

AMERICAN BOWLER HAS A FRENCH TITLE NOW

Billy Thompson, of Chicago, Won It by Defeating La Belle, Noted Canadian.

Billy Thompson, of Chicago, champion bowler of the West, has added another title to his credit. Thompson defeated La Belle, the Canadian champion, in a match contest held in Montreal on the famous Garriopy alleys. La Belle is considered one of the greatest bowlers in the world, and the victory by Thompson over him places the American at the top of the world's greatest bowlers.

The games were very interesting, although some of the spectators were disappointed. La Belle not making as many strikes as was expected. Thompson, on the other hand, rolled a magnificent game, missing few strikes, and did not miss a spare. He averaged 204, winning all games.

The crowd was the largest that has ever witnessed a bowling contest in that city, notwithstanding the fact that the games were delayed three hours on account of a meeting of the Montreal A. A. Thompson was given a good reception, and the applause must have sounded strange to him, for there was very few English-speaking people present. After the games, when Thompson had been returned the winner, he was tendered a reception.

ROAD DRIVERS OUT IN FORCE. MISS BISHOP WINS THE GOLF TITLE. Large Crowd on the Speedway. Watch the Second Fall Meeting of the Association of Horsemen—Many Brushes.

Perfect weather conditions and an excellent programme attracted quite a crowd to the Speedway to-day. The event being the second fall meeting of the Road-Drivers' Association. All of the racing was done on the lower stretch, the finishing point being in front of the clubhouse. The programme was made up of nine events, five for trotters and four for pacers. All races were half-mile heats, best two in three. The first heat of the first event had only three starters. They were Ben Leitchberg's Billy Palmer, W. J. Minor's Nellie and C. W. Purdy's Judge. This was an easy victory for Billy Palmer. The second heat of the first race also resulted in an easy victory for Billy Palmer.

Only two horses started in the first heat of the second race. John W. Smith with James L. and George H. Huber with Rhythmic, Jr., were the only contenders. The first heat of this race was won by James L., the second heat went to Rhythmic, Jr. This made it a heat apiece. The final and deciding race was won by Good Advice's Rhythmic, Jr. The third race, for pacers, was won after some excellent racing by several star performers. C. S. Rice's Amy Wilkes won. J. Hopper's Beasie Reid was second. Dr. H. D. Gill's Darling finished third and A. R. Meyer's Peter H. finished last.

While there was in progress there was a runaway which would have resulted seriously had it not been for the prompt action of the crowd. Frank Lewis, D. H. Herington was driving his fast pacer down the road when the horse shied at a passing train. The pacer took the bit in his teeth and raced down the road with the officer after him. He caught him before any damage was done. The crowd which witnessed the runaway loudly cheered the officer for his gallant rescue.

The two 1. L. races were won by Good Advice, driven by James A. Murphy, and Don Riley, with Elmer Stevens at the reins. These were the only two starters in the fifth race for pacers. The special object of the midshipmen is to hold Princeton down to as small a score as the West Point team will allow, against whom the soldiers will line up to-day. This will be considered unenviable to a victory.

The midshipmen exceeded expectations this afternoon by scoring on Princeton in the first half, making a touchdown and goal to the Tigers goal on the field and touchdown, making the score for the half 5 to 0.

The Navy scored its touchdown after Tucker had lifted a goal from the field for the visitors. Howard punted, and Burke was jostled by Farley and Whiting so that he lost the ball.
