

TEMPERANCE IN OUR STATE CONTEST

HUNTINGTON, L. I., Sept. 29, 1856. To the Editor of The N. Y. Tribune.

Six: At the 6th monthly meeting of the Suffolk County Temperance Society, assembled at Islip on the 25th and 26th of September, the following resolution, among others, was passed, and I, as their Secretary, am directed to forward a copy of it to the daily papers for the publication:

Resolved, That, inasmuch as it is well understood that the candidates for Governor of all the great political parties in this State are opposed to the principle of Prohibition, the friends of Temperance appear to be called on to refrain from voting for Governor at the coming election, or to vote for some candidate who is not nominated, and who is in favor of a Prohibition law.

Remarks.—We see no connection between the premises and the conclusion of our Suffolk County friends. Suppose we put the case in a kindred shape by way of illustration:

Resolved, That we will not vote for Governor hereafter until we shall have secured a Court of Appeals which will deal out legal instead of bar-room opinions.

Would that seem to our Suffolk County brethren a rational and sensible conclusion?

We mean once more to advocate and carry the most thorough anti-tipping law that the Courts and the People will sustain; whereas we held it unwise to thrust the Temperance issue into the present canvass. The time is unpropitious. The public mind is now intent on another issue, and will not be diverted. A Temperance ticket at this time would not carry ten thousand votes in the State, though there are hundreds of thousands who will support stringent Temperance legislation at the favorable moment.

We exert, therefore, our Temperance friends in Suffolk to vote for Governor according to their respective predilections on the great question now in issue, holding themselves in readiness to renew the battle for Temperance whenever they may do so with a reasonable prospect of thus advancing the cause. But it is never wise to reject the good that may be secured to-day out of regard to that which is not new attainable, but may be to-morrow. [Ed.]

POLITICAL ITEMS.

THE DEMOCRACY FOR FREMONT.—The following call has been issued for a meeting in Philadelphia:

"The Democratic citizens of Philadelphia, who are opposed to the Cincinnati Platform, to its principles and its nominees, and who are determined to stand by the Union and the Constitution, and to sustain the great doctrine of Civil and Religious Liberty; who are opposed to the extension of Slavery over our Free Territories, and thus degrade the free white laboring man to the level of the slave; and who cherish the memory of Jefferson and Jackson, are invited to meet on Wednesday evening, Oct. 1, at 7 o'clock, at the County Court-house, corner of Sixth and Chestnut streets, for the purpose of forming a Democratic Fremont Club, to aid in restoring our Government to the original policy of its illustrious founders, and in securing the triumph of Freedom over Slavery."

G., Geo. L. Buzby, Wm. H. Smith, Wm. J. Dume, Robt. M. Whelan, Henry Bruner, Wm. V. Pettit, P. C. Thomson, P. J. Williams, David C. Skerrett, W. A. Jackson, Amos Briggs, John Napier, John Stein, L. Mr. SEWARD has left home to speak for Freedom and Fremont in Michigan.

A gentleman who came through Illinois, Indiana, Ohio, Northern Pennsylvania and New-York, on five successive days of last week, kept tally of seven several votes for President, taken on different railroads during his journey. The aggregates of the several votes were: Fremont, 991; Buchanan, 207; Fillmore, 102.

HENRY C. GOODWIN of Madison County is the Republican candidate for Congress in the District composed of Oswego and Madison, now represented by the Hon. A. Z. McCarty. Mr. Goodwin was Mr. M.'s professor, and is true as steel on the great issue. The Convention warmly indorsed Mr. McCarty's course.

On Wednesday, Sept. 24, the people assembled in mass meeting in Mt. Holly, N. J., to the number of 5,000. The Courts adjourned for the day. The Hon. John C. Teneyck called the meeting to order, and Samuel R. Gunmore, esq., presided. The President made some appropriate and happy remarks, after which the Hon. Mr. Wood of Albany, Gen. Shankland of Kansas, the Hon. Chancey Shaffer of New-York, the Hon. John P. Hale of N. H., the Hon. Geo. H. Brown, and Edward Wheelock, esq., of N. J., severally addressed the people throughout the day and evening. The most profound order was observed, and the speaking throughout was able, argumentative and dignified; the people were attentive, and the solemn truths and weighty responsibilities portrayed have sunk in the hearts of the people, and you may expect to realize, in next November election, a long pull, a strong pull, and a pull altogether of the masses of old Burlington, in sustaining the questions now before the people of this country, and in elevating our standard-bearers, John C. Fremont to the Presidency, and William L. Dayton to the Vice-Presidency.

Ten thousand of the sons of Franklin County assembled at Deerfield, Mass., on the 18th to express their abhorrence of the brutal murder of their brother David S. Hoyt, in Kansas. At the time of his murder he was the unarmed bearer of a flag of truce from the citizens of Lawrence to the camp of the ruffians. He fell pierced by six bullets; his body was shockingly mutilated. This county mass meeting was called by the citizens of his native town without distinction of party. The Hon. D. W. Alvord of Greenfield presided. The exercises were opened by an impressive prayer offered by the venerable Rev. Samuel Willard, D. D. Esq. and effective addresses were made by the Hon. C. C. Chaffee, M. C., of Springfield, the Hon. Mark Trafton, M. C., of Braintree, Mass., of Northampton, and Judge Conway of Kansas. The father of Major D. S. Hoyt was upon the platform and was introduced to the meeting. Thirty-one young ladies in white, representing the States, and one in mourning, representing Kansas, accompanied by the South Deerfield brass band, came with the South Deerfield delegation. On arriving at the house of the murdered Hoyt, they halted and the band played a dirge, and the Rev. A. D. Jones returned a few appropriate remarks.

A Fremont meeting was held on Friday evening, 26th ult., at Mt. Pleasant, N. J., which was addressed by Mr. Wall of Newark, and others. It was well attended by the farmers of the country around, who are all right on the great issue now placed before them, and who have resolved to give a good account of themselves next November. A large delegation was present from Rahway, together with a fine glee club, who rendered music to the interest of the occasion by several well-selected songs.

AMONG THE SONS OF THE TIMES.—A few evenings since about sixty-five clergymen of this city—several of them pastors of leading up-town churches—met for a benevolent purpose. Presidential preferences were expressed and all present were for Fremont and Freedom, except two who gave their votes for Fillmore. This is not the only state of political feeling in the Northern part.

A mass meeting of the friends of Freedom and Fremont was held in Delaware, Ohio, on the 18th inst. So great a collection of the representatives of Delaware County has not been witnessed for many years. Speaking from two seats was kept up for an hour and a half.
