

BARGE DERAILS CARS.
Firemen Barely Escape as North River Craft Goes Down.
A coaling barge of the Richard Fitzpatrick Company caught fire this morn-

ing at Pier No. 8, North River, turned over and sank and almost carried two freight cars loaded with fruit down with it. The boom of the coaler caught the freight cars, which were on a barge at an adjoining pier, and derailed them.

The fire in the coaling barge was in the boiler room, and firemen had a hard time getting at it. They cut holes in the deck. When the barge began to list rapidly Deputy Chief Heim called off his men, who had none too much time.
