**What Every Woman Should Attend!! This MATTHEWS Sale of The Best Trimmed Hats Ever Offered Anywhere at \$4.95**

**What Kind of a Hat Did You Have in Mind?**  
 In this sale are: Black hats and white hats—hats that are gray, purple, brown, rose, citron, blue or bottle green. Flower Hats, Ribbon Hats, Ostrich Hats, Lacquered Hats—lacquered ribbons. Tricorns, turbans, sailors, bandeau sailors, wateaus, "egg-and-dart" turbans, helmet, sailor, high top hats, irregular top hats.

**Fifty Hats for Every One Pictured—Hardly Two Alike**  
 We have taken fine shapes of Milan and Milan hemp that sell regularly for five dollars, and are well worth those prices because so fine and durable—We have taken fascinating ostrich fancies made by the maker of our Guaranteed Plumes; the prettiest of flowers and the newest of the popular ribbon trimmings—We have given these to our own best milliners and have asked them to do their best to make the most remarkable hats this town has ever seen at \$4.95. The hats are ready—hundreds of them, and scarcely any two exactly alike.

**Ostrich Plumage Unlike Any You Ever Saw**  
 Ostrich has burst brilliantly from the chrysalis that Fashion has swaddled it in for so many seasons. This season's ostrich is high and brilliantly colored. Sometimes it bursts into "sky-rocket" tips at the very tip top. Sometimes it goes up slenderly from a shrunky base into two long "devil" ends at the top. Sometimes it is wired; sometimes it is tied; sometimes it whisks; sometimes it droops.
