

December 21, 23 & 24—One-Half Saving

Only three more days in which to make your Christmas selections at the Hackett-Carhart stores. Three more days in which to choose among the choicest Christmas stocks in New York—and to save one-half in whatever your selection. In all your life, such an opportunity was never before offered you. It may never be again. The name Hackett-Carhart has stood for aristocracy in men's wear for more than half-

century. Two generations of well-dressed New Yorkers have held it in highest esteem. Hackett-Carhart prices have always represented the utmost in value. Values that to-day sees doubled on account of the recent receivership. The creditors accepted 50 cents on the dollar. And that's why your Christmas money will go twice as far here as it will elsewhere. Remember only three more days.

Aristocracy Among Neckwear

LeMar Cravats

If you have a doubt that there are classes among cravats just compare the bearing name "LeMar" with any others you may have seen this season.

A nation wide fame has this famous make attained for its beauty and fineness of fabric.

Well earned is its enviable reputation of being "the greatest half-dollar scarf the world has ever known."

The Hackett-Carhart assortment represents 100% value, plus. Uncorrelated choice is yours at

Fifty Cents

Self Figured, Two Tones and Iridescent effects. In Barathe, Regal Repp, Artistic Armures, Gros-grain and Surah Weaves.

"LeMar" tailoring is what makes these scarfs so wonderfully wear-proof. They withstand the hardest handling, and tie naturally in accordance with fashion's latest decree.

Generosity of fabric is another characteristic. In this, they offer more than many made to sell at twice the "LeMar" price.

The designs and colorings shown here today are of rare beauty—and so advanced in style as to be scarcely seen elsewhere until next season.

"Broadway" Shirts of Custom Tailor Quality

The greatest feature of "Broadway" shirts is that they are made to fit and to hold their shape. They are as comfortable as they are stylish—and that's saying a great deal.

No custom shirt was ever made upon which greater time and care and skill were lavished.

Greater pains are not taken with the cutting, shaping and tailoring of the finest clothes.

All the common shirt evils are left out. The cuffs do not crack, nor the button-holes tear. And the colorings are "unfading."

The patterns are all of the utmost beauty and distinctiveness. And they are as carefully matched in the cutting and making, as the finest custom garment ever created.

These, then, are the Hackett-Carhart Holiday offerings:

SCOTCH MADRAS and Russian Cord custom shirtings in "Broadway" tailored and "Broadway" labelled shirts. Reg. \$2.50... **\$1.50**

Kenyon The Bathrobe Beyond Compare

Made where sunshine and fresh air flood every nook and corner, "KENYON" bathrobes are the products of the skilled hands of happy workmen.

Contrast this with the way ordinary bathrobes are made—in close, ill-smelling, unsanitary tenements—and you have the greatest reason for selecting bathrobes of Kenyon make. By this contrast alone, any other bathrobe becomes a careless extravagance.

\$3 Kenyon Bathrobes. Made of imported German Blanketing. Of Matelasse and Jacquard designs **\$1.95**

\$5 Kenyon Bathrobes. Special designs in imported German Blanketing **\$2.75**

Kenreign Coats (for Storm Wear)

A "Kenreign" coat is an admirable gift. When the need for it arises, the costliest garment could not be more gratifying.

Made of the finest rubberized cloth, they are as appealing to admiration as they are repellent of the rain—as fashionable as they are serviceable.
