**OLD DIVORCE RECORD  
ENDS LEGAL FIGHT FOR  
ESTATE OF A RECLUSE**

It Establishes Right of Relatives  
of Mrs. Mackey's Father to  
\$125,000 Left by Her.

A seventy-seven-year-old divorcee has established the legitimacy of the late Josephine Rockett Mackey, a Darien, Conn., recluse, who left an estate of \$125,000, found hidden in her home, and has resulted in the distribution of her Connecticut estate to descendants of her father's first wife, who died in 1829 and whose bones perhaps now lie under the feet of children playing in Hudson Park. This precludes contest of a Surrogate's decision distributing the New

York holdings of \$96,800 to paternal relatives by maternal kinfolk who had filed notices of appearance through lawyers in Stamford, Conn. Attorney W. J. Carlin of this city obtained from Supreme Court Justice Coburn an order to see a divorce decree granted in 1840 to Rebecca Rockett, Mrs. Mackey's mother, from John Rockett, if told of a former marriage of Mr. Rockett to Amanda Carson.

Mr. Carlin had anticipated relatives of Mrs. Mackey's mother would attack the validity of one of Mr. Rockett's marriages as the only means to establish their claims over those of the descendants of the first Mrs. Rockett. Mrs. Daisy Beers Wheeldon, executrix of the New York estate, remembered that a record in her grand-mother's Bible gave the date of her great-grandmother's death as May 4, 1829, and her name as Amanda Carson Rockett. Trinity burial records confirmed this.

The divorce decree gave the date of the second marriage as Sept. 28, 1829, and mentioned an infant child, Josephine, \$10,000 before the Surrogate's proceedings at Stamford Mr. Carlin hurried up with this eleventh-hour discovery.

**TWO YEARS IN PRISON FOR  
BOPP; FINED \$10,000**

German Consul General and His  
Aids Sentenced for Viola-  
tion of Neutrality.

SAN FRANCISCO, Jan. 22.—Consul General Franz Bopp of Germany was sentenced yesterday by Judge William H. Hunt in the United States District Court to two years in the Federal Prison at McNeil's Island, Wash., and a fine of \$10,000 for violating the American neutrality laws. The prison and jail terms are to run concurrently. Three of Bopp's aids, Vice Consul E. H. von Schack, Lieut. General Wilhelm von Brincken and C. C. Crowley, a secret agent, received like sentences. Mrs. Margaret W. Cornell, Crowley's secretary, was given concurrent prison and jail sentences of one year and one day and of one year. Bopp and the others were convicted of conspiring to violate American neutrality by setting afoot a military enterprise against Canada in aid of Germany and of conspiring to violate the Sherman law by dynamiting munitions ships. The first is a felony, for which all except Mrs. Cornell received the maximum prison sentence. The second is a misdemeanor, and the defendants, except Mrs. Cornell, received the maximum sentence.

**HARRIMAN WAS BLIND  
TO RICHES OF OIL LANDS**

Let Railroad Sell 640 Acres at  
\$2.50 an Acre, Story Told in  
Government Suit.

Sale of 640 acres of most valuable oil lands in California was permitted in 1909 by E. H. Harriman at \$2.50 an acre it developed in the Federal Court yesterday. Mack and Keith, who bought the land, later received \$4,000,000 in four years for oil supplied to the Southern Pacific from those lands.

The United States Government is suing to recover 145,000 acres of California oil lands and \$75,000,000 from the Southern Pacific Railway, on the allegation that the company got the lands by fraud. They are in the San Joaquin Valley and are part of the vast original Government land grants of which 5,000,000 acres of timber in California and Oregon have already been recovered through Congress on the ground of breach of contract. The constitutionality of the act reconveying the timber lands is being tested by the company in the courts.

Julius Kruttschnitt, Chairman of the Southern Pacific Executive Committee, testified that although the road began to use oil locomotives in 1909, the lands were not "discovered" and conserved until 1902.

**UNDRAPED MODEL O. K.**

Woman School Head Causes With-  
drawal of "Movie" Case.  
Because Miss Clara Fuller, President of the Civic League and Principal of the Ossining School for Girls, did not agree with the opinion of Dr. Anna Scripps of the League's Census Committee that an artist's undraped model was an improper spectacle, it was decided after a meeting of the uplift forces in Ossining last night to withdraw the complaint lodged by Village President Twigg against Louis Rosenberg, proprietor of the moving picture house where the spectacle was screened. Miss Fuller saw the picture through and told Mr. Rosenberg afterward that it was a beauty, which was more than she could say for some of the others. She repeated this statement last night.
