

THE CURABLE STAGE OF DISEASE
Every case of Heart, Lung or Stomach disease passes through its curable stage. It is only a matter of time before the disease is cured if the patient is properly treated before the disease reaches its chronic stage. If you fear your ailment has not been understood or correctly diagnosed, call on Dr. Anderson, Specialist in Heart, Lung, Stomach and other internal diseases of the Chest, and an expert in diagnosis by special X-Ray examination.

THE CURABLE STAGE OF DISEASE

He discovers the very earliest signs of these diseases while they are yet in the curable stage. Diseases of the Internal Organs are confusing because their symptoms are often similar. Investigate Dr. Anderson's method of treatment and find out your real condition by special diagnosis. You may not have the disease you think you have.

Consult Dr. Anderson, Specialist. Examination and examination are given with out charge at his office, 80 West 11th St. (between 8th and 9th aves.), New York (formerly West 23d St.).

DOCTOR SAYS LOVE IS DISEASE: ANAPHYLAXIS; KNIFE WILL CURE IT!

Condition of Lack of Resistance, and Men Are Chronic Sufferers.

CHICAGO, Jan. 14.—What is love? Dr. Richard J. Tivnen diagnosed it today. According to Dr. Tivnen, it is a disease, and its name is anaphylaxis. While he asserted it was much more intractable than measles, he held out the hope that the malady could be cured by the surgeon's knife.

The occasion was a banquet given in honor of Dr. John F. Golden at the Chicago Athletic Association. Dr. Golden is to marry Miss Mary Lydon one week hence and Dr. Tivnen is to be the best man. It is only fair to say that Dr. Tivnen, who is not married, undertook to defend bachelordom in answer to a toast, "The Bachelor."

Dr. W. A. Evans, the toastmaster, threw a little more light on this definition.

"Anaphylaxis," he said, "is a condition. According to Dr. Tivnen, whenever women are in quantity, men are in a chronic condition of anaphylaxis."

"Married men have an immense advantage over the bachelor—in the cooperation of two minds lies wisdom," said Dr. Quine.

"I could never give Solomon much credit for being wise—he had 100 wives. When he went beyond his own little family circle he had no more wisdom than a rabbit and no more moral sense than a tomcat. I need only refer to the episode of the Queen of Sheba."

Dr. Quine designated Adam as a "slob" and a "lobster" because he hid behind Eve "in the apple matter."

Tuxedo in The Day's March

All the vim, energy and enthusiasm you get out of a Sousa march you get out of the steady use of Tuxedo. Tuxedo is as cheering and inspiring as the "Stars and Stripes Forever," because Tuxedo is always refreshing, beneficial and wholesome. To be pipe-happy is on a par with being mind-happy. Then you can get the punch into life! And it's certainly worth while. The short-line to pipe peace is via

The Perfect Tobacco for Pipe and Cigarette

Made by the famous "Tuxedo Process," Tuxedo is the one tobacco in the world that will not bite your tongue, no matter how much you smoke of it.

The extra-choice Kentucky Burley leaf from which Tuxedo is made is acknowledged by experts to be the world's premier smoking-tobacco leaf. This is why Tuxedo is so mild and mellow, so pleasantly aromatic, so delicious in flavor.
