Get At the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—stagnant liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, they give indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substance for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without giving cramps or pain.

Take one or two at bedtime for quick relief; you can eat what you like. At 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O. Advt.

**LABOR UNION FEUD CAUSED SHOOTING, IS POLICE THEORY**

Attack on Doyle, Sullivan and Costello Had No Connection With Baff Murder Case.

ONE VICTIM IS DYING.

William Mangan, Held as Suspect, Was Bitter Opponent of Men Who Were Shot.

Careful investigation by Inspector Faurot and Capt. Deevoy of the First Branch Detective Bureau has convinced them the shooting of Luke Doyle, Michael Costello and Jeremiah

Sullivan at Washington and Harrison Streets yesterday afternoon, of which William Mangan, business agent of Local No. 84, International Brotherhood of Teamsters, is accused, had no connection with the assassination in the same neighborhood last winter of Barnet Baff, millionaire poultryman. The police theory is that a labor union feud of five months' standing brought about yesterday's encounter.

Doyle is dying in Hudson Street Hospital, and Costello, seriously wounded, is in the prison ward of Bellevue Hospital. Sullivan is in the House of Detention. A bullet passed through his overcoat, undercoat, shirt and undershirt, grazed his right arm-pit and passed out through his clothing at the back. Curiously enough, Doyle and Costello were each wounded in the right arm, but their serious wounds were caused by bullets that tore through their intestines.

Neither Doyle, Costello nor Sullivan has accused Mangan of doing the shooting, and Mangan has refused to make any statement. The charge against him is made by Patrolman Clark, who says he saw him run away from the scene of the shooting and throw away a revolver, which has not been found.

**SECOND SHOOTING IN CONNECTION WITH TEAMSTERS' UNION.**

Mangan has a good record. Costello is an Elmira graduate, well known to the police. Doyle was summoned as a witness in the Baff case. Sullivan's record is under investigation.

Mangan told an Evening World reporter to-day he never had any connection with the Baff case. He said he knew Joe Cohen, who was arrested and held in the Tombs for a time in the Baff murder, but only in a business way.

The teamsters' union has always been friendly to the police. James P. Kelly, who attempted to start a rival union three years ago, was shot and killed in Washington Street, near Harrison Street.

Mangan has been secretary and treasurer of the local union for two years. At a meeting of Union No. 449 held Nov. 20, 1914, Mangan prepared charges against Doyle and Sullivan, who had been business agents. He accused them of appropriating dues and "shaking down" merchants. They were expelled from the union and Mangan had himself appointed business agent.

In the mean time Doyle and Sull-

van had organized Independent Teamsters' Union No. 449. Mangan called a meeting of local No. 449 of the International Teamsters, disbanded it and formed a new local, No. 84.

Doyle, Sullivan and Costello proceeded to try to disrupt the old union, particularly in West Washington Market. Mangan fought them with all his might in the market district. Only a week ago Michael Mangan, a brother of William and a driver, was dragged off his truck, beaten and told to tell his brother to keep away from West Washington Market.

**WITNESSES OF SHOOTING TERRIFIED BY GUNMEN.**

Sullivan, Doyle and Costello secretly organized the drivers of the J. Pitman Company, truckmen, and called a strike on that firm, last Monday. J. J. Cuneo, President of the concern, was taken by surprise, with contracts for trucking two car-loads of oranges and two shiploads of bananas. He promptly made terms with Doyle and Sullivan and the strike was called off.

When Mangan heard of this he determined to get the Pitman teamsters into his union. He was on his way to the Pitman offices, at Washington and Harrison Streets, yesterday afternoon when he met Doyle, Costello and Sullivan and somebody fired ten shots from an automatic revolver.

Probably fifty people saw the shooting, but the detectives have not been able to run up a man who will admit knowing anything about it. As in the Baff case, the witnesses are afraid of the gunmen, who appear to hold the West Washington Market district terrorized.

Mangan had a permit to carry a revolver which expired March 8. He had put in an application for a renewal of the permit.

**SQUAW'S HEAD ON PENNIES.**

So the Indians Say and They Want the Coin Changed.

**SALT LAKE CITY, Utah, March 12.**—A delegation of Washakie Indians from Boxelder County called at the office of Indian Agent J. D. Groat today to request that the Government provide a "squaw's head" for the Indians and that the Indian head on the United States coin be changed.

The Indians said they expressed satisfaction with the Indian head on the United States coin, but complained that the coin was not large enough. Agent Groat is in San Juan County, where he troubles with the Plute Indians exists, and his office representative promised to refer the Indians' requests to Mr. Groat on his return.

**WANTS \$5 Tax on Bachelors.**—CHARLESTON, W. Va., March 12.—Delegate James of Mingo County has introduced in the West Virginia House of Delegates a bill proposing a tax of \$5 yearly on bachelors between twenty-five and fifty years of age. The money would be paid into the county road funds.

**CHICAGO EDUCATORS AID TEACHER-MOTHERS**

Will Amend Rule Dismissing Women Who Are Absent for Three Years.

CHICAGO, March 12.—The school management committee of the Board of Education has directed Mrs. Ella Flagg Young, Superintendent of Schools, to draft a rule making it easier for a teacher who becomes a mother to hold her position.

The present regulations forfeit a teacher's certificate when she is absent for three years, but provide that no teacher may return to the classroom until her child is two years old.

**LIVES OF 100 PERSONS JEOPARDIZED BY FIREBUGS**

The lives of about 100 persons, including many women and children, were endangered at 4 A. M. to-day by an incendiary fire in the basement of No. 419 East Seventeenth Street. James Nolan, who lives on the second floor and works at Washington Market, was preparing to leave for his place of employment when he smelled smoke and traced it to the basement.

He found three separate places—one in a perambulator, one in a barrel

in the woodbin and another in a corner. He tried to put them out, but they gained such headway he had to send in an alarm.

The police roused the twelve families in the five-story building, but the fire was extinguished before they had time to leave their apartments. The Fire Marshal is investigating.

**"SMOKE" FIRE FIGHTERS GET TO HEART OF BLAZE**

A special call for Rescue Company No. 1, the new smoke helmet organization of the Fire Department, saved Chief Kenion from having to turn in a second alarm for a serious fire at Nos. 251 and 253 Greene Street at 5 o'clock this morning.

The Chief went to a call box and with a Morse key, and using the Morse code, sent in the Rescue Company's special call—"a pause—2—a pause—2—a pause—the box number—1."

Leut. Edwin Hotchkiss and the Rescue Company men arrived a few minutes later, donned their smoke helmets and started into the collar of No. 253. The lieutenant led the way and others followed. Hotchkiss had a rope around his waist and the others clung to that as they groped in the smoke.

They located the "heart" of the fire in the basement of No. 251, returned and got two lines of hose, with which they put out the fire in twenty minutes. The damage was \$10,000.
