### Toy Towne Notes

Four more days and Old Santa will be climbing down innumerable chimneys to reward all good little boys and girls with the toys they have been longing for.

But with all these things to prepare for, the cheery old gentleman has not failed to keep Toy Towne chockful with his choicest products. He realizes that there is always something to be gotten at the last minute. Something a wee kiddie has pleaded for so long it would break his heart were he not to receive it. So he has left with us lots of Dollies almost as dear and lovable as real babies, Horses just like the live ones, Soldiers on Parade, Games and loads of wonderful things.
