FIRE TRUCK MOWS DOWN 20 PERSONS; 2 MAY DIE

The Big Apparatus Was Swung Sharply Around the Corner at Thirty-ninth Street and Ninth Avenue and Its Ladders Swept a Waiting Crowd Off Their Feet.

Nine of Those Who Were Most Seriously Hurt Were Taken to the Roosevelt and New York Hospitals—Driver and Tillerman Placed Under Arrest.

Five persons were injured and more than a score hurt by Hook and Ladder No. 7 at Thirty-ninth street and Ninth avenue today while the truck was on its way to a fire at No. 518 West Thirty-ninth street. Three of the injured, who are at Roosevelt Hospital, may die.

The accident was caused by the tillerman of the truck, William Duffy, losing control of its steering gear. The truck came from the engine-house at Forty-eighth street and Eighth avenue and turned west at Thirty-ninth street.

Standing in front of A. S. Kraemer's pharmacy at No. 542 Ninth avenue, which is at the corner of Thirty-ninth street, was a crowd of men and boys who had gathered in the street to watch the arrival of the fire apparatus. The truck was approaching at top speed when the tillerman swung the bulky apparatus out of the way of a huckster's wagon. In doing so, he headed it directly for one of the Ninth avenue "L" pillars and the driver had to swing his horses sharply to one side.

Swung Down the Crowd.

This whirled the rear of the truck and it swung like a ball, resounding down the gutter crowd at the curb.

A score of men and boys were thrown violently against the walls of the drug store, and some of them were actually hurled through the show windows. Those whom the wheels struck were rushed to the ground and scraped along the street until the forward motion of the truck threw them out of its path. Fortunately none was caught beneath the wheels of the heavy vehicle or their death would have been instantaneous.

After the truck passed along the sidewalk in front of Kraemer's pharmacy looked like a shambles. Not one of the two dozen persons who had been standing in the street a moment before was on his feet. The ground was strewn with bleeding men and boys.

Ambulances Quickly Summoned.

Roundman David Sheehan, who witnessed the accident, summoned ambulances from Roosevelt and New York hospitals and then assisted in carrying the wounded into the drug store.

Roundman Sheehan, who witnessed the accident, said that he could account for it only on the supposition that the rear wheels of the truck had struck an obstruction in the street. "The truck was heading west on Thirty-ninth street at top speed," he said, "when the tiller man swung it out into the center of the road to avoid colliding with a wagon."

"Then the driver saw he was headed directly for an 'L' pillar, which is in the middle of the roadway, and he swung his horses sharply to one side. This was just as he reached the corner, and the crowd and the tiller man were in the hands of Duffy's hands and the rear wheels of the truck struck the 'L' pillar, and the truck was hurled into the air and fell on its side. The tiller man was killed and the driver was injured. The crowd was scattered and many were injured. The truck was damaged and the fire department arrived to remove the wreckage. The accident was a tragedy and a warning to all drivers to be careful in crowded streets.

FAST PLAYING FOR DAVIS CUP

Both Dohertys Win a Set. One from W. A. Larned and One from R. D. Wrenn in International Tennis Match.

BOSTON, Mass., Aug. 8.—The closing matches of the international tennis tournament today were not favored with weather so good as that in which the doubles took place yesterday, but a crowd numbering several thousand witnessed the games. The sky was overcast and an east wind prevailed.

With the score standing two points to one in favor of the British team, making it necessary for the Americans to take both matches today in order to win the Davis Cup, interest was at a high pitch as the spectators assembled. W. A. Larned, the American champion and the player who won the deciding point for the American team from R. F. Doherty in the international tournament at Newport last year, was scheduled to meet H. L. Doherty, the British champion, and R. D. Wrenn was to meet R. F. Doherty. Larned was the favorite in his match, but there was some doubt felt as to whether Wrenn would be able to beat the older of the Dohertys, whose play yesterday showed him to be a deadly opponent.

Doherty won the first set from Larned, 6 to 3; points, 29 to 23.

R. F. Doherty won the first set from Wrenn, 6-4.

Larned won the second set from H. L. Doherty, 8-6. Wrenn won the second set from R. F. Doherty, 6-3.

In the third set R. F. Doherty beat Wrenn 6-3. H. L. Doherty beat Larned 6-2 to win the Davis Cup.

SCHMIDT-DOGGERS' TWIRLER

The Men from Across the Bridge Make a Bold Bid to Even Matters by Winning Event No. 2 of Double Header.

BATTING ORDER.

New York	Brooklyn
Browne	Sheckard
Brennan	Dobbs
McGinnity	Dobbs
Mertes	Dobbs
Hubb	Dobbs
Dunn	Dobbs
Warner	Dobbs
McGinnity	Dobbs

POLO GROUNDS, N. Y., Aug. 8.—The Giants completed the first of a double header this afternoon before a crowd estimated at 30,000. The enthusiasm was something quite remarkable, the great arena being one continuous thrum from start to finish.

McGinnity was the hero, holding Hamilton's men down to nine hits, all of which were scattered excepting three in the first inning, when one run was garnered on singles by Sheckard, Doyle and Dahlen. After that McGinnity had everything his own way, being supported by the sharpest sort of holding and timely hitting.

New York won the game in the first inning. Brown leading a punt and reaching third on a base hit and Doyle's error. Mertes then walked and Dahlen followed with two on bases. Dunn slashed to left, while Gilbert and Warner both singled, making a total of four runs.

McGinnity did not give one pass, had perfect control and figured largely in the batting with two strikeouts. The second game started with people still pouring in, although there was hardly standing room. Although "Daddy" pitched yesterday McGraw warmed him up again, while Hanlon had Schmidt exercising.

First Inning.

When time was called McGraw sprung an absolute surprise on the multitude by again putting McGinnity in the box, and this time he received a terrific ovation. After strag walked, Sheckard fled to "free" and Browne made a handsome catch off Dobbs. Doyle smashed the ball, but only for a hoist to "Babe" Norman.

"California" Schmidt and Jackitich, an awful combination, looked stronger than the first day, both on them being quite elastic. Browne led off to first, Brennan was hit and walked, McGinnity fled to left, while Gilbert and Warner both singled, making a total of four runs.

Second Inning.

Everybody waited for McGinnity to weaken, but after three bats to Dahlen he held him down to a slow one that Dunn caught. Hanlon pitched good with a punt, Babb travelled under Flood's pop up, Warner nailed McCreery on the head. No runs.

Babb connected with a rap to Dahlen and died hard. Dunn reached first, being hit by Gilbert for a base hit, while Flood, Gilbert stole on a passed ball, Warner fled, Flood to Doyle. No runs.

Third Inning.

Jackitich fanned like a breeze. McGinnity now seemed a real hero. He struck out Schmidt, stragg out the same thing. The run came as one and yelled itself hoarse.

McGinnity made his first hit. Brown sacrificed. Doyle made a circus catch of Brennan's ball, left the base on a second, where Flood snuffed. McGinnity made third. While Schmidt was at the plate arguing with Hurst, Stragg tossed the ball to the rubber and McGinnity rushed home amidst a terrific chorus of yells and hisses. Hurst put out Babb on a fly, while Norman, Dahlen and Jones again went in the box. Dahlen made a wonderful stop from McGinnity. One run.

Fourth Inning.

Sheckard bunted safely. Dobbs fanned. Gilbert handled Doyle. McGinnity gave his first base hit, while Flood stole second, where Flood snuffed. McGinnity scored Sheckard. Flood stung McGinnity and scored. Dahlen, Gilbert caught; Jackitich, two runs.

Mertes singled. Babb fled to right, Jordan replaced Stragg at first and after three hits to Mertes stole third, Jordan muffing "Sheck" backed up and caught Mertes at the plate. No runs.

HOW GIANTS WON THE FIRST GAME.

(Special to The Evening World.)
WIDEWATER, Va., Aug. 8.—As seen from the shore the model of the Langley airship, with which a test was made today, was sent to the water, where it fell to the water, where it was picked up by a tug.

The model is fifteen feet long, 12 feet wide and 10 feet high. It was sent to the water with a velocity of seventy feet per second, and flew for a distance of 1,000 yards, estimated at from four to six hundred yards.

Some deflection in the wings soon after the launching caused her to take a downward course, which she followed rapidly and was impelled into the water under the full power of her engine. Sufficient steam was generated for a rapid flight of a half of three-quarters of a mile. During the full pressure of this force the machine struck the water and a moment more and disappeared from view. When recovered it was found to be considerably damaged.

LANGLEY AIRSHIP MEETS WITH MISHAP

FORECLOSE LIEN FOR \$16,000,000.

(Special to The Evening World.)
WILMINGTON, Del., Aug. 8.—In the United States Court today Thomas F. Byrard, on behalf of the Mercantile Trust Company, of New York, asked permission to file a bill for the foreclosure of the \$16,000,000 mortgage of the Shipbuilding Trust on the plant of the Harlan & Hollingsworth Company.

Judge Bradford granted a rule returnable on August 11 to show cause why the mortgage should not be foreclosed. The reasons assigned in the complaint are that the officers of the local company neglected to pay the interest according to agreement, and did not contribute to the sinking fund.

Every effort will be made to secure conveyance terms. All contract work at the yard is complete.
