

WESTERN COLLEGE STAR FATOR WINS THREE OUT OF FOUR RACES AT SARATOGA

Rancocas Stable Jockey Could Not Earn Brackets on Lucky Antoine, but Brings Home Three Outside Mounts as Winners.

By Vincent Treanor. SARATOGA SPRINGS, N. Y., Aug. 22.—Laverne Fator, the Rancocas Stables jockey, won three races or half the card here yesterday on mounts outside of those of his employer, but he could not land Lucky Antoine in the only other race in which he rode.

On Lucky Antoine, Fator was not so fortunate. This one was a receding choice and he raced like one. He was off badly to begin with and came with his usual stretch run when the race was about over.

Fator's ride on Toucana was a great improvement over that of Keogh on the same filly last time out. He got her away in front and there was open daylight between her and the rest of them all the way.

On Fairway, a hard horse to ride, Fator just nudged him home, getting up in time to nod out Tuffen, on whom Ensor rode a great finish.

ANNA M. HUMPHREY AND DUST FLOWER ARE OUT OF RACING

(Special to The Evening World.) RACE TRACK, SARATOGA, N. Y., Aug. 23.—Dust Flower and Anna M. Humphrey, the fillies which Cal Milburn predicted would run first and second in the Spinaway next Saturday, have both gone wrong in their careers. They were under colors again this season. The Kentucky owner-trainer will ship them to his Kentucky farm tomorrow.

IRISH POLO TEAM ARRIVES TODAY

The White Star liner Majestic brings to New York to-day the All-Irish polo team and the two British members of the Anglo-American combination, so that by the time the vessel docks every member of the seven teams which are to compete in the international matches at Rumson, Philadelphia and Meadow Brook will be in this country.

The Irish team consists of Capt. Linnard Goulding, J. A. Trench, G. V. Douglas and Capt. P. A. Gill. With them are Mrs. Goulding and Mrs. Gill. The British members of Earl Hopping's Eastcott team who are also on the Majestic are Major F. B. Hurndall and Major Vivian W. Lockett.

The Argentine team will be met by representatives of the Polo Association and the International Tournament Committee as well as by the Argentine team and a number of American players. The Irish team will proceed at once to Rumson. The British officers will go to Garden City, L. I., where they will rest for a few days.

The Argentine team will make its first appearance here in its first match, on Saturday, the opening day of play for the Herbert Memorial Trophy at Rumson. The South American will meet Orange County in that match.

Bud Fisher's Cartoonist showed himself to be a first-class colt by the manner in which he won the Adirondack Handicap. Clarence Kummer held him off the pace of Banter and at the head of the stretch came to the outside and pointed him down the middle of the track.

There is considerable discussion here as to how fast Saturday's race with Whiskaway, Bunting, Filory and Kalsang will be run and some predictions made that the records for three year olds over the course will be approached or beaten.

Bud Lerner carried his impost right gallantly for a little horse, in the Adirondack Handicap, and though beaten he lost no friends, being in a tight place three furlongs from home.

BOB WALTHOUR JR. AND HILL BEATEN BEFORE BIG CROWD

Verri and Sargent, Foreign Combination, Defeat American Stars at Velodrome. TWELVE THOUSAND dyed-in-the-wool fans last night saw the combination of Franco Verri, the Italian, and Pierre Sargent, a Frenchman, triumph over a pair of Uncle Sam's stars, Bobby Walthour Jr. and Freddy Hill, in two straight heats of a one-mile match race at the New York Velodrome.

Walthour and Hill were too anxious in the first heat, and in their anxiety Freddy did the unpardonable thing of fouling both Sargent and Verri, with the result that Referee Harold Dibble had no other alternative but to disqualify the Americans.

WALTER HAGEN NOW WORLDS GREATEST "MATCH PLAYER" Big Field Starts Play For Western Golf Title

Hagen Notable Absentee in Tournament on Oakland Hills Course.

DETROIT, Mich., Aug. 23 (Associated Press).—With approximately 142 golfers entered, the Western open golf tournament will start to-day over the difficult Oakland Hills Country Club course, with indications that the three days of play will produce some of the keenest shooting of the season.

Until yesterday Abe Mitchell, the great veteran of English golf, wore the crown belonging to "the greatest match player in the world." Yesterday that crown was knocked violently from Mr. Mitchell's British head in a thirty-eight hole match against Walter Hagen at the Westchester-Biltmore Country Club in which Hagen defeated Mitchell 2 up and 1 to play and, by the manner of his victory, proved that the crown is rightfully his.

Hagen has always been known as a super golfer in the pinch, but yesterday he surpassed himself in snatching victory from Mitchell's eager hands when the Englishman had him 4 down and 9 to play. Facing an almost hopeless task Hagen unleashed a fierce attack on that last nine that won the tenth, eleventh, fourteenth and fifteenth holes to square the match and the seventeenth to clinch it.

Such conditions mean that with enough luck to escape the pits a score of several strokes under par is possible, but at the same time many a good game may go to waste through inability to dodge the hazards.

Gov. Lake Wins Golf Match by Default

EASTERN POINT, Conn., Aug. 23.—Governor Everett J. Lake of Connecticut entered the second round of the annual state's golf championship of the Shenecton Country Club yesterday when he won by default from Al Umer, yesterday's medalist and the Florida State champion.

Upset Comes When Vets Lose to Youngsters in Four Sets in Doubles.

BOSTON, Aug. 23.—Ten teams were left in the field when the last of the matches had been completed yesterday afternoon in the annual men's national championship doubles lawn tennis tournament, on the turf courts of the Longwood Cricket Club at Chestnut Hill. Six of these reached the round before the semi-final, with the remaining four a round behind. In only one case did the logical favorites fall to come through, and that one match was marked by a well advertised upset.

Six Metres Yachts Sail in Light Winds

The six metre yachts Lea, L'Esprit, Priscilla and Ace were the winners of the four races sailed yesterday on the Sound off Oyster Bay in the second day of trials arranged by the Seawanhauk Yacht Club for the long wind-haka-Corinthian Yacht Club for the purpose of selecting a team of four to race against the British team.

Tide and Weather Delay Channel Swim

DOVER, England, Aug. 23 (Associated Press).—High tides and the low temperature of the water have forced the four American long-distance swimmers who intend to make an attempt to swim the English Channel to postpone talking to the water until conditions are more favorable.

The possibility of frequently nesting birds is shown by the fact that the score for the best bird of the five totaled only 62, and the best of twelve of the eighteen holes, at least one of the players made a birdie.

Such conditions mean that with enough luck to escape the pits a score of several strokes under par is possible, but at the same time many a good game may go to waste through inability to dodge the hazards.

INSANITY IN STATE SHOWS A DECREASE IN THE LAST YEAR

State Hospital Commission Thinks It's Due to Better Financial Conditions.

ALBANY, Aug. 23.—The State Hospital Commission, in a report to Gov. Miller, declares that fewer people have been going insane in this State in the last few months than at any time since the war, and attributes it to improvement in financial and industrial conditions.

The report is on a preliminary survey of the State's hospitals for the insane, showing the progress made during the fiscal year ending June 30. It says:

The net increase in patients in institutions for the year just closed showed a decided reduction from the previous year, although such reduction did not become evident until the spring months, and it is still much higher than the average of about 800 or a number of years past (1,422 for 1921; 1,155 for 1922). However, the parolés for the past year exceeded those of the previous year by approximately 295 (3,833 in 1921; 3,128 in 1922), reducing the net increase by that much.
