

**JACK JOHNSON LANDS IN FRANCE TO STAY**  
 Resident Declares He Will Take Up Residence in Paris and Never Visit United States.

PARIS, France, July 10.—Jack Johnson, the colored pugilist, arrived here today on board the Corinthian and immediately announced his determination never to return to the United States. He said he would in the future take up his residence in Paris.

WASHINGTON, July 10.—Jack Johnson's announcement that he would never return to the United States caused Department of Justice officials immediately to consider steps to bring about the forfeiture of his \$20,000 personal bond pending in Chicago for his appearance in connection with White Slave indictments upon which he has not yet been tried.

Judge Carpenter a few days ago declined to declare the bond forfeited until it was clear that Johnson would not appear when wanted. The Department of Justice, it is said, probably will seek official confirmation of his announced purpose not to return and present the matter again to Judge Carpenter.

Government attorneys expressed no regret over the negro's announcement. A few days ago officials considered the advisability of asking France to deport him upon arrival, but it was decided to let the case take its natural course.

Their view was that there could be no objection to his absence from the country and if he should ever return the year's White Slave sentence would always be enforceable, provided the Circuit Court of Appeals approves the verdict.

**RECOMMENDS M'ANENY TO THE FUSIONISTS**  
 Bronx County Citizens' League Advocates Borough President as Candidate for Mayor.

In a letter to Norman Hagopod, Chairman of the Committee of 197 whose members are seeking the best available majority candidate to head the Fusion ticket, C. J. Lane in behalf of the Bronx County Citizens' League warmly endorses Borough President McAneny. The League is an independent non-partisan and non-political association of citizens of the Bronx.

"Of all the candidates who have been mentioned as available," writes Mr. Lane, "Mr. McAneny seems to fill all the requirements and to overcome all the objections that may be raised. Assuming that Mr. Whitman, Mr. Mitchell, Mr. Gaynor and Mr. McAneny are the only candidates upmost in the minds of the citizens, the name of McAneny stands out most prominently as that of a man fulfilling all conditions. He has not been affiliated with any political party or boss. It is well known that he is an independent in politics. His wonderful record for efficiency and economy as President of Manhattan is unparalleled in the United States. It is well known that he wears no party collar."

"Through Mr. McAneny you will be able to secure the large independent Democratic vote. All in all, McAneny is your man. Take him if you seek success and the welfare of the city of New York."

**CITIZENSHIP NOT POSSIBLE ROOSEVELT TELLS JAPS.**  
 Writes to Viscount Kaneko Saying American Public Opinion is Against Naturalization.

TOKIO, Japan, July 10.—The Tokyo News Agency says today that Viscount Kaneko Kaneko has received a letter from Theodore Roosevelt expressing the view that American public opinion will not permit the naturalization of Japanese in the United States, as it would lead to a similar claim on the part of the Chinese. Mr. Roosevelt, according to the news agency, promised to use his efforts in the solution of the California alien land ownership situation.

Viscount Kaneko is a graduate in law of Harvard University. He was the unofficial representative of Japan in the United States during the Russo-Japanese war and delivered many addresses all over the country.

B. R. T. Must Put on Brakes. The Appellate Division of the Supreme Court today unanimously upheld the order of the Public Service Commission that all street cars on the Brooklyn Rapid Transit Company must immediately be equipped with both power and gear. It will cost the B. R. T. more than \$500,000 to comply with the order.

**A CHILD'S WASTE CLOGGED BOWELS.**  
 Make it cross, peevish, restless and feverish—If tongue is coated give "Syrup of Figs."

Children dearly love to take delicious "Syrup of Figs," and nothing else cleans and regulates their tender little stomachs so promptly and thoroughly. Children get bilious and constipated just like grown-ups. Then they get sick, the tongue is coated, stomach sour, breath bad; they don't eat or rest well; they become feverish, irritable and don't want to play. Listen, mothers—for your child's sake, don't force the little one to swallow nauseating castor oil, violent calomel or harsh irritants like cathartic pills. A teaspoonful of Syrup of Figs will have your child smiling and happy again in just a few hours. Syrup of Figs will gently clean, sweeten and regulate the stomach, make the liver move and get rid of the waste of the bowels all the constipated matter, the sour bile, the foul, clogged-up waste and poisons, without causing cramps or griping.

With Syrup of Figs you are not drug-giving or injuring your children. Being composed entirely of luscious figs, senna and aromatic herbs, it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

OPPORTUNITIES FOR ECONOMIES such as we list below are timely indeed. Here are savings for some 1200 men in Macy's much improved and enlarged Men's Clothing Department on the Fifth Floor, Broadway. On every side throughout the Department, too, are the proofs that there are always more un-advertised than advertised special values at Macy's.

**Men's Summer Suits, \$17.75**  
 Macy's prices were \$24.75, \$27.50, and to \$32.50. The Fabrics are fancy chevrets, homespuns, fancy mixed worsteds, and cassimeres. The Styles are English Norfolk, and English and American two-button and three-button sack models. The Suits are from 31 to 36 for young men, from 34 to 42 in regular styles, and from 38 to 46 in made-to-order styles. The colors are gray, black, blue, and blue and white stripes. "Palm Beach" Cloth Suits have all the details of fine tailoring characteristic of Suits costing far more. The armholes, for instance, are piped. The inseam on the sleeve is made with a bag seam to prevent slipping when washed. Each garment is double stitched with pure silk, the cost is trimmed with small pearl buttons, and the trousers have "ivory" buttons and non-rusting side-buckles. The models are in 3-button sack style, in all sizes from 34 to 42 in regular proportions, and in chest sizes up to 48 for stout men. Some Norfolk Suits at \$8.75.
