"When I finally came to New York for the first time, I went through the streets which I had read about so much, and was delighted at the thought that I was acquainted with them and their youthful heroes. The bootblacks, however, took me back to my kid days, and I patronized them liberally. They were a nuisance—that is true—but they were part of the past."

**MINNESOTA RESORTS POPULAR.**  
Minnesota has just closed its greatest year as a summer resort, according to I. A. Conroy, Secretary of the Ten Thousand Lakes of Minnesota Association, who is at the Biltmore.

**AS OTHERS SEE US.**  
"I miss the hordes of young bootblacks who used to greet one on every corner," confided R. E. Tomney of Terre Haute, at the McAlpin. "When I was a boy, I read every story by Horatio Alger which I could get, like all the boys of my day. New York to me then was the city of Bleecker Street and the Bowery, and its heroes were newshoys and bootblacks who lived in the tenements and

and given place to luxurious parlors with hand-painted pictures of the youngsters.  
When the reporter told him that the bootblacks held forth as in years past, in City Hall Park, Mr. Tomney declared that he would take a trip down there to-day for a shine, if he had to miss a business appointment.

Hurry, Mother! A teaspoonful of "California Fig Syrup" now will thoroughly clean the little bowels and in a few hours you have a well, playful child again. Even a cross, feverish, constipated child loves its "fruity" taste, and mothers can rest easy because it never fails to work all the poisons right out of the stomach and bowels without griping or upsetting the child.

Tell your druggist you want only the genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother, you must say "California." Refuse any imitation.

**A NEGLECTED COLD**  
at this time of year may develop into a serious cough or lung trouble. Father John's Medicine treats colds in the natural way, by giving each organ strength to resume its normal work. **FACIAL ERUPTIONS**  
People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets.

Facial blemishes will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or broken out face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 50c.—Advt.

**STALE BLOOD AFFECTS FEELINGS**  
Pepto-Mangan Makes Red Blood, Restores Healthy Glow.

It is gradually, very gradually, that the effects of weakened blood become apparent. Generally there is a feeling of lassitude. It is like a harmless, lazy heaviness, and the complexion becomes muddy.

Gude's Pepto-Mangan is the very first thing a woman should think of taking for a stale-looking complexion. It drives out the poisons that ruin complexions.

But it is not only the effect that Gude's Pepto-Mangan has upon the complexion that makes it so valuable. New healthy blood causes an improvement in feelings, a return to the usual style of enthusiasm, a sensation of warmth and glow, an appetite that eagerly awaits eating time.

Gude's Pepto-Mangan makes new blood. It comes in liquid, or tablet form, both having the same medicinal value. The full name, "Gude's Pepto-Mangan," is on every package.—Advt.
