ELIHU ROOT COUNSEL FOR TOBACCO MEN

Engaged by Trust in Federal Inquiry Into Its Methods.

INVESTIGATION SECRET. Edwin F. Hale, Secretary of McAndrews & Forbes Co., Refuses to Testify.

CONTEMPT PROCEEDINGS. Everybody Doing Business with the Great Corporation Will Be Examined by Grand Jury.

Elihu Root has been engaged as counsel for the Tobacco Trust in the investigation which is now going on in this city before the Federal Grand Jury.

It was learned today that the investigation of the Tobacco Trust has been going on for months. It has first proceeded in different cities. The first grand jury to take up the matter was that in Louisville.

It is understood that the general business of the trust, its organization and its exact relations to its subsidiary companies was taken up before Federal Grand Jurors in other cities, and that the only matter being considered here is the retail business of the trust, operated under the corporate title of the United Cigar Stores Company.

Alleged Illegal Methods. It is claimed that this company has throttled competition, driving hundreds of small dealers out of business by illegal methods.

Witness Refuses to Testify. Mr. Hale's refusal to answer questions put to him by the grand jury of the Grand Jury will be passed upon by Judge Lacombe and contempt of court proceedings begun on Monday.
