

BY AIR TO ST. LAWRENCE.

Sea Plane Trip From Rockaway Will Follow State Waterways.
Lieuts. Virgil McKenna and George Post of the American Flying Club will start on an air voyage in a flying boat from Rockaway to the St. Lawrence to-morrow.
The object of the trip is to establish an inland seaplane route between New York and the Thousand Islands along

waterways of the State. Following the Hudson and Lake George, the course will continue over Lake Champlain, then down the Richelieu River and up the St. Lawrence to Alexander Bay, where the air boat will be put in operation for passenger work during the summer.

Confidence

More than 13,000 women and 22,000 men make up the list of the owners of Swift & Company.

Every state in the Union is represented.

Of this great enrollment more than 10,000 are employes of Swift & Company who own shares in the business.

An additional 13,000 employes are buying shares on deferred payments.

These men and women have confidence in the company's policies, its integrity and purposes. That is why they invest their savings in shares.

Swift & Company has been paying dividends regularly for 34 years. The present rate is 8 per cent.

Swift & Company shares are bought and sold on the Chicago and Boston stock exchanges.

The company itself has no shares for sale.

The shares represent actual, tangible values. There is no water.

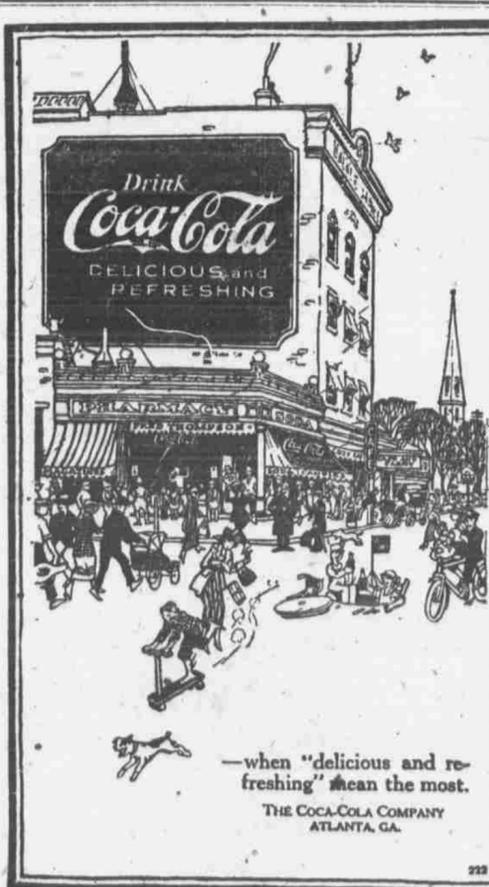

Anybody—livestock man, retailer, or consumer—may buy them and thus become a part owner of Swift & Company.

No one man, no one family, owns as much as half of the stock.

This advertisement is for the purpose of acquainting you with the fact that Swift & Company is not a "close corporation," and that any one may participate in the profits—and share the risks and responsibilities—by becoming a shareholder.
