THROWING STONES AT FROGS

is small business at the best. Better let them croak in sleep comfort? We are concerned in the keeping of but one store. Our best thought is all the time turned to making that store better equipped, better stocked and in every way more attractive for you.

WOMEN'S SHIRT WAISTS. Of one style and price we've sold more than eight thousand in the last two months! Here are maybe a hundred styles. The fullest stock, the dashingest shapes, the biggest values we know of.

WOMEN'S FURNISHINGS. That acre of them, Broadway and Tenth street, is one of the most interesting corners of the store. A wilderness of little nothings that cost pennies and dimes and count for dollars of comfort. And there are others—bigger.

WOMEN'S SUITS. Here are a scant hundred Women's Dresses, very fine. Some were imported, some copies of imported dresses. Rich stuffs, elaborate trimming, light fitting braid. You may find one you fancy among them; you may think some of them hideous. The prices are absurd.

MUSLIN UNDERWEAR. Seems it that the manufacturer is happy, doesn't it? Gowns of good strong muslin, Mother Hubbard gowns, of 24 fine pleated, cambric ruffle on neck, and sleeve, 50c. long, 25c.

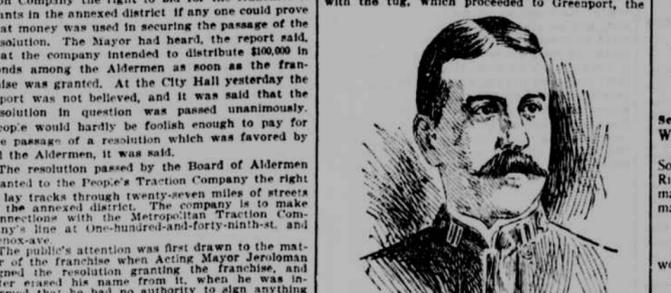

PARASOLS—UMBRELLAS. Parasols more tempting than ever. \$3.50 to \$5 kinds at \$1.95. \$6 kind at \$2.50. \$7.50 kind at \$3.50. \$10 kind at \$4.50. \$15 to \$20 kind at \$7.50.

10 PER CENT. A MONTH. is about what your Carpet money will bring you if you buy in this great July sale. The Carpets will cost about two thirds what you'd pay in the fall.

OUTDOOR SPORTS. Think of sporting gear with no extravagance in the price! Boys' Tents, best quality duck, all fast colors, 7x7, \$4.50.

IN THE BOOK STORE. No brass band business—just the Books healthy minded readers want, and mostly at prices less than they expect to pay.

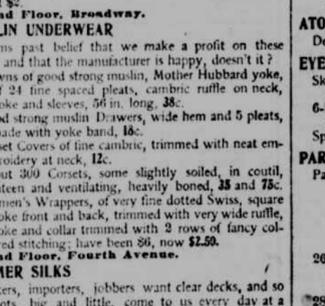

JOHN B. HERRSHOFF'S MENTAL POWER. From The Chicago News. John Herrshoff, member of the firm of shipbuilders, is the head of the success of the firm.
