Sterling Silver Souvenir Spoons

Always Sold at \$1.50; 79c Tomorrow

(Emblems of Every State Represented.)

We impress upon you the fact that THE SOLVING-NIR SPOONS ARE OF STERLING SILVER.

There's nothing in common between them and the cheap souvenir spoons which are being sold all over the city for a few cents.

These are spoons to be treasured in the collection which will descend from GENERATION TO GENERATION. Beautifully wrought pieces of solid silver, full size, with polished bowls.

We illustrate one, emblematic of the State of New York. It shows the shield of the State, Niagara Falls and the word "New York." And every State is represented by the view of an industry, or some renowned place within its borders.

The handles of these spoons are uniform, bearing the American Eagle and flag design.

DAYS OF PURCHASE ENGRAVED FREE OF CHARGE.

Make a collection of these spoons for your children. You can add to it at any time.
