WILD WITH ITCHING HUMOR

Eruption Broke Out in Spots All Over Body—Caused a Continual Itching for Two Years—Doctor's Medicine Did No Good—Cured at Expense of only \$1.25 and Now THANKS CUTICURA FOR COMPLETE CURE. "Some time ago I wrote you for a book on the Cuticura Remedies and received it. I used it and bought the Soap, Ointment, and Pills. They did me more good than any medicine I ever used. They cured me of my skin disease, and I am very thankful to you. My trouble was eruption of the skin, which broke out in spots all over my body and caused a continual itching which nearly drove me wild at times. I got medicine of a doctor, but it did not cure me, and when I saw in a paper your ad., I sent you for the Cuticura Soap and I studied my case in it. I then went to the drug store and bought one cake of Cuticura Soap, one box of Cuticura Ointment, and one vial of Cuticura Pills. From the first application I received relief. I used the first set and two extra cakes of Cuticura Soap, and was completely cured. I had suffered for two years and I again thank Cuticura for my cure. If you wish, you may publish this. Your friend forever, Claude N. Johnson, Maple Grove Farm, R. F. D. 2, Walnut Kan., June 15, 1905."
