

\$1,285,000 RAISED FOR JEWISH RELIEF; PRIESTS ADD \$1,250

Washington, Baltimore, Kansas City and Milwaukee Pass Their Quotas.

The success of the local campaign to raise \$5,000,000 for the starving Jews of Europe seemed assured to-day when reports from many parts of the country were received by National Chairman David A. Brown.

In addition to the increasing returns from this State and city, including a \$10,000 subscription from Gov. Miller, there were telegrams telling of many cities approaching or passing their quotas.

"Baltimore has passed her quota," said Mr. Brown. "Washington, D. C., Kansas City and Milwaukee, have passed the mark; the State of Arkansas is over the top; North Carolina has trebled its quota; Los Angeles and San Francisco have about reached their quotas. Indiana is over and Michigan is near the top."

Five thousand volunteers are working in New York City, and they added \$175,000 yesterday to the \$1,110,000 already in hand.

The Rev. James Byrnes, pastor of St. Mary's Catholic Church, on Grand Street, sent a check for \$250 "for the starving and helpless children on the other side," regretting it was not more. This contribution was made through Judge Rosalsky. Another Catholic priest in Butler, N. J., gave \$1,000, the second largest contribution, at a mass meeting, which sent the district's quota far forward on its way.

Mr. and Mrs. Herbert H. Lehman added \$5,000 to their contribution, making it \$25,000. Another \$25,000 from Adolph Lewisohn and \$10,000 from the Globe Exchange Bank in Brooklyn were among the donations.

The Theatre Owners' Chamber of Commerce gave \$5,000; the Moskowitz family, \$2,500; Elias Strat & Son, \$2,500; Julius Schwartz, \$2,500; other large donations were: (one from \$10,000), \$15,000; G. Benenson, \$5,000; Mr. and Mrs. Morgenthal, \$5,000; Mr. and Mrs. C. P. Ziegler, \$5,000; Simon W. Straus, \$5,000; Col. H. A. Guinzburg, \$5,000; Paul Baerwald, \$5,000; Toch Brothers,

\$2,500; Mr. and Mrs. Samuel N. Erlinger, \$2,500; Schnitz & Levine, \$2,500; Cohen, Goldberg Co., \$2,500; Mr. and Mrs. Ginsburg, \$2,500; Herman Lissner, \$2,500; Jewish Camp Directors of N. Y. C., \$2,000; Mr. and Mrs. William Fishman, \$2,000; C. M. Loeb, \$2,000; E. Hochschild, \$2,000; Mr. and Mrs. Herbert M. Kaufman, \$1,750; Baer Brothers, \$1,500; Mr. and Mrs. August Goldsmith, \$1,500; New York Merchandise Company, \$1,050; employees of S. Liebovitz & Sons, Inc., \$1,028.95.

Many \$1,000 subscriptions were likewise received.

DENIED ANNULMENT FROM DIVORCEE

Dentist Said to Have Been Co-respondent Censured by Justice Cohan.

Supreme Court Justice Cohan today denied the plea of Dr. Joseph Mann, a dentist of No. 33 West 42d Street, to have his marriage annulled. He married his wife eleven days after her divorce action and then had secured an interlocutory decree of divorce. Dr. Mann's plea was that his wife had not been fully divorced from Madden.

Mrs. Mann testified that Dr. Mann was fully aware of the status of Madden's divorce action and that he paid all the expenses. She also testified that Mann and Madden had lived with each other for her and had she married Madden and then repented. She further declared that Mann made an arrangement with Madden to institute the divorce proceedings.

"The acts of both parties deserve severe censure," said Justice Cohan. "There is no doubt that the plaintiff was the co-respondent in the divorce action. His continued association with the woman, the marriage immediately after the interlocutory decree and his subsequent living with the defendant show that he was closely interested in the progress and ultimate result of Madden's action for divorce."

FLU HOLDS UP DINNER OF FIRE DEPARTMENT

Thirteen Promoters of Uniformed Officers' Association Ill.

The annual royalty dinner of the Fire Department's Uniformed Officers' Association, which was to have been held next Saturday night at the Hotel Commodore, has been indefinitely postponed because a number of the promoters have been incapacitated by influenza. Invitations are being recalled.

Twelve of the forty-four dinner promotion delegates are laid up. Six are in hospital. Capt. John J. Waldron of Brooklyn, Chairman of the Dinner Committee said: "As a result of the illness of the thirteen delegates we are unable to reach 200 uniformed officers. Usually we have 700 at our dinner. This year we have returns from only 400."

SENATOR SCHANZER, ITALY ARMS HEAD, LEAVES FOR HOME

Diplomat Pays High Tribute to America—Lauds Art Development.

Senator Carlo Schanzer of Italy, head of the delegation of his nation at the Conference on the Limitation of Armaments, left for home to-day on the Paris of the French Line. Senator Schanzer emphasized the consistent support given to the American contentions at the conference by the Italian delegation and said the agreement in which the two countries found themselves presents the happiest promise for their helpfully friendly relations in the future.

The artistic development of America was most impressive to him. Senator Schanzer said, and the freedom and great rewards and appreciation to be found here are certain to attract more and more of the master artists of Europe to come here.

He spoke of the establishment of a permanent tribute to the genius of Enrico Caruso and said it could not

but "draw the United States and Italy even closer together as a manifestation of the human spirit shown by America to all great artists, no matter what their nationality."

"What Italy has done in behalf of music and the other culture arts will ever remain to her glory," he continued. "When Italy was politically oppressed she continued to contribute to the world's artistic development. The American people here are also spiritual and art-loving. Italy admires you and wishes to co-operate in every field of effort."

LAST SNOW COST \$1,000,000.

Snow from the last storm cost \$1,000,000 to remove. That amount was granted Street Cleaning Commissioner Alfred A. Taylor at a special meeting of the Board of Estimate called to-day for that purpose. The drain on department reserves caused by the recent storm created a deficit of nearly \$400,000, which would have affected this week's payrolls to that amount if the Estimate Board had not acted to-day. It is estimated that the eight snow falls this winter have cost \$2,400,000.

Statistics Say Four to One Against You

Unless you take proper precautions, the odds are four to one that you will contract Pyorrhea before or after you pass the age of forty. Something to think about, isn't it?

There are two things you can do: play the long shot and pay the probable penalty, or set about in a sensible manner to insure your teeth.

Pyorrhea has cost many an individual his teeth and health. It starts with tender, bleeding gums. That is the danger signal you should be quick to heed.

Ignore it and Pyorrhea does its deadly work in a hurry. The gums recede, the teeth loosen and drop out or must be pulled. Pus pockets form at the roots of the teeth and disease germs swarm throughout the system.

You must not let Pyorrhea gain headway in your mouth. At the first warning, see your dentist and start using Forhan's For the Gums at once.

Forhan's For the Gums is the formula of R. J. Forhan, D. D. S. If used consistently and used in time it will prevent Pyorrhea or check its course.

Don't wait a day longer. Stop at your druggist's at once, buy a tube of Forhan's and start using it today.

Brush your teeth with Forhan's regularly. It is an excellent dentifrice and will keep your teeth and mouth in perfect health.

Four out of five wait too long. Don't be one of them. 35c and 60c at all druggists.
