

UNWRITTEN LAW FAILS TO FREE TEXAS WOMAN

Young Mrs. Harriet Condit of Shiloh, aged 43, was sentenced to five years in the Penitentiary.

PORT WORTH, Tex., June 29.—Mrs. Katherine Vance Harrison was convicted today of killing William L. Warren, sixty years old, proprietor of the Southern Hotel, on a lonely road near here on Jan. 22 last. The jury had been out since Saturday. When the verdict was announced, Mrs. Harrison collapsed and many women pressed forward to try to comfort her. She was sentenced to five years' imprisonment, but a motion for a new trial was granted and she was released on bond.

STRIKE PARALYZES AUTO BUS LINES ALL OVER CITY

Chauffeurs Still Out, and No Answer Has Been Made to Arbitration Offer.

Only eight buses ran on Fifth Avenue today from Washington Square to Nineteenth Street and Seventh Avenue and Riverside Drive services were suspended, owing to the strike of the Fifth Avenue Coach Company's 250 chauffeurs. A number of the chauffeurs lounged about the offices of the company at No. 10 East One Hundred and Second Street, and seemed inclined to go back to work, but no official answer has been made to the letter of Pres-

dent Meade of the company seeking an adjustment of the trouble. The men want a flat rate of \$3.50 a day for ten hours of work and the re-employment of men now discharged. They ask for a definite recognition of their union. The company says that the men were dropped for reasons of their own making. The present pay is \$2.75 a day per hour, raised to \$3.00 on Jan. 1, 1916.

Woman's Body in Room a Week. The body of Mary Margaret Kelly, 33-year-old, was found today in a room at the Hotel New York. She had been dead for a week. The woman had been seen to enter the hotel on Monday and was not seen since. She was wearing a white dress and a white hat. The body was found in a room on the second floor. The police are investigating the case.
