POLITICAL AND SOCIAL LIFE ABROAD.

MR. GLADSTONE'S NEW DEPARTURE—AN UNUSUAL HOUSE OF COMMONS—TURKEY AND RUSSIA—CARNIVAL DAYS AT MOSCOW—GARIBALDI'S MEMOIR.

MR. GLADSTONE'S NEW TACTICS.

LONDON, June 2.—The meeting of Liberal members at the Foreign Office and Mr. Gladstone's address on Tuesday mark a new departure in the history of the Liberal party and perhaps of parliamentary government.

THE IRVING BANQUET.

The first list of the stewards of the Irving dinner contains nearly 300 names, including as representatives of literature Mr. Tennyson and Mr. Matthew Arnold; of science, Professor Spottiswoode and Professor Tyndall; of art, Mr. Leighton, Mr. Millais, and Mr. Tadeua; the editors of nearly every important journal in London; three Cabinet Ministers, Mr. Gladstone, Earl Granville, and Mr. Chamberlain; the American Minister, the Dukes of Sutherland, Beaufort, and St. Albans; Earls Dalhousie, Rosebery, and Lytton; several judges in addition to Lord Chief Justice of England Colclough, who presides the leading managers and actors of the London stage; and numerous other celebrities, naval, literary, social, musical, medical, from every class of London life.

ACTS OF THE CZAR.

ST. PETERSBURG, June 2.—The Emperor has granted the Kaskobnik sect dissenters from the Greek Church liberty to change their domiciles, to engage in trade, to hold office and to perform their religious rites; but they are prohibited from having public processions.

MOSCOW, June 2.—At the ball given by General Von Schwenitz, the German Ambassador, last evening, the Emperor and the Grand Dukes appeared in the uniform of German officers. They also wore their German orders.

IT IS STATED THAT THE MAYOR OF MOSCOW INTENDS TO RESIGN, IN CONSEQUENCE OF THE DISAPPROVAL THAT HAS BEEN EXPRESSED OF A SPEECH WHICH HE DELIVERED AT THE BANQUET FOR THE MAYOR OF ETIENNES.

THE LIBERAL PARTY IS FULLY PREPARED TO SUPPORT THE MINISTERS IN THIS PURPOSE.

THE LIBERAL PARTY IS FULLY PREPARED TO SUPPORT THE MINISTERS IN THIS PURPOSE. THE ONLY CRITICISM HEARD WITHIN THE PARTY RANGES FROM MR. JESSE COLLETT, MEMBER FOR IPSWICH, A SINCERE BUT INTRACTABLE RADICAL, WHO COMPLAINS THAT MR. GLADSTONE DOES NOT GO FAR ENOUGH, AND FROM MR. FIRTH, MEMBER FOR CHELSEA, WHO WANTS THE LONDON MUNICIPALITY BILL WAS LARGELY DUE, AND WHO NATURALLY EXPRESSES HIS POSTPONEMENT.

BOUDDHISM IN PARLIAMENT.

DISCREDITABLE EXHIBITIONS OF PARTY AND PERSONAL SPIRIT CONTINUE IN THE HOUSE ALMOST NIGHTLY. LORD RANDOLPH CHURCHILL NARROWLY ESCAPED NAUING AND THE TORIES HAVING UNITED IN PERSISTENT NAGGING OF THE MINISTERS IN THE ENDEAVOR TO EXTRACT ADMISIONS OF MR. ERRINGTON'S AGENCY, WHICH WAS REALLY IMAGINARY.

MR. GLADSTONE AND THE COURT.

THE DUKE OF ALBANY'S REPORTED APPLICATION FOR THE VICEROYALTY OF CANADA IS BELIEVED TO BE TRUE. A FULL STATEMENT IS EXPECTED ON MONDAY.

ENGLAND AND FRANCE.

THE ENGLISH PRESS IS DISCUSSING IN A CRITICAL BUT FRIENDLY SPIRIT THE FRENCH REVERSES IN TONGKIN. THE FRENCH PAPERS OF ALL PARTIES RETORT WITH FURIOUS ANIMOSITY, COMPLAINING THAT ENGLISH, GERMAN, ITALIAN AND EVERY OTHER EUROPEAN PUBLIC OPINION IS HOSTILE TO THE REPUBLIC. IT IS CERTAINLY TRUE THAT THE FRENCH FILIBUSTERING NOW EXTENDING FAR OVER THE GLOBE EXCITES WEEKLY STRONGER CENSURE.

THE WAR IN TONGKIN.

PARIS, June 2.—In the Senate to-day M. Challeme-Lacour, Minister of Foreign Affairs, replying to a question of the Comte de St. Vallier, said that all necessary measures would be taken to insure the success of the expedition against Tongkin.

ENGLAND AND MEXICO.

THERE ARE STRONG COMMERCIAL AND FINANCIAL INTERESTS BEHIND THE MOVEMENT FOR A RENEWAL OF DIPLOMATIC RELATIONS BETWEEN ENGLAND AND MEXICO. SIR SPENCER ST. JOHN'S APPOINTMENT PRACTICALLY INSURES THE SUCCESS OF THIS MOVEMENT. ENGLISH AGENTS ARE VISITING MEXICO IN GREAT NUMBERS FOR RAILWAY AND OTHER PURPOSES. ONE VERY INFLUENTIAL ENGLISHMAN, WHO HAS LATELY RETURNED, FREELY EXPRESSES HIS BELIEF IN THE POSSIBILITY OF MAKING ENGLISH INFLUENCE IN MEXICO PARAMOUNT OVER AMERICAN INFLUENCE.

THE CHANNEL TUNNEL.

THE CHANNEL TUNNEL CONTROVERSY HAS BEEN ENLIVENED BY THE APPEARANCE OF MR. BLANCHARD, VICE-PRESIDENT OF THE ERIE RAILWAY COMPANY, BEFORE THE COMMITTEE. HE TESTIFIES THAT AMERICAN OPINION IS FAVORABLE TO THE PROJECT. HE BELIEVES THAT AMERICAN TRADE AND PASSENGERS NOW GOING TO THE CONTINENT VIA HAVRE WOULD COME THROUGH ENGLAND IF THE CHANNEL TUNNEL EXISTED. TO SUCH EXTREMITIES ARE THE ADVOCATES OF THE CHANNEL TUNNEL REDUCED. ENGLISH MILITARY OPINION OF THE HIGHEST QUALITY CONTINUES IN UNANIMOUS OPPOSITION. GENERAL SIR LINTON SIMMONS BY HIS EVIDENCE THIS WEEK PRODUCED A STRONG IMPRESSION ON THE COMMITTEE. THE DUKE OF CAMBRIDGE WILL SHORTLY APPEAR ON THE SAME SIDE. THE PUBLIC IS CONVINCED THAT THERE IS NO REAL DANGER OF A REPORT FAVORING THE TUNNEL, BUT THE OPPONENTS OF THE SCHEME SAY THAT THE COMMITTEE WAS PRACTICALLY APPOINTED BY LORD RICHARD GROSVENOR, THE CHAIRMAN OF THE TUNNEL COMPANY, AND CONSEQUENTLY NEEDS WATCHING.

THE BRITANNIC REPAIRED.

LIVERPOOL, June 2.—The White Star Line steamer Britannic, which left here on May 24 for New York, and put back with her engine shafts disabled, left the dock at 8 o'clock this morning, having effected repairs.

THE IRISH EMIGRATION.

PROFESSOR GOLDWIN SMITH PUBLISHED A POWERFUL ARTICLE IN THE JUNE NUMBER OF THE NINETEENTH CENTURY, ENTITLED "WHY SEND MORE IRISH TO AMERICA?" recognizing that emigration on a large scale is a true remedy for Irish distress, but urging that the stream of emigration should be diverted from Canada and the Northern United States, where Fenianism thrives. He suggests that the Southern States are a desirable field. He declares that Canada, though politicians, from fear of the Irish vote, dare not say so, shudders at the thought of receiving a wholesale consignment of agrarian terrorists.

THE FRENCH DERBY.

PARIS, June 2.—The following are the probable starters and their jockeys in the race for the Grand Prix de Paris, to be run to-morrow:

Bir de Johnston's ch. s. St. Blaise (Acheron). 12 to 1 against. Equivoque, 6 to 1 against. P. d'Almeida's bay f. s. Nava (Berthelin). 5 to 1 against. L. Aubry's ch. c. Satory (Storr). C. J. Leferre's b. c. Regain (Webb). Equivoque's bay f. s. Arlette (Dodge). The Duc de Castries's b. c. Cromona (Kellert). Michel Kolras's b. c. Ganimede (Carratt). Equivoque's bay f. s. Ganimede's winner (Gooch). Comte F. de Lagrange's b. c. Derviche (Chersterman).

The following is the latest betting: 5 to 4 on St. Blaise, 2 to 1 against Frontin, 14 to 1 against Equivoque, 12 to 1 against Regain, 6 to 1 against P. d'Almeida, 30 to 1 against Cromona, 30 to 1 against Ganimede, 30 to 1 against Attendez-moi-Sous l'Orme, 30 to 1 against Derviche.

MEXICAN DISLIKE OF GRANT.

PANAMA, May 24.—Mexican papers printed on the Pacific Coast are beginning to abuse General Diaz for his friendship with General Grant, and to declare that the autonomy of the Republic will be threatened should Diaz become President. The poverty-stricken condition of the treasury, the fear that paper currency will take the place of coin, and the possible collapse of the railroad schemes, are the chief reasons advanced. It is also alleged that the "grants of \$150,000,000 in aid of railroads, while public instruction is almost forgotten." Similar papers, in particular, write strongly on these points.

HONOR TO GARIBALDI.

ROME, June 2.—The anniversary of the death of General Garibaldi was commemorated to-day throughout Italy. The statue of Rome unveiled a bronze bust of Garibaldi in the Capitol. A number of persons formed in procession and marched to the Capitol to witness the unveiling ceremony. In passing the Austrian Embassy the procession sang the Italian national anthem. The Chamber of Deputies has adopted unanimously a proposal to appoint a commission to discuss and report upon a bill for erecting a national monument to General Garibaldi on Janiculum Hill, the site of Garibaldi's defence of Rome against the French in 1849.

A RUSSIAN AND TURKISH ALLIANCE.

LONDON, June 2.—The Vienna correspondent of The Central News reports that Turkey is seeking a coalition with Russia against British influence in Egypt.

REVOLUTION IN ECUADOR.

PANAMA, May 24.—The revolutionists now completely surround Guayaquil and communication with it can only be held through the lower part of the river. The first shots were exchanged on the night of the 23d, and it is believed the city will be taken within a week. Affairs works from the rear and will be supported by a flotilla of gunboats. The British and American consuls are at Guayaquil. On May 3 a steam launch of the Italian man-of-war Victor Pizzani, which is at anchor at Guayaquil, steamed to the rebel camp, carrying the first tentation of the ship for the purpose of asking that due protection and security should be given the lives and properties of Italian and other foreigners in the city. The Provisional Government of Ecuador has not yet received any news of the city. A telegram, and also for a line to be built from Guayaquil to Quito.

NEWS FROM THE ISTHMI.

PANAMA, May 24.—Several accidents have occurred on the Panama Railroad recently, all fortunately to freight trains, with the exception of one on May 18 to a passenger train, when no one was hurt. Mourners now occur every day in Aspinwall or its vicinity. On Monday last a Colombian, who had worked that he would have revenge for a supposed injury, walked up to his opponent and shot him. He was killed on the spot. On Tuesday a man and woman stood at the bar when they got into an argument, and a Greek drew a knife and stabbed the other, who fell dead on the spot. Both murderers have been arrested, but it is probable the native will be discharged within a month, and the Greek soon after. On Sunday a man named Fernandez was murdered at Aspinwall, on the railroad line. He was shot by a man named Garcia, who was intended for some one else. The General Government of Colombia is using its best endeavors to maintain order and to suppress the disturbances. The revolutionists must be accompanied by great numbers; but the indications point to disturbances in the near future.

RELATIONS OF PERU AND CHILE.

PANAMA, May 24.—The terms of peace are still under discussion in Peru and Chile. There is little doubt that Lavalle, representing Iglesias, has come to an agreement with Novoa, that the Chilean Government has approved those terms, and their acceptance by Iglesias all that is needed to insure their realization. Even then there will remain obstacles to be overcome. In Peru a strong party is forming which will throw over the political, naval and military leaders, and act as a popular party. A "Peace Club," numbering many thousand members, has been formed in Lima, and is busy organizing provincial branches. The new members have to declare they will do all possible in favor of peace. Montero's Congress in Lima is mostly made up of men who are in favor of peace. It contains but few educated men, who follow the lead of Dr. Arcus, who is practically the Congress. Montero submits to his superior knowledge; but in the secrecy of money now in a city of 100,000 people, and the prevalence of the Isthmian warriors is apparent and their lives are far from happy. President Campero of Bolivia has decreed that no Bolivian shall leave the country without a special permit. The reason he gives is that many thousands of Bolivians go to the territories occupied by the Chileans, where they work for the mines, and are treated as slaves, and avoid being ill-treated and oppressed in their own country. The Bolivians, as a people, are mild and peaceable, and are not inclined to quarrel with their neighbors.

THE REVOLUTION IN HAYTI.

G. de Cordova, of No. 62 William-st., yesterday received a copy of a despatch from Kingston to the effect that the revolution is Hayti!

The Costa Rica Congress is in session, but is doing nothing. Minor Keith has presented a proposition to continue the Limon Bay and Rio Lualaba Railroad to the capital, San Jose.

LONDON, June 2.—Owing to the fact that grave imputations have been introduced in questions put in the House of Commons on Irish affairs, it is contemplated to call the attention of Mr. Gladstone to the necessity of modifying the rules relating to questions.

NEWS FROM WASHINGTON.

REFORM IN THE POSTAL SERVICE.

POSTMASTERS ORDERED TO ATTEND PERSONALLY TO THEIR OFFICES.

WASHINGTON, June 2.—The Postmaster-General has to-day initiated a very necessary reform in the postal service by issuing the following order: "Postmasters at first and second class offices will hereafter give their personal attention to the business of their offices and not absent themselves therefrom without authority granted upon written application to this Department. A violation of this order will be deemed sufficient cause for removal." This order only executed will not only prevent to a very great extent embezzlements of postal funds by subordinates, of which the recent defalcation of the assistant postmaster at Haverhill is an example, but will also abolish other causes of just complaint.

For instance, the complaints against the management of the Norfolk Post Office appear to spring from the fact that Postmaster Rice and his assistants both neglect the office to such an extent and allow a clerk to conduct it. "The postmaster is not an office man and his assistants are devoted to his official duties. The office is to be managed by the postmaster, to pay close attention to policies," said the chief inspector of the Post Office Department recently in regard to Postmaster Rice and his assistants. "The postmaster is to be the chief officer of the office, and he should receive good salaries and it is only just that he should be required to give personal attention to their duties." The wonder is that such an order as that of General Gresham's was not issued and enforced long ago.

BLISS AND THE OTTOMAN CASE.

WASHINGTON, June 2.—Colonel George Bliss has expressed his willingness to have published his letter to the Attorney-General recommending the "compromise" in the Ottoman case, a letter which was applied at the Department of Justice to-day for a copy of the letter. He was informed that a dispatch had been sent to the Attorney-General for permission to give the letter to the press, and a reply received directing that the letter be withheld until the return of Mr. Brewster, when a statement of the whole case will be prepared and furnished to the press. It is expected that the statement, which ought to be quite interesting, will be given to the newspapers on Monday or Tuesday.

It is also reported that the "compromise" was arranged without the knowledge of the Solicitor of the Treasury, and this is regarded as rather strange, in view of the fact that the case was distinctly a "compromise" and as such was properly within the jurisdiction of the law officer of that department.

CHARGES AGAINST ARCHITECT HILL.

WASHINGTON, June 2.—The Hill investigating committee to-day held the statement of Mr. Postmaster of Potomac and Brooklyn, who charged Mr. Hill with unfair treatment touching the execution of a contract by which the complainants proposed to furnish iron for the Government building at Austin, Tex. Mr. Postmaster recited the terms of his contract and the circumstances attending its execution.

Mr. Hill asked if complainant's object was to reopen a rejected claim or to make charges of fraud on his (Hill's) part.

Mr. Postmaster in charge that we asked you to protect us against the unfair treatment of your superintendent, and you refused to do so.

Mr. Postmaster offered in evidence his proposals and the correspondence which passed between his firm and Mr. Hill; also the correspondence with his (Postmaster's) superintendent and the report of the Government Inspector, which enumerated in detail many defects in the stairs and recommended numerous deductions, amounting to \$30,000. Mr. Hill was then consulted by the committee to show that the deductions were unwarrantable.

Mr. Hill replied that his action in the matter had been based upon the reports of the Government Inspector and superintendent; that some of his recommendations were not adopted by the Government; that he had not received his full Government expenses, and stating that he has engaged counsel for himself.

DECISION IN A LUNACY CASE.

WASHINGTON, June 2.—To-day argument in the case of William M. Bryant before Chief-Justice Carter on a writ of habeas corpus seeking Bryant's discharge from the Government Insane Asylum was concluded, and the Chief-Justice ordered the discharge of the petitioner. The petitioner was represented by J. N. Oliver and George E. Harris, and the Government by Assistant Attorney-General W. A. Mann and Eppa Hunton. On the return of the Chief-Justice the petitioner by virtue of a commitment of two physicians, as provided by an act of Congress, the petitioner filed a petition for his discharge, which was granted by the Chief-Justice. The law provided for publicity of proceedings in lunacy cases. The law of Congress did not require the asylum law.
