

DEMPSEY-WILLARD BOUT SCHEDULED FOR MARCH 17 IS NOT OF OTHER SURE KNOCKOUT BLOWS - - - By Thornton Fisher

LIMIT PRICE ON TICKETS WON'T AFFECT MATCH MADE BEFORE COMMISSION RULING

According to Terms of Agreement, \$15 as Top Price Would Mean Certain Loss to Promoter, and Boxing Board is Likely to Take This View of Situation—Boxing Congress to Replace Army, Navy and Civilian Board of Control.

By Vincent Treanor.

THE Jack Dempsey-Jess Willard bout isn't off by any means as many seem to think. It is scheduled to be held at Madison Square Garden on March 17, and barring some unlooked-for action, will be held on that date. The contest is not likely to be affected by the recent ruling of the Boxing Commission limiting top prices for seats to \$15 for more reasons than one. This match was made more than two months ago, long before the Commission issued its edict, and according to the terms of the signed articles then agreed to, Rickard is legally responsible to both Dempsey and Willard for sums of money that he couldn't pay under the now existing \$15 limit of prices.

As things stand now Dempsey and Willard can compel Rickard to go through with the match with its certain loss under the \$15 ruling and it would not seem exactly the proper thing for the boxing officials to put in such a hole so upright a promoter as Rickard has shown himself to be in all his dealings with the sporting public just to comply with a much-delayed rule. On the contrary, the commission doubtless takes a fair-minded view of the situation and will permit Tex. to go through with his part of a contract signed long ago without facing a financial loss of extraordinary proportions.

There is, or rather there should be, a clause in the commission's latest ruling fixing a date on which the limit prices are to take effect and this should be after that of matches arranged in advance of it. The commission being made up of "common-sense" men knows it has as much right to arbitrarily impose conditions on Rickard as it would have of stepping into the headquarters of any Broadway merchant and detaching him at what prices he should sell his goods without first taking into consideration contracts he had made previously.

Rickard has never shown himself to be a "hog" among promoters, else he wouldn't have placed himself on record early in his promoting career as a dispenser of large sums of money to the boxers. Even since the Walker law went into effect he has shown unheard of generosity in giving away money to boxers out of all proportion with their worth, in order to furnish New Yorkers the best of entertainments and in this nobody can faultfully say he has failed. He assumed all the risks and, fortunately, with but few exceptions, has come out on top. Such gamesiness is to be commended, not squelched.

In view of all this, the Boxing Commission would be doing Rickard a rank injustice if it prevented the Dempsey-Willard go after he had gone to all the trouble of arranging it along championship lines. Tex. himself doesn't think the board has any such intentions. To run it now as a \$15 affair would simply spell ruin for the promoter, who long since has tied himself up to figures based on something far better than \$15.

Rickard, as every one knows, is a promoter of the take-a-chance variety, and that is what really made for him the reputation he now enjoys. In signing the Dempsey-Willard originally it is safe to assume that he had to listen to some dictatorial remarks from both the principals, and while conducting the bout with a \$15 limit price for tickets is out of the question now, it is a pretty safe wager that even at the former \$5 to \$25 arrangement Rickard would have a hard time "getting out."

Entered for the events are such stars as Joe Moore, International sprint champion and joint holder of the National Championship, held at Newburgh on New Year's Day; Charles Jewriss of Lake Placid Club, who tied with Moore at the Nationals; Leslie Boyd, metropolitan indoor and outdoor champion; William Murphy, former one-mile National champion; Bobby Hearst, crack hurdler; Johnny Houseworth, former junior champion; Don Robinson, Metropolitan one-mile champion; Irving Reizer of the Dyckman Club; Charlie Schmidt and George Pickering of New Jersey; James Hennessy, Martin Browster and Al Leitch of the Lake Placid Club, and Archie Rogers of Newburgh.

MOORE, Murphy and Robinson will carry the colors of the 181st Street Ice Palace, while Boyd, Hearn and Houseworth will star for the Tremont Rink Club. These two outfits are having a close race this year for the P. W. Becker point trophy in the metropolitan district, Tremont at this time leading by a small margin, as it has won the trophy in the past by helping to pile up points, as against the three named for the Ice Palace.

The eyes of the skating fraternity will be turned to the contest being held next Saturday because of their thrilling battle in the National meet. These two men are distinctly opposite types of athletes, Jewriss being the powerful, rangy type, while Moore is more on the order of Norval Bapte, the professional champion, stocky and fast.

PHILADELPHIA, Jan. 10.—Martin Judge, the local featherweight, fought his last professional fight, a hard-fought six-round contest here Saturday night.

All-Comers' Tennis Tournament Likely to Be Awarded Philly

Dates for Big Events Largely Depends on the Davis Cup Plans.

Two months of international lawn tennis upon American courts is in store for the followers of the game during the coming season. Members of the Schedule Committee of the United States Lawn Tennis Association, under the direction of Julian S. Myrick, President, have framed recommendations to be offered at the annual meeting next month. The object of their work has been to avoid conflict and congestion due to Davis Cup matches and to establish the All-Comers' National Championship singles as the climax of the season.

The remarkable feature of the plan offered for adoption is that it directly favors the turf of the Germantown Cricket Club, Philadelphia, for the All-Comers' singles. Furthermore, it names the date as Sept. 12, which is starting, and some regard as revolutionary, in being practically a full month later than the time of formerly holding the championship when the great tournament was decided at Newport, R. I.

Officials agreed yesterday that much depended upon the number of challengers and the draw for the Davis Cup. It is known that several of the nations prefer to compete in this country. This will cause arrangements similar to the programme of 1914 when matches were fought on courts at Chicago, Boston, Pittsburgh and New York. It is fairly agreed among those aiding the destinies of the American tennis that the challenge round for the Davis Cup may best be played on the turf at Forest Hills. The date named is Sept. 2.

Paul B. Williams, Secretary of the National Association, said yesterday: "It is purely tentative, for no action can be taken until the annual meeting awards the championships; but one suggested arrangement of the playing schedule, which has met with some endorsement, is as follows: Aug. 1, Southampton; Aug. 2, Newport; Aug. 3, Southampton; Aug. 4, Newport; Aug. 5, Southampton; Aug. 6, Newport; Aug. 7, Southampton; Aug. 8, Newport; Aug. 9, Southampton; Aug. 10, Newport; Aug. 11, Southampton; Aug. 12, Newport;
