves fatal. Valuable time is lost in fruitless efforts to heal the sore with washes and salves, because the germs of Cancer that are multiplying in the blood and the new Cancer cells which are constantly developing keep up the irritation and discharge, and at last sharp shooting pains announce the approach of the eating and sloughing stage, and a hideous, sickening cancerous sore begins its destructive work.

No ulcer or sore can exist without some predisposing inter-upting cause that has poisoned the blood, and the open discharging ulcer, or the festering sore on the lip, cheek or other part of the body will continue to spread and eat deeper into the flesh unless the blood is purified and the Cancer germs or morbid matter eliminated from the circulation.

S. S. S. cleanses the blood of all decaying effete matter. It has great antiodal and purifying properties that soon destroy the germs and poisons and restore the blood to its natural condition. And when pure blood is carried to the ulcer or sore the healing process begins, the discharge ceases and the place heals over and new skin forms. S. S. S. is a strictly vegetable blood purifier containing no mercury or minerals of any description.

If you have an ulcer or chronic sore of any kind, write us about it, medical advice will cost you nothing. Books on Cancer and other diseases of the blood will be sent free.
