

51,000,000 Bushels on 20,000 Acres of Range Oil Lands.

WASHINGTON, Nov. 13.—Secretary Lane announced today that 20,000 acres of Owyhee Indian land in Idaho Territory offered for leasing yesterday, will for \$1,000,000 lease. The Owyhee have long been the richest people per individual in the world.

## The End of Your Corns

Pain Stops at Once—Corns Lifts Off Clean.

There is nothing in the world like "Gels-It" for corns. Just apply it according to directions, the pain stops at once and then the corn lifts off as clean as a whistle. No pain, no blister, no danger. "Gels-It," you know, is safe. Millions have used it more than all other corn remedies combined, and it never fails.

Don't Waste Time "Hollering." "Gels-It" Never Fails.

There is no need for you to go through another day of corn agony. But be sure you get "Gels-It." Accept nothing else, for remember, there is positively nothing else as good. "Gels-It" never irritates the live flesh, never makes the toe sore.

You can go about as usual with work or play, while "Gels-It" does the magic, does all the work. Then the corn peels right off like a banana skin, and leaves the toe as smooth and corn-free as your palm. Never happened before, did it? Guess not. Get a bottle of "Gels-It" today from any drug store; you need pay no more than 25c, or send on receipt of price by St. Lawrence & Co., Chicago, Ill.—Advt.

## URGE CLEMENCEAU AS HEAD OF NEW FRENCH MINISTRY

Public Welcomes Fall of Painleve Cabinet and Seeks a Real Leader.

PARIS, Nov. 14.—The Painleve Ministry goes out without many regrets, after having dragged out its existence for two months. Its fall had been discounted for the last two weeks but the abrupt manner of its passing came as a surprise. The feeling of the public and the press is voiced fairly but plainly by Gustave Hervé in La Victoire. He says: "The consistent enemy of ministerial crises in wartime, this is the first occasion upon which this journal has rejoiced at the fall of the cabinet. I admit that I experienced the same anxiety that passengers on a liner feel when they see that the captain has lost his head during a storm."

All the morning newspapers agree that what is needed imperatively is a real leader, but they say President Poincaré will find it a most difficult task to hit upon such a man.

The name most frequently mentioned in that of former Premier Clemenceau. "The Tiger," as the former Premier is nicknamed, would undoubtedly be welcomed by the general public and the army, for he is known as the exponent of the big stick, and it is believed he would

stamp out Bolshevism radically and rapidly. That is what the people desire. M. Clemenceau, however, is faced also with the implacable and openly proclaimed hostility of the unified socialists, who never have forgiven his drastic methods in dealing with labor troubles when he was Premier. Former Premier Viviani and Barthou and Jules Paine, former Minister of Agriculture, also are spoken of in connection with the Premiership.

## Make Your Own Cough Syrup and Save Money

Better than the ready-made kind.

The finest cough syrup that money can buy, costing only about one-fifth as much as ready-made preparations, can easily be made up at home.

Any druggist can supply you with 2½ ounces of Pinex (60 cents worth). Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 65 cents and gives you a full pint—a family supply—of a most effective, pleasant tasting remedy. It keeps perfectly.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the inflamed or swollen throat membranes, and gradually but surely the annoying throat tickle and irritating cough will disappear entirely. Nothing better for bronchitis, asthmatic cough, whooping cough or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is known in the world over for its prompt healing effect on the throat membranes. Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.—Advt.

## 1,000 Overcoats at \$29.50

"It's a shame to sell one of these coats for less than \$50," said a clothing expert (not a Wanamaker man). "I don't care what they cost you. I'll pay you \$7 more than they cost, and take 'em all." We smiled. People can't understand us at all.

These coats are our \$40, \$45, \$50 grades.
