

FORDHAM "BABIES" ROUT SOPHOMORES, USE A WATER CURE

Freshman Has Fine Idea When Locked in St. John's Hall.

In a spirited class election held yesterday afternoon in the Administration Building the senior class of Fordham considered the question of the punishment of "freshies," but nothing was done. It was agreed that the sophomores were handling the newcomers in a competent manner notwithstanding a particular happening earlier in the day.

The event which brought up the discussion was the defeat at noon yesterday of the sophomores at St. John's Hall. The sophomores had the infants locked in that building. A bright idea dawned on a freshman. He seized the fire hoses in the building and played it upon the besieged sophomores. They were utterly routed. The sophomores, however, evened up that score later in the afternoon by capturing a few prize "babies" and retaliating upon them.

The meeting of the seniors was originally called for the election of class officers for the year and a spirited election it was. Bernard "Bud" Culliton, a pitching ace in his freshman and sophomore years on Fordham varsity nine, was elected President of the class of 1923. Mr. Culliton comes from Kingston, N. Y. Victor Kilkenny of North Bergen, N. J., was elected Vice President; John McManus of the Bronx was made Treasurer, and Paul McLaughlin of East Orange, N. J., was again made Secretary. He has held this post during his four years at college.
