REMARKABLE CURE OF DEAFNESS. DIZZINESS, AND NOISES IN THE HEAD.

MR: M G. BROWS—Maddam: I have got entirely well, and under God, I. owe it to you. My right ear I have not heard any with for a number of years. I can now hear with it. My lett ear, the hearing left it just after harvest, in this way: I took a dizziness in my head, so I could not work, accompanied with a ringing noise in my ears. I was so bad that I could not hear without they would halloo at the top of their voices. I want to Philadelphia, put myself under the care of a ceiebrated atriat; he bored at my ears with matraments, and run others up my noatrile, for five weeks, and ended by cheating me out of seventy, dre dollars (\$75). I then saw one of your advertisements; I got the Mexapoyesical Discovery, used not more than half of it, and have recovered my hearing, which I had lost for years.

READ THE FOLLOWING REMARKABLE CERTIFICATE—A LADY IN THE LAST STAGE OF CONSUMPTION CURED.

From The Beston Journal.

July 27, 1864.—I, Mrs. Namey Sloan, of No. 85 Warrenest, Charlestown, do certify that I have been afflicted for ten years. My right side was so paralyzed that I loud not lie or it. During that time I suffered from catarth, sore throat; would cough from one to five hours at time; was very nervous; seldom could sleep at night. I had a long fever two years since, which reduced us to a selection. I had all the medical advice and medicines money could procure, but all to no purpose. I was fast ething in the last stage of consumption. I was confined to bed when Mrs. M. G. Brown's Metaphysical Discovery was sent for. I used it faithfully, and the result in my paralyzed side is restored to vigor; I can now test well on it. My catarth is gone. My cough, my nervousness, and sore throat for gone. I sleep well. All my irregularities have disappeared, and I must coknowledge that, by the providence of God, I was directed to the use of Mrs. M. G. Brown's Metaphysical Discovery, and by it taken from the mouth of the grave and restored to my family and friends.

REMARKABLE CURE OF DEAFNESS OF TWENTY YEARS STANDING.

I, John A. Newcomb of Quincy, do certify that I have been entirely deaf in my left ear for twenty years, and for the past six years my right has been so deaf that I could not hear conversation or public sceaking of any kind. I could not hear the church hells ring while I was string in the church. I have also been troubled for a number of years with a very succ threat, so that I weapolitized to rive up singing in church, for I had lost my voice. I had great trouble in my head-terrible noises, almost to crathess. My head felt numb and stupid, and was a source of constant trouble to me.

I tried every remedy that could be theught of. I went to arrists but as they wanted to use instruments, I would have nothing to do with them. About one month since I obtained Mrs. M. G. Brown's Metaphylical Discovery, and used it according to the directions on the bottles, and the result is that the bearing of both care is perfectly eaven and arrest that the bearing of both care is perfectly caven at a rest that the hearing of both care is perfectly eaven and arrest. We have the mean as well as any man. The great tooble in my head is entirely gone. My head feel perfectly eaven and arrest, which was so diseased, is entirely cured; and I would not take one thousand dollars for the bench I have received in the use of Mrs. Movem's Metaphysical Discovery.

the use of Mrs. Brown's Metaphysical Discovery.

NEURALGIA.
Certificate of Mr. J. P. Litch, of Charlestown:
This is to certify that nine months ago I was attacked with Neuralgia in the most violent form. Several physicians were applied to whe did all they could to relieve me, but to no purpose. Every patent medicine and remedy that could be found were applied without effect. My face was poulitied and bandagod in order to find relief. Since the Neuralgia attacked me I lost twenty five pounds of flesh. In this state, a friend of mine recommended me to try Mrs. M. G. Brown's Metaphysical Discovery, as it had cared a friend of his of very bad eyes, which had haffled the skill of the most eminent physicians. Consequently I went to Mrs. M. G. Brown's office, at the American Home, and obtained her Metaphysical Discovery on Saurday, the 19th inst. I applied it at 4 o'clock in the afterneon. The result was that Neuralgia substided—almost immediately I felt relief. I siept well, without any positives as before.

MRS, M. G. BROWN'S POOR RICHARD'S EYE WATER will make the weakest eyes strong, removing all inflammation and humor. Every one should use it, as it preves the presention of disease.
