

\$50,000 SUBWAY OPENING UNLIKELY

Celebration Appropriation Practically Knocked Out at Meeting of Board of Estimate—Small Sum if Any.

GROUT DECLARES THAT \$50,000 WILL BE PLENTY.

Comptroller Also Puts Himself on Record in Opposing \$11,000,000 for New Parks—Chief Engineer Lewis Reports

At a meeting of the Board of Estimate and Apportionment to-day the projected \$50,000 celebration of the formal opening of the new subway was practically given a knockout blow.

When on the motion of President Furness the Board took up the request of the Aldermen for \$50,000 to be used in celebrating the opening of the subway, the Mayor and Comptroller lost no time in letting Mr. Furness and Aldermen Richter and Donnell understand that \$50,000 is needed there will be no celebration at the city's expense.

"I can't see where we are justified in spending \$50,000," Mr. Grout declared. "Every dollar the city has is needed for some absolute necessity."

"I move that an appropriation of \$500 be made," he continued. "I would sooner have the opening ignored by the city," Mr. Furness interposed, "than try to do anything with so small an amount as \$500."

"Very simple expenditures would be all that are necessary," Mr. Grout replied.

"But \$500 is too little," Mr. Furness began, only to be interrupted by the Mayor, who said in a loud whisper: "Better take it; it's all you'll get."

Mr. Ahearn moved that \$25,000 be allowed. The motion was lost. Then Messrs. Ahearn, Haffen and Cassidy voted "aye" on a motion to allow the \$50,000 asked for. That, too, was lost.

Seeing the impossibility of any favorable action Mr. Furness secured the passage of a resolution asking the Aldermanic committee for a detailed estimate of the cost of a celebration without fireworks, lighting or free lunch.

As most of the Aldermen are going to the St. Louis Fair the board has no chance there will be none but the very simplest recognition by the city of the subway's opening.

Mr. Grout took occasion to announce his attitude on the proposition to spend \$50,000 or more for new parks, which is to be discussed next Monday.

"I do not believe in frittering away the city's money," he said. "Our borrowing capacity for improvements is about \$10,000,000 and that will not be much more than sufficient to meet the demands for more water and increased sewers."

The board heard a long report from Chief Engineer Nelson P. Lewis on the probable cost of the proposed parks now under consideration by the board. He summed the park projects included in his report were one at Twenty-seventh and Twenty-eighth streets, Ninth and Tenth avenues, Manhattan, estimated cost \$2,000,000; Bessborough Park extension, estimated cost \$2,000,000; Owl's Nest, estimated cost \$2,000,000; Rockaway Beach Park, 60 acres, estimated cost \$2,000,000.

The report was ordered on file. The board will probably consider the various plans next month. The bond budget has been discussed.

FIVE FELL FROM BRIDGE.

One Man Killed and Four Hurt in Crash of Scowling.

MALONE, N. Y., Sept. 20.—One man was killed and four seriously injured near Mountain View, on the Mohawk and Malone Railroad, when a scowling on a railway bridge gave way, hurling the men many feet into a gully and burying them in the debris. It is also reported that another workman was buried in the quicksand, and that his body has not yet been recovered.

Demos Kay, thirty-five years old, was the man killed, and those injured were John Willis, Herkimer, jaw fracture; John Smith, Montreal, leg injured; Post Freezing, Herkimer, and a Pole whose name is not known.

DEAD WITH HEAD GASHED.

But Police Sank Man Found in River Was Struck by Vesicle.

The body of a middle-aged man was found in the river at the foot of Grand street, Jersey City, to-day. There was a gash in the head that gave rise to a suspicion of foul play, but the police are inclined to think that it was made by the propeller of a vessel.

The man wore a black vest and striped trousers. There was a silver watch in his vest pocket. The body was taken to the morgue.

the Blyn Shoe

The Shoe that fits is the shoe to buy —if leather and work are right. Here you need only look to the fit. The Blyn name guarantees every bit of leather, every stitch, every stroke of work.

More than that, it guarantees the value. As manufacturing retailers we practise every wise economy in the making and selling of our shoes. Better value, more lasting satisfaction are simply impossible.

Men's, Women's, Children's—a trial proves everything. SHOES IN EVERY GRADE.

J. Blyn & Sons GUARANTEE THE FIT

NO SPEECHES BY MR. CLEVELAND

It is Authoritatively Announced that the Ex-President Will Support Judge Parker but Will Not Go on Stump.

At Democratic headquarters to-day the announcement was made that Ex-President Cleveland would not speak during the campaign. George F. Parker, of the Literary Department of the National Committee, said:

"Every report which represents Mr. Cleveland as about to go upon the stump is absolutely without authority either from himself or from the Democratic National Committee. These reports naturally have the effect of misleading the public and also are annoying to Mr. Cleveland. He had announced at all time that he would do all in his power to promote Democratic success, but that he ought not to be expected to make speeches.

"His position will be still further defined in many proper and efficient ways of communication before the close of the campaign. He has no purpose of shirking any such discussion of the issues of his health will permit, and which will also be consistent with his relation to the party and to the public by reason of his position as an ex-President. But it cannot be announced too emphatically or with too much authority that he will not make speeches at any time or in any place."

ROBBERS RIFLED AMERICAN MAIL

Postal Car Looted Between Paris and Havre and Ninety Sacks of Letters Destined for United States Overhauled.

PARIS, Sept. 20.—A bold robbery was committed on a mail car between Paris and Havre containing a quantity of American mail. The train, which left here at midnight, had two mail cars. The first was an ordinary one, in which the distribution was going on.

The second car was entirely given up to mail for the United States. There were about one hundred packages on this car, which was sealed and heavily locked.

On arriving at Rouen early to-day it was found that the American mail car had been broken open and that the packages were in great disorder. Ninety-one bags had been rifled and their contents rifled of such valuables as they may have contained. There is no record of their contents or of the valuable articles abstracted.

The robbery was reported to the postal headquarters here and a number of inspectors were detailed to investigate it. Thus far they have found no clue to the robbers. It is the theory of the postal officials that the robbers were familiar with trans-Atlantic mails, and got on the mail car shortly after its departure from Paris, entered the car while here, or else, owing to the possible complicity of postal or railway subordinates.

As no steamer sailed from Havre to-day the foregoing is only a small part of the regular United States mail, which will be forwarded to-night to catch the steamers leaving to-morrow.

35 HORSES WILL HAUL METEORITE

It Was Brought from Greenland by Lieut. Peary and Will Be Taken to the Museum of Natural History.

It will take the combined efforts of thirty-five horses to haul a huge meteorite from the pier at the foot of West Fifth street to the Museum of Natural History on Seventy-seventh street and Central Park West. It weighs nearly twenty tons and is 6 feet high, 10 feet long and 5 feet in diameter.

This is the meteorite that Lieut. R. E. Peary, the arctic explorer, brought to the United States from Greenland, and is said to be the largest in existence. It is to be placed on a pedestal just inside the main entrance of the Museum of Natural History. To-morrow it will be taken to the pier at Fifth street and the North River and by means of a derrick will be placed on a special truck capable of carrying one hundred tons.

CONFIDE IN A WOMAN

When it is evident that women need competent advice about their health, is it not well for them to know how to secure it? Tell your story without reservation to Mrs. Pinkham; she never breaks confidence, and her advice is the best in the world. Miss Mecum's two letters show how helpful it is.

[PUBLISHED BY SPECIAL PERMISSION.]

First letter. DEAR MRS. PINKHAM: I have read so much about your great kindness to suffering women that I thought I would write and tell you of my troubles. In the first place, I have a blood disease which the doctors call dry eczema. I have taken a great deal of medicine but received no permanent benefit, so thought I would try your medicine. Menses are irregular, and I am troubled with leucorrhoea. Bowels are constipated; sometimes have sharp pains; cannot sleep at night; have such shaking spells I cannot be still. Suffer with pain in lower part of back, in my side under left breast, and through my chest; also troubled with shortness of breath and dizziness. Please give me your advice. MISS MARY MECUM, LIMA, IND.

Second letter. DEAR MRS. PINKHAM: When I wrote to you some time ago I was feeling very miserable. I followed the advice you gave me, and must say that I think your remedies are the greatest remedies on earth. I took both Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and they have done me more good than anything I ever took. I cannot express my thankfulness to you, and I shall always recommend your medicine to others. MISS MARY MECUM, LIMA, IND.

Mrs. Pinkham's address is Lynn, Mass. She advises women free. Miss Della M. Hittle has given permission to print her two letters, showing how easy it is to get the right help.

First letter. DEAR MRS. PINKHAM: I have noticed your advertisement and feel that your medicine will do me some good. I have been suffering several months with womb trouble. The womb swells and it feels as if something was gathering on each side. Some days I can hardly be on my feet at all. It makes me very nervous, and I also have a discharge of leucorrhoea. I am getting tired of suffering so much and want to try your medicine. Please advise me and answer as soon as possible. MISS DELLA M. HITTLE, MILTON, IND.

Second letter. DEAR MRS. PINKHAM: Words cannot express my gratitude for the good I have derived from the use of your remedies. I suffered with congestion of the ovaries and inflammation of the womb. I was completely run down and my condition was very serious. After reading of the good your medicine had done for others I concluded to write to you for advice. Upon receiving your reply I took a course of your medicine and am now well. The Lydia E. Pinkham Vegetable Compound also cured me of the awful headaches I was subject to. I shall never be without your medicine. I cheerfully recommend it to all and firmly believe it capable of curing any female sickness. MISS DELLA M. HITTLE, MILTON, IND.

When you go to your druggist for Mrs. Pinkham's remedies do not let him persuade you to try something "just as good." He is merely trying to make a larger profit. The medicine that surely cures women is LYDIA E. PINKHAM'S VEGETABLE COMPOUND.
