

POLITICAL LEADERS TAKE DAY OFF AND GO VISITING

Hughes at Brown University, McCormick Cheers Yale and Others Rest.

College sports put out of commission to-day both Democratic and Republican national political campaigns. Headquarters in New York were deserted while the leaders visited college towns.

As the Republicans have not set up their campaign organization, Charles E. Hughes is for the time being both Presidential candidate and campaign manager. He took the whole Republican staff with him to Brown University and was Charles Hughes, 81, with a lot of other old fellows made young again for to-day. Vance McCormick, chairman of the Democratic National Committee, was cheering his best for Yale's baseball team to-day in its battle with Harvard.

'WHITE HOPE' GETS TEN DAYS

Tom Cowler, Protege of Corbett, Indulged in Flatulents.

Tom Cowler, prize fighter, better known as Jim Corbett's newly discovered "white hope," was sentenced to ten days in the Workhouse by Magistrate Sumner in the Morrisania Police Court this morning on a charge of dis-

given the same sentence on the same complaint. James Salven, a special officer in the Classon Point Amusement Park, was the complainant. He was nursing a badly bruised right eye, which, he said, Cowler gave him last night, when he and fourteen others tried to force their way into one of the dance halls.

CHAPPED HANDS A HORRIBLE SIGHT

With Blisters and Sore Eruptions. Itching so Severe. Almost Always Bandaged.

HEALED BY CUTICURA SOAP AND OINTMENT

"In the winter time my hands chapped and these appeared blisters and sore eruptions which would dry up and heal. I would scratch and it would result in bleeding and irritated hands and I could not sleep nights. The itching was so severe that my hands were swollen and inflamed and were almost always bandaged for they were a horrible sight. I was not able to put them in water. I felt very miserable. I suffered about three years. I saw Cuticura Soap and Ointment advertised so I tried them and after using the first box I had relief. I am now able to do my own work after using Cuticura Soap and Ointment for about five months, and I am completely healed." (Signed) Mrs. R. Leifer, 1559 Eastern Parkway, Brooklyn, N. Y., Sept. 13, 1915.

Sample Each Free by Mail With 32-p. Skin Book on request. Address post-card "Cuticura, Dept. T, Boston." Sold throughout the world.
