

AUTOISTS WON'T TAKE HAMMOND'S WORD FOR "RECORD" AUTO RUN

Even Ask Who "Bobby" Is and Want Proof of His Coast to Coast Trip.

A question arose in automobile club circles in New York yesterday and simultaneously in San Francisco, according to telegraphic advices from there, as to whether Bobby Hammond broke the transcontinental auto record in 6 days 10 hours and 59 minutes.

departure to the telephone and telegraph girls in the St. Francis Hotel, where he stopped. In telling his story he declared that in crossing the Sierra Nevada Mountains he travelled forty miles through the snow sheds of the Southern Pacific Railway.

The Southern Pacific officials on the coast say such a trip is a physical impossibility. They have no record of an automobile going through the sheds and are making a thorough investigation, as it is against the rules of the company.

Nobody around the St. Francis Hotel saw Hammond start. No one can be found in San Francisco who saw him in a car. Officials of the A. A. A. there and the California Automobile Association deny any knowledge of the man or his car. To doubters, Hammond merely smiles and challenges every statement differing from his story.

Father Boyle Dies Suddenly.

The Rev. John Joseph Boyle, pastor of St. Luke's Catholic Church, died suddenly yesterday afternoon in the rectory, No. 620 East One Hundred and Thirty-eighth Street. He had heart disease, but was not confined to his bed. He was pastor of St. Luke's nineteen years and was ordained thirty-one years ago. Brother Frank, is the only near relative surviving.

Guests Go by Special Train To the Paige-Edey Wedding

MISS JULIA EDEY

A special train to and from Bellport, L. I., will convey the guests to the marriage, to-morrow, of Miss Julia Edey and Mr. Douglas W. Paige, which will be celebrated in the country home of the bride's parents, Mr. and Mrs. Frederick H. Edey, whose town house is at No. 10 West Fifty-sixth Street. The ceremony will be performed by the Rev. Joseph Smythe, rector of Christ Church. Mr. Paige's ushers will be Messrs. Douglas Campbell and Richard Warner, his cousins; Bevis Coulson, his brother-in-law, and Frank A. B. Washburn, Mrs. Frank A. P. Washburn, a cousin of the bride, will be the matron of honor, and another cousin, Miss Elizabeth Clarkson, and Miss Kathryn Baldwin will be bridesmaids.

MRS. NAT GOODWIN ILL.

Undergoes Serious Operation in St. Elizabeth's Hospital.

It was learned to-day that Margaret Moreland, the fifth wife of Nat Goodwin, actor, is ill in St. Elizabeth's Hospital, where she underwent an operation Wednesday. At the hospital it was said the operation had been successful.

It was admitted that the operation had been a serious one, but those in charge at the hospital would not discuss it. Dr. Melvin Weik of No. 153 West Forty-sixth Street, who performed the operation, refused to talk about it.

Goodwin has been in constant attendance at the hospital since his wife was taken there. Before their marriage in 1913 she was an actress in his company, and later his private secretary.

She nursed him back to health on one occasion when he was badly hurt in California.

Bursting Temples TAKE DR. GREENE'S NERVURA FOR HEADACHE

Headache is the commonest form of misery, but it is a fearful warning. By the time you get used to it, headaches your beauty has fled forever. Constant headaches and backaches will wreck your health and your life. They will wreck your disposition and make you old. Other troubles will follow. Drive them back and banish yourself with DR. GREENE'S NERVURA. SOLD BY ALL DRUGGISTS. Dr. Greene will give free medical advice by mail if you write to his office and laboratory, 507 Albany St., Boston, Mass.—Advt.

MOTION PICTURE NOTES

It took Theda Bara just five months to learn to speak French. Carlisle Blackwell can trace his ancestry back to the Mayflower. Violet Merceau, film star, complains that she has had too much publicity.

Florence Rose, fashion expert, has been engaged by Pathe to put on a reel of styles in clothes twice a month. Olive Trevor, Charmine Mayfield and Gary McCarry have been engaged by the Vitaphone.

Frank Wupperman has begun work in a picture in which he appears as a newspaper publisher. Before taking up acting Mr. Wupperman was a newspaper writer.

Lorraine Huling has been engaged to play Cordelia in the Transiometer Corporation's production of "King Lear." Frederick Warde has the title role.

Norma Talmadge, Triangle star, has arrived in New York from the Pacific Coast accompanied by John Emerson, who directs her acting. They will begin work in the near future on a new feature in which Miss Talmadge is to be starred, using the old Reliance studio, at Riverdale, which the Triangle has acquired.

At the Madison Square Fashion Show to-night Fanny Ward will auction a program of the Actors' Fund benefit, held recently at the Metropolitan Opera House. She paid \$200 for it. It bears the signatures of Geraldine Farrar, Fritz Koeniger, Leopold Godowsky, Georgia Polacco, Antonio Scotti, Edna May and other notables. Miss Ward will give the money to the Actors' Fund.

On June 7 the Universal is to close its studio at Fort Lee and move most of the acting forces there to Universal City, at Hollywood, Cal. Among those who will be affected by the change are King Baggott, Violet Merceau, Mary Fuller, Billy Garwood, Roy Fernandez, Ben Wilson and Harry Benham. Director William (Bill) Bailey, who is making the "Lucifer" comedies, will probably go West, accompanied by his players. These are Jennie Nelson, who plays Lucile, Paul Panzer and Nellie and Charles Statters.

Forty New York newspapermen went to Bayshore, L. I., yesterday in big automobiles, where they were the guests of Ralph Ince, at the Vitaphone-face studios. Louis J. Beck, Mr. Ince's personal representative, accompanied them. The newspapermen were shown a film called "The Destroyers" and then had dinner. Two miles this side of Amityville one of the big automobiles broke down and the party was delayed half an hour.

Bartley Cushing, while making a scene for "The Fall of a Nation," exploded 150 sticks of dynamite out near Los Angeles. Just before the blast was touched off a Flivver auto came along. After the explosion the driver of the car hopped out of his machine, examined the tires, hopped back and sped away. He thought a tire had blown out.

To Turn City's Clocks Ahead. Borough President Marks yesterday arranged a meeting of prominent city merchants for next Monday for the discussion of the proposition to move the city's clocks forward one hour. In a circular letter to the merchants Mr. Marks said turning the clock ahead would benefit health, save artificial light, give an additional afternoon hour for recreation, produce more efficient work in industrial plants and improve sleeping conditions.

Like A Boy at 50 Bubbling Over With Vitality—Taking Iron Did It

Doctor Says Nuxated Iron is greatest of all strength builders—Often increases the strength and endurance of delicate, nervous folks 200 per cent. in two weeks' time.

NEW YORK, N. Y.—Not long ago a self-made man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. It was astonishing to find him with the blood pressure of a boy of 20, and as full of vigor, vim and vitality as a young man; in fact, a young man he really was, notwithstanding his age. The secret he said was taking iron—nuxated iron had filled him with renewed life. At 80 he was in had health; at 46 carsworn and nearly all in. Now at 50 a miracle of vitality and his face beaming with the buoyancy of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only throw away patent medicines and nauseous concoctions, and take simple nuxated iron, I am convinced that the lives of thousands of persons might be saved, who now die every year from pneumonia, grippe, consumption, kidney, liver and heart trouble, etc. The real and true cause which start their diseases was nothing more nor less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it, and as a consequence you become weak, pale and sickly looking. Just like a plant trying to grow in a soil deficient in iron, if you are not strong or well you owe it to your
