

consider whether the means adopted by the Legislature are reasonably adapted to the end sought. Until the expiration of a two-year period the Legislature has prohibited ouster of a tenant from his home except in certain prescribed instances...

M'MULLIN A 'HERO,' SAYS WALKER IN CLOSING DEFENSE

Case of Prohibition Agent on Trial for Murder Likely to Go to the Jury To-morrow.

The summing up of State Senator J. J. Walker in defense of Prohibition Agent Stewart McMullin, charged with the murder, March 11, of Harry Carlton in a liquor raid, drew a great crowd which overflowed into the corridors to-day. Among the spectators was Mrs. Evelyn Moore, the good-looking young woman who passed as the wife of McMullin at the Hotel Claridge.

former New York first baseman, was found guilty of gambling. In addition to Heydick, Charles Stensham of the New York Giants, J. C. Jones of St. Louis, and other baseball owners in Chicago attending the joint meeting of managers to reorganize baseball, were subpoenaed to appear this afternoon.

The Grand Jury was scheduled to hear testimony of twenty-two witnesses. Replegher declared that a night session would be held. It was indicated that special attention would be paid to baseball pools and the Grand Jury is expected to make some recommendation as to whether or not they are a form of gambling harmful to professional baseball.

11 CLUB OWNERS JOIN IN CHALLENGE TO BASEBALL WAR

CHICAGO, Oct. 19.—Ban Johnson, President of the American Baseball League, will return here to-day and it is expected that he will at once take up the challenge of the eleven club owners who at a meeting just held here have passed resolutions to the effect that they will give the other clubs until Nov. 1 to join with them in a plan to reorganize the game completely.

FRANCE AND BRITAIN THREATEN POLAND

WARSAW, Oct. 19.—Occupation of Vilna by Polish irregulars violates the armistice and violates pledges to the Allies and the League of Nations, France and Great Britain declared in a note handed the Polish Government to-day.

BRITISH COAL STRIKE PROBLEM TAKEN UP BY PARLIAMENT

(Continued)

necessary to threaten a strike in order to get something. Any government acting with responsibility would only give way, he declared, when it was assured that the demands were justified. A government doing less would be failing in its duty.

BOY KILLED, WOMEN HURT IN ELEVATORS

A boy identified as Peter Wingate, of No. 545 West 4th Street, a messenger for the Title Guaranty and Trust Company, No. 176 Broadway, fell four floors through the elevator shaft of the company's building shortly after noon to-day and was instantly killed.

Two women were injured—one seriously—when the elevator in a six-story apartment house at No. 230 West 116th Street dropped from the top floor to the basement with a crash at noon to-day.

NEW JERSEY BANK MURDER ANOTHER ELWELL CASE

(Continued)

Apparently Paul's woman acquaintances were not of the usual money-seeking women of loose morals. They belonged to the middle class and were, of course, well dressed and many years younger than he.

TAFT MAKES FIRST PUBLIC SPEECH FAVORING HARDING

(Continued)

Other parts of Mr. Taft's speech were intensely interesting in that they denounced Mr. Wilson's attitude toward counsellors even during the war. Mr. Taft said public opinion alone forced the President to select able men to make America effective in its war organization.

OHIO AND INDIANA ARE SAFE FOR COX, WHITE ASSERTS

(Continued)

George White, Chairman of the Democratic National Committee, now in Chicago, sent a message to headquarters to-day in which he said: "Ohio is assured for Cox and Roosevelt. The same is true of Indiana, and the Southern border States are safe for democracy at Texas. Western Chairman Doremus turned over his reports to me to-day, and they revealed a West and a Northwest burning like a flame for the League of Nations."

COAL FOR ALL, SAYS COPELAND

(Continued)

Assurances that production of anthracite coal should be above normal by Oct. 30 were received to-day by Health Commissioner Copeland from coal distributors. He also was informed, he said, that the 3,000,000-ton shortage in anthracite production described in Government reports was slowly being made up.
