JOHNSON TALKS ON PULLIAM'S ACTION.

(Special to The Evening World.) CHICAGO, June 30.—A war between the big leagues is imminent, and it all promises to grow out of the Giants' playing Davis at shortstop.

JOHNSON TALKS ON PULLIAM'S ACTION. (Continued) President Ban Johnson of the American League will not talk directly on the Davis matter, but he hits at President Pulliam of the Nationals in making public his letter on the Davis trouble.

"I don't care for what Pulliam said, but if he had to say it it seems to me that he should have had enough consideration for me to have sent me a copy of the letter before making it public. Now, when I have prepared my reply it will be promptly given to the public."

W. R. Condon's first appearance in the colors of his new owner, H. P. Meyer, was not impressive. He doesn't seem to like the grass, judging by his performance in the last race.

Jockey Jack Martin was not at the track yesterday, and the chances are it will be several days before he again is seen with the colors up. In addition to an attack of malaria Martin is suffering from some strained ligaments in the leg that was injured when he fell with Henry Hart at Morris Park, and this phase of his forced retirement may be more serious than is now hoped.

Baseball, Polo Ground, To-day, 4 P. M. St. Louis vs. New York. Adm. 50c.
