

COUPLE KILLED BY GAS ON 30TH WEDDING DAY

Perrys Opened Stove Jet by Accident After Anniversary Celebration.

In all the group of merry-makers who danced and sang at the thirtieth anniversary of the wedding of Frank Perry and his wife, Rebecca, of No. 224 West Sixty-seventh street, Saturday night, none tripped more merrily to the music and enjoyed the festivities with lighter heart than the couple themselves.

The couple bade their friends be sure and call again as they departed after hand clasps and exchanges of wishes for health and long lives. True to their promise, a group of friends called yesterday. The first ones found the door locked and were unable to gain admission. More arrived, but persistent pounding at the door failed to arouse either of the Perrys. A dozen persons crowded the front hallway and wondered why no one came to the door. Then one of the men smelled gas and the door was broken open.

As the fumes burst out women screaming into the street while several of the men hastened into the apartment. They found the Perrys in bed. Both had been dead some hours. Investigation showed the jet of the gas stove had been turned on, probably by accident. The finery and presents were spread out on a table in the bedroom. Perry was fifty-four years old, his wife fifty-seven.

TEXAN SHOT IN STREET BY SON-IN-LAW.

Dr. J. A. Lovett, Banker, Victim of Former Cashier, Not Uncle of Harriman's Counsel.

Dr. J. A. Lovett, a well-known banker of Liberty, Tex., was probably fatally shot last night at Smiley, Tex., by his son-in-law, J. G. Beavers. The shooting occurred on the street and Beavers was arrested at once. Beavers had been cashier of his father-in-law's bank, but was recently removed because of alleged irregularities in his accounts. He had threatened to kill Dr. Lovett at the first opportunity.

It was reported at first that Dr. Lovett was an uncle of Judge R. S. Lovett, chief counsel for E. H. Harriman and the Southern Pacific system. At the Hotel Majestic in this city, where Judge Lovett resides, Mrs. Lovett told an Evening World reporter that this was untrue. The two families are not related.

AUTOIST VAUGHAN HAS WRIST BROKEN

Chicago Man May Not Be Able to Compete for Briarcliff Trophy.

CHICAGO, March 15.—While riding in his machine through Lincoln Park yesterday Frank Vaughan found a young man and woman in an automobile that had broken down. With the mechanical knowledge he possesses he soon had the machine in running order.

While he was turning the crank to get the machine ready to spin away, the power was suddenly turned on and the automobile plunged ahead. Vaughan did not have time to release his hand from the crank handle and the heavy shock broke the bones of his wrist.

The occupants of the auto forged ahead, apparently regardless of his plight and the pain he was suffering. Despite his injury he drove his machine home before he summoned a physician.

Mr. Vaughan was chosen some time ago to drive one of the auto entries in the Briarcliff Trophy race, scheduled to be held in Westchester County, N. Y., April 24. Yesterday's accident may keep him out of the contest. He is the only Chicagoan entered in the race.

DESERTED WIFE DISTURBS A PARTY

She Causes Arrest of Husband While He Is Attending Festivities.

Michael Berlefer was bewailing his luck at Police Headquarters to-day.

"Here I come all the way from Decatur, Ill., to attend an engagement party given by my sister.

"It's my birthday, and joy is unconfined at the jollification, when two sleuths send in a note to me. They not only bring my wife to the door to cut up, but almost break up the festivities, charge me with bigamy, and lock me up."

The arrest was made at No. 50 West One Hundred and Fifteenth street last night, and several of the excited guests screamed hysterically. Mrs. Berlefer lives at No. 23 East One Hundred and Fourteenth street and says her husband left her and their eleven-year-old son in November, 1907. She said the police that she learned afterward he had married Mary Taylor, one of the employees in his photograph studio, at Mount Morris, N. Y.

Hundred and Fifty-fifth street and Eighth avenue, where most of those in line will hold a reception at the Manhattan Casino.

In the evening one of the principal attractions will be the reception and ball of the First Irish Volunteers in the Grand Central Palace.

A Nemo SELF-REDUCING CORSET FOR EVERY STOUT WOMAN

MORE than a million stout women know that the Nemo Self-Reducing is the only corset that will reduce the abdomen with perfect comfort and hygienic safety.

EVERY woman who has worn it knows that the Nemo Self-Reducing Corset is superior to all others in comfort, style and durability—that it is an extraordinary value simply as a corset, saying nothing about its invaluable and exclusive special features.

FOR 1908 we have nine handsome models (three pictured above): a model for every stout woman—tall and stout, short and stout, or just "fat." And there's a price to suit every purse.

At \$3.00 The old favorites, Nos. 312 and 314, of which nearly a million pairs were sold in 1907; and for women who want the new "slender-hip" effect are the two new "Flating-Back" models, Nos. 318 and 320, at the same price—\$3.00.

At \$5.00 Somewhat finer are the Merceroized Brocaded Corsets, Nos. 516 and 518, the French Coutil Corsets with bust supporters, No. 515; and the beautiful new "Flating-Back" model, No. 517.

At \$10 For women of luxurious tastes, who have paid \$15 to \$25 for imported corsets, is the superb No. 1000, with "Flating-Back" and the new "Duplex Straps," at \$10. This is the finest corset that can be made—superior in every respect to the best that come from France. It will do wonders for any stout figure, giving it the graceful lines of youth.
