**Your Happiest Summer Record**

**With a Good Camera**

The first essential is photographic equipment thoroughly tested to meet the needs of amateurs.

Second, a capable instruction service to prevent extravagant disappointments.

Third, prices so low that a practical camera outfit can be obtained at a moderate cost.

All three advantages are realized by purchasing cameras and supplies at our lowest-in-the-City Prices.

The following items indicate the savings on dependable cameras:

|                                    |                  |   |                     |
