

**VITAGRAPH STAR
BRIDE OF PRESIDENT
OF THE COMPANY**

JEAN PAIGE.
Miss Jean Paige, Screen Favorite,
Becomes Wife of Albert
E. Smith.

Miss Jean Paige, screen star, and Albert E. Smith, President of the Vitagraph Company of America, were married this morning in the home of the bride's parents, Paris, Ill. The wedding was a simple one, and immediately after the ceremony Mr. and Mrs. Smith left for a two weeks' trip, the itinerary of which was not announced.

Miss Paige was born in Paris, Ill., came East to college, where she specialized in the study of education for about two years. She declined an offer to appear on the spoken stage, to accept one from the Vitagraph Company about three years ago to play in the "Henry" series then being produced by that company. She became a star soon after that. Her stage and screen experience has been with Vitagraph.

**TOWN BOARD PEEVES
LYNBROOK FIREMEN**

Lively Discussion Over Effort to Prevent Them From Fighting Out-of-Town Fires.

Certain members of Lyncrook, L. E. locally use their apparatus outside the village limits to fight fires. After a resolution was adopted by the board last night, the Village Board of Trustees drew up their minds and issued in the legal advice before determining the matter.

The resolution resolved that a resolution adopted some time ago by the board prohibiting the taking of apparatus outside the village limits by Assistant Fire Chief W. J. Hansen be nullified. The board had no right to restrict the firemen.

After consulting its attorneys the board will decide whether its resolution of restriction shall be rescinded.

BOILER TEST NOT A FARCE.

Boiling Expert Reminds to Defend Charge of Delay.

Frank J. McLean, chief of the Heating and Ventilating Bureau of the Department of Education, will be in town on Friday morning, January 15, to act as expert on the boiler test of the school buildings in the village of Lyncrook, L. E. The test will be held at the school building on the corner of William J. O'Connell, a heating contractor, and the boiler test of public school buildings in the village.

It should be noted that the boiler test is not a farce, as some of the school trustees have said. The test is a serious one, and it is the duty of the trustees to see that the boiler test is not a farce, as some of the school trustees have said.

Dodge's Daughters Not in Auto Plant.

DELAWARE, Dec. 14. Reports that the daughters of Horace Dodge of Foster, Wis., who entered the plant as employees are, are not in the plant here. All necessary provisions to continue the work had been made before Horace Dodge died and no work is expected. The disposition of the estate is not yet known.
