### Thin Model Gold Watches For Men, \$64.50

MODERN watchmaking has developed the thin watch—par excellence—so that now time-keeping aristocracy is open only to the slimmest, most elegant models. Until recently thin watches were always expensive. A watchmaker in Switzerland, however, made a concession to us, so that we are able to offer a watch at \$64.50, the 1920 price of which was \$100 or more.

The 18-jewel adjusted Swiss movement of these watches is fitted into a 14-karat gold case, exquisitely turned and chased. Round, octagonal or cushion shapes.

Also—at \$37.50, thin model of 14-kt. gold watch, with a fine 15-jewel movement.

Guaranteed for one year by R. H. Macy & Co., Inc.
