Smart New Fall Frocks for Women

—of Poiret Twill, Wool Jersey and Crepe de Chine—Priced very low Saturday at 19.75

Frocks that express their individuality and charm by interpreting the mode in various interesting ways. One of Poiret Twill does it by putting contrasting embroidery on pockets and around the vestee, and adds a detachable Canton Crepe blouse to match the embroidery.

Another attains the mode by being slip-over, with pockets and belt piped with silk braid to match the good-looking Canton Crepe blouse that accompanies it. Sizes 34 to 42. And still another is delightfully fashioned of Wool Jersey in suspender effect—the blouse of lighter shade than the skirt. The sleeve is slit from elbow to wrist. In sizes 34 to 40.

Also at 19.75—Slip-over Crepe de Chine Frocks with sides and sleeves trimmed with silk braid. In navy and black. Sizes 34 to 44. **Fourth Floor**

Women's Coats & Wraps

Regularly priced at 98.50 and offered for one day only

ROOMY, luxurious, wrappy coats they are, reflecting in their modish beauty the most advanced ideas of Parisian couturieres. The flare skirt strikes a new note in some of them, while others are loosely fitting, or semi-belted, but invariably the style is marked with much originality.

Materials were never lovelier than these—panvelaine, Bolivia, wondura, or Pollyanna. Many are embellished with luxurious collars of taupe wolf, beaver, squirrel, nutria, mole and Australian opossum. All of the new and desirable Autumn colorings are in the group, including Malay, deer, Sorrento and ostrich, as well as navy and black. **Fourth Floor**

Misses' Tailored Frocks

Charming Cape Frocks for Misses, 39.50

Satin-back Crepe says there are two sides to its story, and uses both of them to illustrate its point. Sizes 14 to 20 years. **Second Floor**
