SMITH LEADS BY 14,637, BUT 867 MISSING DISTRICTS UP-STATE WILL BEAT HIM

Republican Tidal Wave Gains Big Majorities in Both Branches of Legislature.

WADSWORTH A VICTOR.

Harding Even Carried Leader Charles F. Murphy's District in the Sweep.

Gov. Smith had 14,637 plurality for reelection over Judge Miller in the 6,441 districts which had been counted and reported up to late this afternoon. The missing 867 districts were all up State. The New York City districts, in which Smith had the greatest of his strength, gave him, complete, 219,611 plurality.

The average plurality of Miller in up-State election districts which have been counted is eighty-two. If the 867 missing districts maintain this average Miller's final plurality would be 55,467, according to his managers. Gov. Smith took an airing this afternoon with John F. Gilchrist, Commissioner of Licenses. He did not go to his headquarters at the Biltmore.

Joseph Proskauer, the 80th campaign manager, said today that he still had faith in a Smith victory, inasmuch as the returns from up-State were not official but merely represented the hopeful estimates of the Republican County Chairmen stimulated by the tremendous victory for Harding, whose State plurality seems likely to reach 1,272,595.

Harding carried every County in the State with the possible exception of Hamilton. He is the first Republican Presidential candidate to carry New York City since McKinley defeated Bryan in the sound money campaign of 1896.

Senator James W. Wadsworth was decisively re-elected against Lieut. Gov. Harry C. Walker. The remainder of the Republican candidates for State offices were all successful.

Harding carried all boroughs of New York City by pluralities exceeding the predictions of the Republican leaders; he even carried Charles F. Murphy's own district as well as those of Fire Commissioner Deenahan and Senator Dan Carroll, always regarded as impregnable Democratic strongholds.

Twenty-five Republican Congressmen were elected, a gain of five for the party in the New York delegation. Smith carried the City and County of Albany. Albany County has not been carried by a Democrat in twenty years. Smith carried the city, the borough of William Barrow, by 1,082; Cohoes by 622 and Waterford by 835, and his plurality in the county was 1,729.

While several city districts are yet in doubt, the Republicans will control the Legislature with about 25 of the 60 Senators and 115 of the 150 members of Assembly with an indicated

PRESIDENT WILSON MAINTAINS SILENCE

Goes on Porch to Enjoy Warm Sun—Colby Depressed, He Says.

WASHINGTON, Nov. 3.—President Wilson was up early this morning and after breakfast spent some time on the south porch of the White House enjoying a warm sun.

White House officials said they did not expect the President to make any statement to-day on the result of the election. The Republican candidate has had no apparent effect upon President Wilson's health. Rear Admiral Cary T. Grayson, his personal physician, said today after a visit to the President at noon. Mr. Wilson, it was said at the White House, did not vary from his usual routine to-day.

Secretary Colby of the State Department declared he was "disappointed and depressed." However, he added: "I cannot but feel confidence that in some way and by some avenue not at the moment disclosed this country will set up to the highest concept of duty."

MADMAN STABS GIRL LEAVING TAXI AT THE WALDORF

Incensed at Fine Clothes and Never Saw Victim Before, Says Prisoner.

Alighting from a taxicab at the 34th Street entrance of the Waldorf-Astoria with her mother to-day, Miss Dorothy Stauffer, twenty years old, a school girl of Scarsdale, Pa., was stabbed twice in the breast with a butcher knife by a shabby, demented Swiss cook, out of work.

Her assailant was set upon by a 34th Street crowd of men and women who heard the screams of Mrs. Stauffer. Brandishing the knife the man ran to Fifth Avenue, where he was knocked down and disarmed by Policemen Doyle, in charge of traffic at the crossing. The man said he was Albert Mariani of No. 251 West 33d Street.

"I never saw the young woman before," he said. "But for two or three days I have been wandering the streets hungry and cold and unable to get work and the sight of that girl with her beauty and her useless expensive clothes going into the Waldorf made me so mad with anger."

Miss Stauffer was carried into the Waldorf, where she was attended by physicians. She was later removed to New York Hospital in an ambulance. It was said there that unless complications set in no injuries would be fatal.

BRITISH COAL STRIKE ENDS.

Miners' Executive Calls It Off, Although Men Voted to Go On. LONDON, Nov. 3.—(Associated Press)—The executive officers of the Miners' Federation have decided to declare the coal strike ended and advise the men to resume work. This action was rescinded upon at a referendum of the executive to-day although the ballot of the miners showed a majority of more than 200,000 against accepting the Government settlement proposals.

GOV. COX PLEDGES HIS SUPPORT TO VICTORIOUS RIVAL

Wires That He Accepts Decision of Majority and Offers Congratulations.

DAYTON, O., Nov. 3.—GOV. JAMES M. COX to-day sent his congratulations to Senator Warren G. Harding, thus formally conceding his defeat. His message follows: "In the spirit of America I accept the decision of the majority, tender as the defeated candidate, my congratulations and pledge as a citizen my support to the executive authority in whatever emergency might arise." "JAMES M. COX."

HARDING TO TAKE REST IN TEXAS AND CANAL ZONE

Leaves Saturday on Vacation to Last Until Mid-December.

MARION, Nov. 3.—No longer a party nominee, but President-elect of the United States, Warren G. Harding turned his thoughts toward rest and recreation to-day before approaching the formulation of his administration machinery and policies.

He plans to take a real vacation trip, which will give him two weeks of seclusion on the Texas coast and a week of scouting in the Panama Canal Zone before he goes seriously to work choosing his Cabinet and mapping the work he is to do after March 4.

A few day ends of the campaign remain to be cleared away from his desk first, and he will devote the next two or three days to rounding up his affairs here. He probably will leave Saturday morning, not to return again until about mid-December.

In Texas President-elect and Mrs. Harding will be the guests of F. E. Scooby, who was a leader in the Harding pre-convention campaign and since then has been connected with the nominee's headquarters here.

Mr. Scooby has been the Senator's personal friend for several years, and is expected to be his companion in his hunting and fishing expeditions.

On Jan. 1, when election figures indicate that Gov. Cox will be succeeded in this State by Harry L. Davis, a Republican, Mr. Harding probably will resign his Senate seat.

Because of the slender Republican margin at present in the Upper House he does not desire to step out sooner and let the Governor fill the vacancy by appointing a Democrat.

PICKING RUMELY JURY.

Conspiracy Charged Against Part of New York Editor. Examination of testimony is in progress today in the Federal Court before Judge William J. Grubb to obtain a jury to try Dr. Edward A. Rumely, S. Walter Kaufmann and Norvin B. Lindheim, who were indicted on a charge of conspiracy to defraud the United States Government through making an alleged false report to the Alien Property Custodian, concerning the alleged German ownership of the New York Evening Mail, of which Rumely was then editor.

BIG REPUBLICAN GAINS MADE IN SENATE AND HOUSE

G. O. P. Majority in Upper Branch of Congress Is Placed at 18.

HOUSE INCREASE IS 22.

Senator Smith Beaten in Maryland—Champ Clark Running Behind.

Republicans control of Congress for another two years, with an increased House majority and a prospective increase in the Senate was a major part of the election sweep. A net gain of twenty-two votes in the House was shown with complete returns from only seventeen States, but with most of the Democratic atrocious reporting.

Eight of the fifteen Republican Senatorial candidates were returned winners. The seven others had substantial leads, while in ten other States all of the Republican entrants were reported leading.

For the nineteen Democratic Senate seats nine of the minority party had been returned winners—all from Southern States—while in the border and some Western States the others were fighting an uphill battle.

In Maryland, Orlando E. Miller, Republican, opponent of John Walter Smith, had a majority of about 12,000 with but 119 precincts missing. The Baltimore Sun (Democrat) conceded Smith's defeat by 12,000 or more.

In Oregon Robert H. Stanford, Republican, was leading Senator George E. Chamberlain. The latest figures indicate the new Senate will be: Republicans 57 Democrats 39 Republican majority 18

In California Samuel Shortridge, Republican, was in the lead over Senator Phelan. In Nevada Tasker L. Odde, Republican, appeared a winner. Senator Spencer, Republican, was re-elected in Missouri. Samuel D. Nicholson, Republican, appeared victor in Colorado, and Peter Norbeck, Republican, in South Dakota.

In Idaho F. R. Gooding, Republican, appeared winner, and Wesley L. Jones, Republican, apparently was re-elected in Washington. In Illinois Congressman William B. McKinley had a big lead.

The Republican membership in the House was raised from 233 to 254 according to estimates.

Others who were re-elected on the Republican ticket are Senators Brandegee (Conn.) and Moses (N. H.), both "bitter-enders" against whom hard fights were made. In Georgia Tom Watson, former Populist, who won the Democratic nomination at the primaries, was easily re-elected in Indiana. Senator Watson of Indiana, Republican, carried the State by a handsome majority over Thomas Taggart. Wadsworth achieved a sweeping victory in New York in spite of the opposition of many women on the suffrage question.

TAMMANY ELECTS ITS FOUR JUSTICES BY NARROW MARGIN

Swann Runs Behind Slightly—Republicans Win Five in Kings.

Returns to date in the Judiciary contests indicate a close division among Democrats and Republicans in the election of Supreme Court Justices in the First and Second Districts. The election of the four Tammany nominees appears certain in the First District and the five fusion nominees have won. In the Second District the race is close, with the Republicans apparently successful in securing their five nominees.

The 1st District, which includes Manhattan and the Bronx, gave a plurality of from 4,000 to 5,000 for the Tammany nominees, who were Francis P. Martin, William B. Burr, Edward McAdams and Edward Swann. Swann was little affected by the opposition of the Bar Association. Although his vote was smaller than the other Tammany nominees, the difference was only 1,000 between him and Burr, who led the field. The successful fusion nominees were Fred. Guy, George H. Platten and Erlanger.

HARDING'S LEAD OVER COX EXCEEDS 6,000,000 BALLOTS; GETS 394 ELECTORAL VOTES

Republicans Win Thirty-Six States for Presidency to Eleven for Cox—Oklahoma Alone Is in Doubt—G. O. P. Elects 26 Governors.

What Harding and Coolidge did yesterday: Carried 36 States, with Oklahoma in doubt. Accumulated 394 electoral votes, the largest number ever gained in a campaign in which the two old parties fought without division.

Rolled up an estimated popular plurality of more than 6,000,000 votes. Carried New York State, including the city, by 1,272,595 majority, of which Greater New York furnished 434,130. Carried Illinois by close to 800,000 majority, and Pennsylvania, Ohio, Indiana, New Jersey and the New England States by majorities far exceeding the wildest estimates of their Republican leaders.

Carried New York City and Boston for the first time since 1896. Carried all the far Western States that went into the Democratic column in 1916, including Arizona, which also elected a Republican United States Senator and a Republican Governor.

Invaded the solid South by carrying Tennessee, which shows a Republican majority for the first time in 52 years. He carried Maryland and West Virginia. Gathered in a great majority of the new woman vote. Created a momentum of votes which carried into office 26 Republican Governors in States outside the solid South, including five Republicans who replaced Democrats in Missouri, Montana, Tennessee, Utah and West Virginia.

Left Cox and Roosevelt only sure of 11 States, viz.—Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Texas and Virginia and possibly Oklahoma.

The country is still rubbing its eyes over the astounding victory won by Harding and Coolidge in yesterday's election. With a popular plurality of approximately 6,000,000 votes, of which the city and State of New York furnished over a million and a quarter, with the whole country outside the Solid South under the Republican banner and even the solid South dented, with both branches of the Congress overwhelmingly Republican, with Republican candidates for Governor victorious in twenty-five out of twenty-six northern States that held State elections yesterday and Judge Miller, the Republican candidate in New York, claiming election—and the belated up-State returns will probably establish the fact—the managers of the Republican campaign feel that they accomplished a pretty thorough clean-up.

The Democrats are still claiming Missouri, Tennessee, Maryland and West Virginia, but these States promise, on the face of the latest returns to go Republican by majorities of 25,000, 18,000, 41,000 and 10,000 respectively.

Surprising news came at noon to-day from Arizona to the effect that Cameron, the Republican candidate for the United States Senate has beaten Marcus A. Ellis Smith, the Democratic holder of the office, who was considered unbeatable. Smith was a Wilson Senator.

HARDING'S BIG VOTE IN THIS CITY.

Harding's majority in the City of New York was 434,130. The Republican membership of the United States Senate was increased from 49 to 57, which means a Republican majority in the Upper House of 18 votes.

The Republican membership of the House of Representatives was increased from 233 to 253 and the Republican majority in the lower branch of the National Legislature from 42 to 74.

The joint Republican majority in the next Congress will be 90 votes. If the Republican lead in the doubtful States holds the electoral vote for Harding and Coolidge will fall only thirty-one behind that rolled up for President Wilson in 1912 when the Republican Party was split and
