

MAN SHOT AND KILLED BY DEPUTY SHERIFF AFTER CAR WRANGLE

Fired in Self-Defense, Officer Says, Then Arrested After Stapleton Tragedy.

In a wrangle on the way from South Beach, S. I., early to-day, Peter McCabe of Davis avenue, West New Brighton, was shot dead by Thomas Bonanzo, a deputy sheriff of Stapleton. Bonanzo will be arraigned before Magistrate Marsh this morning charged with homicide. He says he shot in self-defense.

McCabe had been spending the evening at South Beach with Edward Johnson of Taylor street, West New Brighton, and Joseph Sib of Necker avenue, Stapleton. Bonanzo was also at the beach and returned on the same trolley car.

A dispute arose on the car and was continued when all alighted at Wright and Water streets, Stapleton. None of the men would give any details of what happened or what the quarrel was about. All Bonanzo would say was that he fired when the others followed him.

The bullet struck McCabe in the throat and pierced his neck. He was dead before Dr. Walker arrived from the S. R. Smith Infirmary, Tompkinsville.

Detective Irving Crocheron, who happened to be standing near, ran up and arrested Bonanzo on a charge of homicide and held Johnson and Sib as witnesses.

Bonanzo was taken before Justice Marsh at Stapleton and at request of the District-Attorney he was held with-

out bail on the charge of homicide until next Thursday. Johnson and Sib were held in \$500 each as material witnesses.

A Physician's Faith in Eckman's Alternative

"I have used Eckman's Alternative in several cases of tubercular glands of the neck with excellent results every time. In one case it cost me \$100, for the girl was put on it only until she could arrange to be operated, and in a short time an operation was not needed. I suppose your records are just as fine as of old. You know my faith in it."

(Original of this physician's letter on file.)

Eckman's Alternative is effective in other forms. Read what Mrs. Garvin says:

"Gentlemen: I have gained twenty-two pounds since last February, and my baby is in perfect health. I have been waiting since she was born to see how I would get along. I am now doing all my work, have been ever since she was four weeks old, and I am steadily gaining. I do not cough or raise anything at all, so I think I am completely cured of Lung Trouble."

(Affidavit) MRS. M. H. GARVIN, Note—Mrs. Garvin has seven children. (Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious in cases of severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Tubercular Glands and in building the system. Does not contain narcotics, poisons or habit-forming drugs. For sale by leading druggists. Write the Eckman Laboratories, 111 E. 12th St., for booklet, telling of recoveries and additional evidence.
