BIENNIAL SESSIONS, INCREASED PAY FOR LEGISLATORS

Proposal Also to Extend Term of Senators to Four Years and Assemblymen to Two

ALBANY, April 28.—Power sessions of the Legislature and more pay for the men who make New York State laws was proposed today in the Constitutional Convention. The cry that has been raised for years that New York State is over-legislated and burdened with expensive sessions of the Legislature each year will probably be met by the convention with a recommendation for biennial sessions.

Two proposals affecting the State's legislators were made today. Eugene Lamb Richards's amendment provides for the meeting of the Legislature once every two years and makes an Assemblyman's term of office two years instead of the present one year and a Senator's four years instead of the present two. It further advances the annual salary of a lower house member from \$1,500 to \$2,500 and an upper house member from \$1,500 to \$3,500. A somewhat similar proposition, sponsored by Russell Wiggins, changes an Assemblyman's term from one to two years.

Ghosts of ex-Gov. Sulzer's impeachment stalked on the floor of the convention when a proposal was made

to lower salaries to change the procedure of impeachment a Governor. The grounds upon which the Bill of Impeachment was introduced were defined as "willful and corrupt conduct in office or for taking a false oath or oath of affirmation."

Phrases were made at the time of Sulzer's impeachment that the men who were sitting in the Legislature of that time had taken part in the same corrupt and illegal conduct. The proposed amendment would remedy this by increasing salaries who are in preliminary to question from sitting in the court to before the qualifications of the subject.

An amendment relative to perpetual and indeterminate franchises was proposed by Otto Low. According to the proposition, "The Legislature shall not grant to any municipal authorities of any county, city, town or village grant any franchise in perpetuity."

A further provision reads, "In indeterminate franchise may be granted without limit of time upon conditions that permit the granting power to resume control of the franchise upon

terms to be included in the original grant."

John H. Stinson proposed to amend the State's fundamental law so that the State of public officers should be increased but decreased during their term of office. His amendment also prohibits the Legislature of a city or town from awarding a contract or any other contract to any public officer or contractor.

RIORDAN HEARINGS END.
Charge Not Proven, Governor's Counsel Argues

Hearings on the charges against Governor Riordan on the night of the 17th ended at the Hotel and 21st Street and Eighth Avenue, which have been conducted by Special Commissioner Ripker, came to a close today. Henry A. Wise, counsel for the Governor, contended none of the charges had been proved. Admitting the facts known to the law, he said that the charges made in the conduct of the inquiry were not criminal. He blamed the state counsel for the interference for allowing the Governor, a layman, to make errors without interruption.

DR. RONGY WINS SUIT.
Successor of Thomas of Husband of Edward Wife

After a seven-day trial the jury today has found for Dr. Rongy in his suit against the estate of Edward Rongy, husband of the late Mrs. Rongy. The jury awarded Dr. Rongy \$10,000 in damages and \$100,000 in costs.

GIRLS! LOTS OF BEAUTIFUL HAIR NO DANDRUFF—25 CENT DANDERINE

Hair coming out? If dry, thin, faded, bring back its color and lustre.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No dandruff, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance, an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that it's all—your hair can have beautiful hair and lots of it if you will just try a little Danderine. Advt.
