Carpet Remnants
At Radically Lowered Prices

DURING a busy season there is always an accumulation of carpet remnants in sizes ranging from 5 to 20 yards. In addition to our own accumulation we have purchased an entire collection from a large manufacturer—and we offer them at 25% to 40% reductions. In most instances there is enough of one pattern and color to cover a room—and since the large pieces sell out quickly, it is advisable to shop early.
