

# CLOUDBURST DEAD NOW NUMBER 40; MUCH SUFFERING

Food Short and Supplies Are  
Washed to Homeless People  
In Devastated Section.

PITTSBURGH, Sept. 3.—The number of fatalities arising from the floods of yesterday morning in Western Pennsylvania, the Panhandle of West Virginia and Eastern Ohio was increased to forty today, when it became known that John Demeter, his wife and two children were missing from the ruins of their home on Chartiers Creek, near Canonsburg, Pa.

Fifteen bodies had been recovered from debris scattered through the valley of Harmon's Creek, near Colliers, W. Va., since being residents of Colliers and six of Holiday's Cove. Searching parties are working in the valleys of the stricken district, digging in the ruins of demolished houses in the hope of finding bodies, but in many instances the rush of water was so strong that it is believed the victims were carried far from the places where they met death.

Food in some sections is scarce, because railroad communication has been cut off, but caravans of loaded wagons are making their way over badly washed roads bearing needed supplies. Sanitary officers in the western Pennsylvania towns are already at work and large forces of men are cleaning streets and buildings.

The Chartiers Valley, from Washington, Pa., to McKees Rocks, Pa., where the little stream empties into the Ohio River, is one stretch of devastation. It is estimated that ten thousand acres of growing corn has been ruined, while thousands of tons of hay floated away on the muddy torrent.

The damage to manufacturing plants will be very heavy. In some instances it will be necessary to install new machinery and work will not be resumed for days, perhaps weeks. The loss is expected to total \$2,000,000.

Railroads are making haste to repair tracks and rebuild bridges in order that traffic may be resumed at the earliest possible moment. On some divisions of the Pennsylvania and Baltimore and Ohio no trains have been moved since Sunday night, and it is

stated repair work is being handicapped by the scarcity of men in this district.

Greenback Book From Trip.  
Mr. and Mrs. Benedict J. Greenhut and their daughter Clara have returned from their trip through the Yellowstone Park and California and will be at Shadow Lawn, West End, for the balance of the season.

**"HAIR THAT GIVES FATHER TIME THE LAUGH"**  
We are just about as old as we LOOK. People judge us, by the way we LOOK. The man or woman with grey hair is being judged to get in the "Old Timer's Class." This Twentieth Century does NOT want GREY hair—it wants the energy of Youth. The big things are being done by the YOUNGER generation.

There's a sort of "Has Been" look about those "Grey Hairs." There's always one to criticize and smile scornfully. Father Time is a stern disciplinarian. Get the best of him. Give him the laugh. Do not be a "Has Been." It's unbecomingly. Use HAY'S HAIR HEALTH.
