PIMPLES ITCHED AND BURNED ON FACE

Scratched and In Week Began to Form On Chest and Neck. Itched So Could Not Sleep. Used Cuticura Soap and Ointment. Entirely Well.

100 E. 127th St., New York, N. Y.—"My trouble first began when I noticed one or two pimples on my face. I scratched and scratched them and within a week they began to form on my chest and neck. They were red and my scratching and irritating started the spreading, and very shortly after I was almost covered with them. They itched and burned so I could not sleep.
