

DROWNS IN LAKE FROM A BOAT AS GRACE BROWN DIED

Death of Mary Vennel, Society Girl of Bridgeton, N. J., a Remarkable Parallel to Case in Which Chester Gillette Was Convicted.

(Special to The Evening World) BRIDGETON, N. J., June 19.—The body of Miss Mary Vennel, a young society girl of this city, was found today in Sunset Lake by the police, after an all-night search.

George Evans, a young man living at Bridgeton, is under arrest, and he makes no attempt to deny that he was a witness of the girl's drowning.

About 10 o'clock last night the police were notified by telephone that a capsized boat had been found in the lake near a secluded place on the shore known as Pine Point.

Many boating parties were out on the lake and it was in this way that the up-turned boat was found.

As soon as the police heard that Evans had taken Miss Vennel out in the steel boat they say they went to his home and found him in bed.

When we started to make the shift the boat suddenly began to sink and part and stern from the water.

Miss Vennel threw her arms around my neck and held on so tightly that I could do nothing toward saving her myself.

Evans insisted that they had sunk before he finally got her arms loose from his neck and struck out for the shore, which was only a short distance away.

Police Not Satisfied. The police are not satisfied with the explanation of the tragedy by Evans.

BOY THEVES CONFESS THEY FIRED PRISON

Hoped to Effect Big Jail Delivery on Randall's Island.

Three boys, the oldest only eighteen years old, today confessed at Police Headquarters that on June 10 they fired one of the buildings on Randall's Island, expecting that as the fire among the reformatory institutions would give good opportunity for a wholesale jail delivery of the 600 boys held there.

The three were Tony Lapapino, sixteen years old, who was sent to the House of Refuge for burglary; John Downing, seventeen years old, of No. 81 East Thirteenth street, sent up for stealing lead pipe, and Pasquale Salvatori, eighteen years old, of No. 83 Mulberry street, sent up for house-breaking.

The police say that the Lapapino boy confessed that the plot was concocted by Salvatore. Lapapino said that on June 10 he set fire to the school-house where forty-two boys were at the time.

On the girl's face and head are several cuts and bruises, and the police think these may have been caused by a struggle against an assailant. They say also that no one of the scores of other boat-riding parties on the lake heard any screams, although many of them must have been within a few hundred feet of the scene of the tragedy.

Scott reached back to his hip pocket and drew out a package of tobacco wrapped in tin foil.

As the men were running away Scott noticed that one of them carried a piece of white rope, that swung as though something heavy was attached to the end.

Mr. Rosenheimer saw two men hiding behind a bush and approached them, telling his wife to remain where she was.

He walked about fifty or sixty feet before reaching the men. Mrs. Rosenheimer heard him say something about her spring at him, and one, wielding a weapon, struck him on the forehead.

As he fell the two men kicked and struck at him. She screamed and fell in a faint.

They hid behind a little bush adjoining her property and one of them in a match. By its light both examined some object which they passed back and forth.

Within half an hour after the murder two black-and-white dogs were secured. They were taken to the scene of the crime and started at the point on the road over which the murderers had planned making their escape.

22 SUNDAY-SCHOOL INFANTS IN WAGON CAR HIT

Vehicle Demolished By Third Avenue Trolley and None of Children on Outing Escapes Without a Hurt.

Twenty-two little children from St. Mark's Chapel kindergarten, returning from an outing in Central Park, today narrowly escaped death when the wagonette they were in was demolished by a Third Avenue trolley car.

All of the children were badly cut and scratched, but no limbs were broken and no serious injuries were sustained. The collision occurred at Sixteenth street and Third Avenue.

Lane, the driver, had a little girl beside him, and when the crash came he caught her in his arms and jumped to safety. The car was stopped within half its length, the passengers pouring out and going to the rescue of the children, who were strewn about the street.

The ambulance surgeons soon found that the children were more frightened than hurt. Some minor cuts and bruises were treated.

Miss White, of Orange, N. J., who was in charge of the wagon-load of children, was thrown from the wagon and severely bruised. She managed to get up and lead them back to the kindergarten, where they were smothered with kisses.

A grievance committee of trainmen conferred with General Superintendent McCrea in the Long Island City office for three hours and then went away happy over a settlement.

Mr. McCrea said afterward that the men had consented to sign an agreement not to make any further demands for an increase of wages until Jan. 1, 1908, upon the promise by the company to provide a more equitable system of payment for overtime.

WANTS TRIAL AT ONCE TO GET POLICE JOB. Chauffeur Under Indictment for Assault, Is on Eligible List, Which Expires To-Morrow.

The ambition of Richard Oliver, of No. 129 West Ninety-eighth street, to wear a police uniform depends upon the outcome of a trial in which he will be the defendant in the Court of General Sessions to-morrow. Oliver, who is a chauffeur, is under indictment for assaulting John Loria, while the chauffeurs strike was on last February. He says he is innocent.

With his counsel, George Simpson, he went before Judge Warren W. Foster today and asked for an immediate trial. Mr. Simpson explained that Oliver's name stands at the head of the eligible list for appointment to the police force, that the list expires to-morrow at noon and that Commissioner Lingham will not appoint him while he is under indictment.

Judge Foster promptly empaneled a jury and set the time of the trial for 11:30 to-morrow morning. Oliver will know his fate before noon.

CALLS HIS CURE A PERFECT MIRACLE

Suffered Tortures With Terrible, Dry Eruptions Since Reaching Manhood—Doctors All Failed—Became Too Disfigured to Leave House—Now Well and Says I

CUTICURA REMEDIES WORTH WEIGHT IN GOLD. "I cannot help expressing to you my most sincere thanks for the benefit which I have derived from the use of Cuticura Remedies. They represent a perfect miracle and each set is worth its weight in gold to suffering humanity. Ever since the time I grew into manhood I have been suffering from a dry eruption which at times appeared very extensively, and at other times, but to a limited degree, on my body. I consulted a number of medical men without result, and last January I was affected with a terrible eruption on my hands, scalp, and face, which was so bad that I could not even leave the house so I finally resorted to Cuticura.

"In the morning after breakfast I took a tablespoonful of Cuticura Ointment to the parts that were painful. So far my Cuticura Remedies represent an outlay of only a few dollars and I am quite ready to spend my last cent for Cuticura Remedies. Henry E. Kamping, 333 Eagle Ave., New York, N. Y., Feb. 16 and Mar. 15, 1906."

A FRIGHT WITH PIMPLES. Cuticura Soap Makes Skin Clear. "My face, a few months ago, was certainly a fright with pimples. I heard about Cuticura Remedies, and got Cuticura Soap and Cuticura Ointment. In a short while my face was well and skin clear. I advise any one whose skin is full of pimples, and blackheads to get Cuticura Soap and Cuticura Ointment. Sold throughout the world. Water Drug & Chemical Co., 100 N. 3rd St., St. Paul, Minn., Sept. 22, 1906."
