PUBLIC DANGER.

A Warning Which May Save Your Life or That of Your Children.

Be careful what you take for a cold. Many so-called "cold cures," "cough balsams," etc., contain opium, morphine or other poisonous drugs. Remember that Father John's Medicine is absolutely free from dangerous drugs. Father John's Medicine has had more than fifty years' success for colds and throat and lung troubles.—Advt.

STOPS FALLING HAIR

This Home Made Mixture Stops Dandruff and Falling Hair and Kicks Its Growth

To a half pint of water add:
Bay Rum 1 oz.
Barbo Compound a small box
Glycerine ¼ oz.

These are all simple ingredients that you can buy from any druggist at very little cost, and mix them yourself. Apply to the scalp once a day for two weeks, then once every other week until all the mixture is used. A half pint should be enough to rid the head of dandruff and kill the dandruff germs. It stops the hair from falling out, relieves itching and scalp diseases.

Although it is not a dye, it acts upon the hair roots and will darken streaked, faded, gray hair in ten or fifteen days. It promotes the growth of the hair and makes harsh hair soft and glossy.—Advt.

GIMBELS Has Brought Paris to New York
An Exhibition of Imported Modes That Will
Again Prove GIMBELS to Be the
Greatest Institution for Fashions in the World

A Unique Triumph

And we are glad to admit that it was a woman—our Fashion Chief—who has carried this Message of Paris to the American Women. She arrived on the S. S. "Arabic" only on Saturday, and she brought the models with her as personal baggage. But back of her stood the power of our Paris Branch—an organization unequaled in Europe.

The Modes That Are Positively
the "Last Word" of Every Paris Dressmaker

These are the Gowns, Suits, Coats, Hats and Accessories, with which the artist dressmakers of Paris have created *A New Period in Fashions*. It is called the *Period of Youth and Simplicity*.
Two exhibitions tomorrow—11 A. M. and 2.30 P. M.—on the Eighth Floor. You are cordially invited.
