The National Institute of Social Science awarded yesterday its gold medal to Dr. John H. Finley, State Commissioner of Education. The medal will be presented by Dr. M. H. H. Curtis at the farewell reception to be given by the Washington State in Chicago to Dr. and Mrs. Finley at the City College.

**NEW ESTIMATE BOARD ORGANIZES WITHOUT FUSS OR FLOWERS**

**Raises Salary of Head of Fire Prevention Bureau to \$6,000.**

The new Board of Estimates, which organized to-day with Mayor Mitchell in the chair and the recently elected Borough Presidents Marks, Matthews and McCormack in their seats, came into active existence without fuss or feathers.

It was a busy session. Those who attended the chamber were present with provisions, not to offer congratulations to new officials. One of the very first official acts of the Commission was the granting of a request for the raising of the salary of the office of Chief of Fire Prevention Bureau from \$5,000 to \$6,000. This was adopted unanimously.

Mayor Mitchell, after listening to complaints from a number of residents of Jamaica against the establishment of a contagious diseases hospital there, ordered the work held up until a report on the situation is had from the Health Board.

The partitioners of St. Andrew's Catholic Church on Duane street, which is one hundred and eight years old, entered a protest against the condemnation of the property as part of the new court house site.

President McAnany of the Board of Aldermen said there is no proposition calling for the condemnation of the St. Andrew's property, and he assured Father Lutz Ebers that he would arrange to have them informed if any action was taken.

Under Unionist Fund \$5,000,000. BOSTON, Jan. 8.—A fund amounting to \$5,000,000 to indemnify the relatives of the killed and wounded among the Unionist volunteers has been raised according to an announcement made to-day by Capt. James Craig, Unionist Member for East Down, Ulster, at a gathering of Unionists here. He said the sum required had been collected.

**Dentists agree**  
that only one person in ten is free from "acid-mouth," the one cause of nearly all tooth decay. Our acid test papers (sent free with trial tube Pebeco on request) tell with a chemist's exactness whether or not you have an acid mouth. And if you value your teeth it's well worth your while to try this easy test.

**Pebeco Tooth Paste**

Pebeco Tooth Paste overcomes acid-mouth. This enables the teeth to keep for life their "armor plate" of precious enamel. And a tooth is only as good as its enamel. Pebeco-cleaned teeth have a good chance for long life.

Isn't Pebeco the dentifrice you've long been waiting for?

**My Clearance Sale Means Your 50% Saving**

—MOE LEVY.

The finest ready-to-wear clothes at 50% saving to you is what my clearance sale means. It means more. It means that every suit and overcoat in this sale is made in my own factory, under my own supervision, and is a piece of merchandise that I know will make a friend and a customer out of the purchaser. They are "safe" clothes. I sell no "sale goods."

My former prices give you the benefit of my manufacturing resources and my low rental, due to my out-of-the-way location. Now during my clearance sale the prices at which my clothes are selling are about 50 per cent. of their real value.

For example, my \$15.00 and \$17.50 suits and overcoats that are actual \$25.00 and \$30.00 values are now on sale at \$10.50, and every one of the following prices represent a proportionate saving.

Most of these Suits and Overcoats are made of the same high class materials which go into my men's garments. They are the ends of materials too short for the man, but just right for the boy.
