"We all volunteered and so the Captain had to do his own choosing. He took Capt. Oliver and other members of the crew. He took Miller because his first name was Wilhelm.

Those named on the Bronx Fusion ticket were Thomas Whittle for Borough President, T. C. Froeschel, District Attorney, Eugene McGuire Jr., Sheriff, Bernard Hahn, Register, and Patrick J. McMahon, County Clerk.

TAMMANY FEARS HEARST PETITIONS MEAN HE WILL RUN

Editor, Now in California, May Not Feel Bound by His Manager's Agreements.

Some Tammany leaders anticipate that William Hearst will see no time in deciding to run in the primaries against Judge John F. Hyman.

Other Tammany leaders are pessimistic over the outlook. They say that Mr. Hearst will not consider himself bound by the promises of his political manager and he may decide to go into the primaries in an effort to show that the Fusion Committee made a mistake in not nominating him.

Mr. Hearst's political manager says he doesn't know what Mr. Hearst will do. As far as the petitions which were filed in Mr. Hearst's behalf last night are concerned, they were circulated and filed against the wish of the political manager.

TWO OF TEN AEROS BROUGHT DOWN IN RAID NEAR LONDON

Eleven Persons Killed When Bombs Are Dropped in Dover and Margate.

LONDON, Aug. 22.—Ten enemy aeroplanes raided England to-day, dropping bombs over Dover and Margate. Lord French, Commander-in-Chief of Home Defense Forces, announced that two of the German flyers have been brought down.

Eleven persons were killed and thirteen injured at Dover. The state reports the raiders were unable to penetrate far inland.

The text of the communication follows: "Ten enemy aeroplanes approached the Kentish coast, near Ramsgate, about 10.15 A. M. Being met and heavily engaged by machines of the Royal Flying Corps and Royal Naval Air Service, and also by gunfire from anti-aircraft guns, the raiders were unable to penetrate inland."

"A small party travelled west to Margate, but then turned homeward. The remainder skirted the coast to the south as far as Dover. Bombs were dropped at Dover and at Margate."

"Casualties reported up to the present were eleven persons killed and thirteen injured at Dover. At Ramsgate the hospital and a number of houses were damaged. Two enemy machines were brought down by anti-aircraft guns, and by our own aeroplanes."

The seaside town of Margate, which has been bombed twice by German aeroplanes, is purely a residential and pleasure resort. There are no military establishments of any sort in Margate except hospitals for convalescents. The town has had thousands of visitors this summer, many of them going there in the mistaken belief that the Germans might respect a place of that character.

For the first time in months Germany used aeroplanes in a raid last night off the Yorkshire coast. A statement to-day issued by Lord French said the dirigibles had been sighted off the Yorkshire coast and one had attacked points around the mouth of the River Humber, dropping bombs, then making off toward the sea.

"The damage done was slight," the statement said. "One man was injured."

Margate and Dover are in Kent, near the mouth of the Thames. Possibly the German raiders were bent on following the Thames up to London.

The Humber River and Yorkshire is at least 165 miles north of the Thames. Hull, one of the great ship-building centres in England, is located a short distance up the Humber.

Only Army and Navy Men Will See Contest at Fort.

Once more there is to be big league Sunday baseball in New York. At 10 o'clock next Sunday morning the Cubs of Chicago will play the Brooklyn National League team in a nine-inning finish at Fort Hamilton—weather permitting.

Nobody who doesn't wear the uniform of the army or navy will be admitted, but there will be several thousands of fans for all that. Not only the soldiers who are now at the fort, but also whole companies from Fort Wadsworth and Fort Hancock and other military centres not too far away will be present. Not a ticket is to be sold, not a nickel collected. So the players do not expect to be arrested.

T. R. SURPRISED BY REPORT HE MAY BE SENT TO RUSSIA

Roosevelt Hadn't Heard He Was to Command Army of 100,000 or That Kerensky Wanted Him.

Col. Theodore Roosevelt registered surprise when informed to-day at his home of Custer Way of a report received in Washington that the Government would ask him to take command of an army of 100,000 men for service on the battle front in Russia. His surprise was genuine.

"This is absolutely new to me," he said. "The matter has not been broached to me by anybody. This is the first intimation to me that Kerensky had asked this country for an army man."

"I had been given to understand that the Root Commission to Russia was almost unanimously against sending any of our soldiers there. Of course, in the absence of any definite information, I cannot discuss the matter in any way."

The Washington report has it that the Roosevelt expeditionary force will consist of 100,000 men, to be drawn from the National Army. It is asserted that the report that the Colonel is to be given a command and sent to Russia comes from inside Administration circles.

BAILEY ON STAND AGAIN IN SEASIDE PARK INQUIRY

Ordered to Submit Records of Alleged Deal With Reynolds to Grand Jury.

Inquiry into the transfer of Seaside Park to the city was resumed to-day by the Grand Jury when Frank Bailey, Vice President of the Title Guarantee and Trust Company, returned to the stand to continue his testimony regarding the transaction alleged to have taken place between him and ex-Senator William H. Reynolds.

Mr. Bailey was ordered to submit all papers and records of this transaction to the Grand Jury to-day, after ex-Senator Reynolds had told Assistant District Attorney William Harman Black and Edwin H. Kilroe that he (Bailey) had bought his share in the Neponset Realty Company.

According to the investigators, ex-Senator Reynolds declared that Mr. Bailey had paid him \$13,000 and a tenth interest in the Alert Mining Company. Records of the deal are now being investigated.
